# Red Nose volunteers ready to provide safe rides this holiday season

By Justin Luschinski

With holiday party season right around the corner, local Operation Red Nose volunteers want to make sure everyone has a safe ride home.

The designated driver program had their official kickoff last Saturday at the Selkirk Comp.

Beginning on Friday, Nov. 24, volunteers will be available to drive a passenger and their car home. The program will also operate on Dec. 1, 2, 8, 9, 15, 16, 22 and 31 from 9 p.m. till 3 a.m.

To book a ride, call 204-482-6673. The service will operate in Selkirk, East St. Paul, St. Andrews, and most of the Interlake region.

When a person calls for a ride home, Operation Red Nose sends three people: A driver, a navigator, and an escort car.

The driver and the navigator help get the passenger and their car home safely, while the escort vehicle follows them and picks up the driver and the navigator after they are done.

Although the service is free, some choose to make a donation, which goes directly to the Selkirk Dolphins Swim Club. Funds raised go towards keeping the team's fees down as well as covering coaching, equipment and pool costs.

Julie McPherson, one of the co-ordinators for Operation Red Nose in Selkirk, said that they're still looking for volunteers, especially for New Years Eve.

"We're just looking to add more people," she said. "I'd like a team always freed up, so they're not waiting a half hour, 40 minutes."

"We're trying to get more teams to reduce wait times. It's a lot of fun. We have Tim Hortons donating coffee, we have warm soup, and it's just a great time."

For volunteer information visit selkirkdolphins.com or contact Julie McPherson directly via email at ju-

liehowell@live.ca or by calling 204-782-6924. Volunteers must have a valid driver's license, and be able to pass a criminal record check.

This year Operation Red Nose is looking for 27 more volunteers, for a total of 140. Last year, 155 people received rides from the program. In total, Operation Red Nose offered 647 rides to people in the Interlake area.

# Selkirk program for at-risk youth earns \$10K funding boost

By Lindsey Enns

When Andrea Pietracci was a teenager growing up in the RM of St. Andrews, skipping school and making poor choices quickly caught up with her.

"I was getting into trouble with the law, drug problems, school attendance was not there," she said. "My parents were banging their head against the wall, they didn't know what to do."

It wasn't until she had a run in with the law that an RCMP officer recommended she look into joining the Selkirk Team for At-Risk Teens (START) program.

Now at the age of 26, Pietracci credits the program for helping her turn her life around.

"It just changed everything," she said.

Last week, the START program, which has been offered in Selkirk for 15 years, received \$10,000 in funding through the province's criminal property forfeiture program.

The program's partnership-based approach connects youth and young adults between the ages of 11 and 21, their parents or guardians, and involved agencies on a regular basis to set positive personal goals and deter-

Justice Minister Heather Stefanson announces the Selkirk Team for At-Risk Teens (START) program will be receiving \$10,000 from the province's criminal property forfeiture fund at the Lord Selkirk Education Centre last Friday.

mine how best they can achieve them.

"This partnership has proven to be incredibly successful in ensuring at-risk youth in Selkirk have every opportunity to succeed," Justice Minister Heather Stefanson said during the funding announcement at the Lord Selkirk Education Centre last Friday.

"Our government is proud to invest in important programs such as this because it provides measurable benefits to individuals, families and the community."

Tammy Thompson, the program's co-ordinator, said approximately 200 youth have gone through the program so far and their numbers continue to rise. Up to 35 youth can enroll in the year-round program at one time.

"Issues with youth don't stop because school stops so we continue on throughout the summer," Thompson said.

Many of START's clients have been involved in the justice system and face challenges related to mental health and drugs or alcohol use.

In 2016, the program recorded some significant successes with 96 per cent of clients attending school, 86 per cent reporting improved home conditions and 76 per cent were seeing a coun-

sellor to deal with drug- or alcohol-related issues.

Overall, START's success rate is 93 per cent with at-risk youth, helping them improve multiple areas of their lives including improved living conditions, education, accessing resources, creating safety plans and reduced recidivism.

For Pietracci, who spent two years in the program, her favourite part was when she had one-on-one time with Thompson.

"For me that was the most helpful part because I didn't just feel like another case number, I felt like a person and she cared about me," Pietracci said. "My parents still refer to her as our angel."

To Pietracci, the term "at-risk youth," has a whole new meaning for her.

"A lot of youth today don't have that support and when they have it, they can do so many things," she said. "This program has done so much for me and my family."

"These are great opportunities to help youth get the most out of life."

Pietracci is now a single parent, homeowner and a supervisor at a local restaurant. She says going through the program will only help her as parent.

"If I need help, I'll know where to go," she said.

START partners include the Lord Selkirk School Division (LSSD), RCMP, Interlake-Eastern Regional Health Authority, Addictions Foundation of Manitoba and several provincial government departments.

The program's funders also include the City of Selkirk, the LSSD as well as the rural municipalities of St. Clements and St. Andrews.

## Committee to provide Dufferin Gang memorial update on Nov. 30

By Lindsey Enns

A local man's dream of having a permanent memorial honouring the Dufferin Gang in Selkirk is slowly becoming a reality.

Lorne Canvin of Selkirk, who has been heading up a committee looking to get a Dufferin Gang memorial erected in the city, says they will be hosting a meeting at the Selkirk Legion on Thursday, Nov. 30 at 4 p.m. to provide an update on the memorial's location.

Canvin said he hopes family mem-

bers of the Dufferin Gang, City of Selkirk staff, Selkirk Legion members along with interested community members will be able to attend.

The monument's latest design includes a more than six-foot high stone monument with the names of all 31 members of the Dufferin Gang engraved on it, surrounded by two Canadian flags.

Anyone interested in more information about the project, or the upcoming meeting, can contact Lorne Canvin directly at 204-485-2134.

# Community invited to Comp's Christmas Spectacular on Dec. 4

By Lindsey Enns

More than 100 band and choir students are hoping to spread some Christmas cheer throughout the community during an upcoming concert at their school.

"A Christmas Spectacular," featuring performances by approximately 150 band and choral students from grades 10 to 12, is set to take place inside the Comp's gymnasium on Monday, Dec. 4 at 7 p.m. The senior jazz band will also help lead a pre show at 6:30 p.m. Adult tickets are \$10, six to 12 years old are \$5 and children five and under are free. For ticket information, contact the Comp by calling 204- 482-6926.

Michael Brandon, one of the Comp's band directors, says students started rehearsing for the traditional Christmas show in September and are looking forward to performing in front of a large crowd.

"We're going to treat this show as a community event ... we're trying to contribute to the community with a quality show," Brandon said, adding they hope the show will help students learn more about the role musicians and music can play in their community. "Here we are practicing what role

musicians have in the community and what is the meaning behind the music.

"It really is about humanity, the arts come from inside of us."

Brandon said the amount of work students have already put into a show of this magnitude has been inspiring to watch.

"Those kids work beside us, as hard as us, without complaining," he said. "So it's a long haul to put on a show

like this. It takes a lot."

Brandon said they are hoping for a large turnout so that they can continue with this concert series next year.

"Right now the plan is to do it again," he said.

# Singer Melanie Gall set to perform at Selkirk Legion fundraiser

By Justin Luschinski

The Selkirk Legion is gearing up to host an internationally acclaimed singer during their upcoming fundraiser show.

Melanie Gall will be performing as Vera Lynn at the Selkirk Legion on Dec. 2 at 7:30 p.m. Vera Lynn was a singer who was very popular during the Second World War, and was known as "the Forces Sweetheart," as she performed many concerts for the British forces.

Gall said that she is thrilled that she is performing at the Selkirk Legion, as

"EACH CONCERT IS SPECIAL, AND THIS ONE IS A CAUSE WHICH VERA LYNN WOULD HAVE DEFINITELY CHAMPIONED."

she's been a close friend of the organization for a while.

"When (the organizer) Sheila mentioned singing a concert at her legion, I was thrilled," Gall said. "It's lovely to be helpful to a cause in her community after all the support and friendship she has given me each summer in Winnipeg. My singing career ranges from performing at small private functions, to theatres of hundreds of people."

"Each concert is special, and this one is a cause which Vera Lynn would have defi-

nitely championed."

Gall said that the show isn't just a concert where people sit and watch - she encourages people to sing along if they know the words. She said that's how the history of Vera and her music is kept alive.

Sheila Snider, one of the organizers of the show, said that proceeds from the show will go to the legion. She said the fundraiser is necessary because they've recently spent a lot of money to maintain the building.

"We did a total light upgrade that costed around \$44,000. We needed

a new roof, that was another \$45,000 ... I figured this would be a good way to put money back into the legion, because we still have to upgrade our washrooms to make them more accessible," she said. "It's an ongoing thing, you've got to do the maintenance if you want to keep the building running, and keep the membership."

Snider said that people can expect great music, great food, and all around a fun evening out.

Tickets are \$15 and are available at the Selkirk Legion Branch 42, which is on 403 Eveline St., in Selkirk.

# Selkirk schools collecting winter care tote donations for women

By Justin Luschinski

A Selkirk woman and a group of local students are hoping to help women in need this season by filling tote bags with donated items.

The Kookums Winter Care Totes initiative is asking for donations from Selkirk and area community members. They want citizens to fill an old purse or tote bag with everyday products for less fortunate women this winter. Donated bags can be filled with everything from scarves to small snacks, and these bags will go to homeless and women's shelter organizations in Selkirk.

Some of the other items that they're looking for are water bottles, band-aids, mitts, toilet paper, and baby wipes. The initiative will accept any donation, but what they would really like to see donated are feminine hygiene products.

Bobbie Sinclair, the organizer behind the initiative, said that they wanted to focus on feminine hygiene products because it's something that homeless women can't easily obtain.

"That's a main niche needed in a homeless community that's not al-

Shae-Lynn Burke, pictured centre, along with other local students are hoping to fill tote bags with all kind of donated items for women in need this season. ways provided," Sinclair said. "That stuff just doesn't get donated that of-

ten, I just think it would be beneficial to a lot of women.

"Being cold and dirty like that just isn't pleasant."

Sinclair shared a Kookums Winter Care Totes poster on Facebook, and she said the response has been positive so far.

Mindy Brooker, an education assistant at the Selkirk Comp, said that if someone were to just pick up some donation items while they were doing their Christmas shopping, that would go a long way.

"While you're getting gifts together, it's easy to obtain stuff while you're out and about," Brooker said. "There's no rush to get it to us before Christmas, so it's not too late. For students, if you get something you don't like for Christmas, donate that. I know you can only get so many socks for Christmas before you want to give them away."

Donations can be taken to the Student Services office inside the Comp. Donations can also be dropped off at Daerwood School and Robert Smith School in Selkirk.

Donations will then be delivered to Nova House, Siloam Mission and The Salvation Army.

## Annual Red River Operation Clean Up organizer earns provincial nod

By Justin Luschinski

The organizer behind the annual Red River Operation Clean Up was recognized at the Manitoba Legislature earlier this month.

Natural Resources officer and district supervisor in the Lockport area, Robert Belanger, initiated the river cleanup in 1999. Since then, it has helped collect 500,000 pounds of garbage, trash, old tires, furniture, car parts and miles of fishing line from entering the Red River near Lockport.

The East Selkirk resident said that while he appreciates being recognized, what he really needs is government funding so he can continue the program.

"It was a lot of fun to go out there and be recognized ... for my two decades worth of work," Belanger said. "What I would like to see is a funding commitment. We need commitment

"IT NEEDS SUSTAINABLE FUNDING TO CONTINUE."

from this government, who was nice enough to give me an award, to help fund it.

"Having to constantly apply for grants is tough. It needs sustainable funding to continue."

Belanger said he'd like to use the funding to not only continue operating, but to possibly extend the program to the winter months.

He added there are multiple reasons why there continues to be garbage left along the river.

"There's no one factor to the garbage problem, it's a lot of different things

... the Red River is now being used as a toilet," he said. "People don't want to pay tipping fees, or landfill fees, so if they have a truck filled with refuse, if they don't want to pay landfill fees, they'll just find some remote road and dump their garbage there."

But Belanger, who has been a conservation officer for more than 30 years, encourages people to think twice before littering. He said those caught dumping garbage into the river could face a more than \$200 littering fine.

Belanger said that ice fishing is also a huge problem, as anglers often leave things like broken chairs, tents, and other garbage out on the ice after they

finish up for the season.

## Lift the string before gunning the motor

Once again fellow fishers, welcome. Even though we find ourselves quickly switching from open water angling to ice fishing, a few of our brothers have given us some great boat fishing stories which perhaps we might enjoy before going on to winter ones. One such brother is Scott Penner, a young, jovial guy from Ritcher. He told of a time when he and some friends went boat fishing on Crow Duck Lake and the water became a very hazardous place. It was a fine, warm morning when they started. There wasn't a breath of wind. A low, brilliant sun reflected off the languid water. They tied their two boats together and began catching and releasing one pickerel after another. They passed food and drinks back and forth laughing and joking. It was a good time. Then just before noon dark, grey low clouds began appearing in the north. The clouds' bottoms looked alarming, rolling and twisting as they made their way over the men. Scott and his buddies began casting worried glances at each other. Suddenly gusting winds began battering their boats about. The winds got stronger tearing at the men and spinning both boats unbelievably in a circle. Frozen in fear they hung on as Scott spied a small beach beside a cliff on shore. With the whirlwind blinding them they cut the lines holding the boats together and pushed their motors to full power heading for the small landing. Then in just minutes the black clouds overhead now sent thick bolts of lightning to the water. Cracking thunder surrounded them as torrential rain began slamming down on them. Winds tore at them and rain lashed them as they reached shore. Scrambling out of their boats they ran for an overhang in the cliff. They crowded together sheltered, but cold. In time the storm passed and they emerged looking skyward bewildered

**RECORD PHOTO BY ARNIE WIEDL**  
Tim Hiebert on the Red, our first ice fisher, with a pickerel catch.

trying to comprehend the nightmare that had just gripped them! The storm clouds glided south letting the blazing sun bathe them in warmth. Now these anglers being outdoorsmen got a grip on the situation. They bailed out their boats, draped their clothes on some short trees and went right back out fishing again in their shorts!

I was talking to Norman Gudbjartson of Gimli the other day and the topic of not knowing what to do about the abundance and sometime waste of whitefish in Lake Winnipeg came up. He said he was talking to David Monkman from Princess Harbor north of Bloodvein who said there are so many whitefish in the bays up his

way, "You could walk across the harbor on them!" Well, maybe a worthwhile market can be found for them someday.

Upstream of Selkirk I met a grey haired, athletic, likable, self-effacing fellow from Winnipeg, Herbert Grosshans. He gave us a wonderful story that illustrates how just because you're an outdoors person who loves boat fishing, doesn't mean you won't get seasick. He and his buddies were fishing on Big Whiteshell one day and the waves were pretty high with lots of cross wind. The boat was being tossed about something awful to Herbs' great discomfort and his pals' teasing. Even though he was sick, he persevered and caught the first fish, a forty-four cm Walleye which required "the jeering section" to pony up a loonie each. The crew continued fishing, catching a few which Herb put on the string at the end of the boat, between seasick retches. When it was time to quit poor Herb wasn't fast enough and before he could lift the string of fish his friend gunned the motor turning the fish into mush with the prop! When Herb lifted the mangled string of fish he got even sicker!

Each day now more of us are roaming the seven inch thick ice on our pothole lakes, slow moving rivers or creeks to ice fish. How exciting! Tim Hiebert sure was! I found him on the Red River last week with a nice mess of pickerel. He held them up for me and I took his picture as I congratulated him on being the first ice angler with a catch to be put in our article this season. Good for you pal! As I leave you for this week, it might of interest that I've noticed fairly smooth ice on Shoal Lake, the Red River and Gull Lake by Stead with rough ice off most beaches on the south Lake Winnipeg basin.

Bye now.

# Former St. Andrews club treasurer sentenced to 15 months behind bars

By Justin Luschinski

A former St. Andrews Community Club treasurer who stole nearly \$300,000 from the club has been sentenced to 15 months in jail.

Sharon Wasny, 54, was quiet and reserved as the sentence was delivered inside the Winnipeg law courts last Tuesday morning.

The sentence was passed down by Judge Timothy Preston, and will be followed by two years of supervised prohibition, along with restitutions to be paid to the minister of finance and the St. Andrews Community Club.

"I want to express my heartfelt apology towards St. Andrews ... I realize that no apology I could give would make this better. I never intended to hurt anyone, but my actions hurt so many people," Wasny told the court

before her sentencing was delivered. "I acknowledge that no amount of time will go by that I won't be reminded of what I have done.

"My only hope is that the court will give a punishment that will allow me to take care of my husband."

Judge Preston said that although he considered many factors, such as Wasny's terminally ill husband, he ultimately needed to send a message.

"(The defendant) claimed that she needed the funds to help her out of financial ruin," Judge Preston said. "But she used that money for personal expenses which I can only describe as luxury ... This was a planned, premeditated action, and the damage to the community will take a long time to repair ... A message has to be sent to individuals in positions of trust."

The prosecution wanted Wasny to be sentenced to two years of jail time, while the defense argued for one year of jail time. Wasny will have to pay \$10,000 to the minister of finance as well as other restitutions to the local community club.

In April 2015, RCMP arrested and charged Wasny with theft over \$5,000 and falsifying documents in relation to fraud. Court later heard she spending the money on jewelry, hairstyling appointments, and trips to Vancouver to watch the Vancouver Canucks play.

St. Andrews Community Club president Rob Ataman said he respects the judge's decision and wanted to once again thank the community and board members for their support.

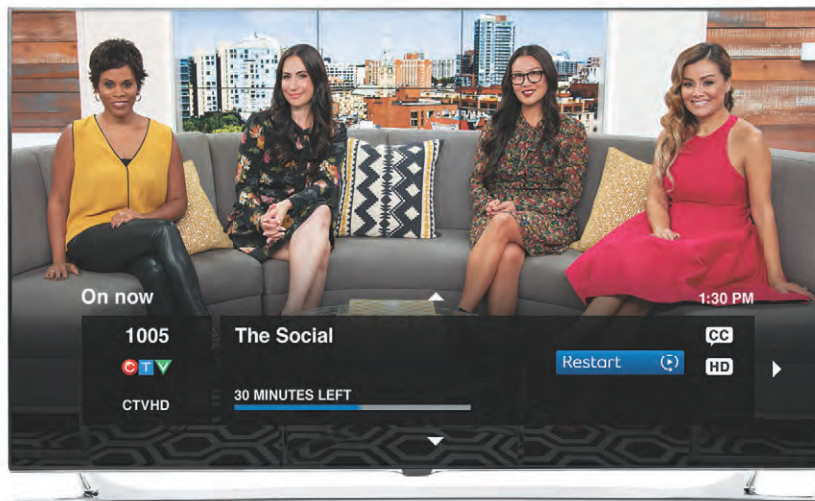

"I'll respect the judge's decision, I think he did a good job of balancing

what was asked for on both sides," Ataman said. "I don't think a few months either way was going to make a difference, jail is jail, it's a terrible place to be ... I'll be able to probably sleep tonight.

"I'm surrounded by an incredible group of people on the board that worked very hard and stood by us. I'd also like to thank the community for giving us the opportunity to do what's right."

Ataman said that the club is looking to recoup some of their lost funds, which will go towards maintaining the building and other costs.

He's thankful that the matter has been resolved and he hopes the community club can go back to being a recreational hub for St. Andrews residents.

# 'We love the fact that he's happy working here'

## Working at local grocery store helps St. Andrews man regain his confidence

By Justin Luschinski

Aaron Kost used to spend most of his time in his room.

Due to his intellectual disability, the 22-year-old would stay home, play video games, and was unable to interact with the St. Andrews community in a meaningful way.

But ever since he started working at Harry's Foods in St. Andrews, he's become more confident, responsible, and he's even started to save for a trip to Universal Studios.

"Working here lets me know all the people," Kost said with a smile. "It's helped me become ... more confident."

Kost works at the locally owned and operated grocery store three days a week and some of his duties include making popcorn for customers, stocking shelves with fresh products as well as checking expiration dates.

Aaron's father, Robert, feels like this job has changed his son for the better.

"It's definitely made him more confident," Robert said. "Aaron has had a

problem with carrying on a conversation. Now he's meeting people, and people in the community come by to talk to him ... It's really changed his character, he's motivated.

"We love the fact that he's happy working here."

Aaron has a job thanks to the work of Community Living Selkirk, an organization that aims to assist persons

with intellectual disabilities, and help them live full productive lives in the community. They worked with Harry's Foods in creating the position, and helped him transition into the workforce.

Gimli MLA Jeff Wharton came to visit Aaron as part of Take your MLA to Work Day, where MLAs can come and see the contributions that Manitobans with disabilities are making in the workplace. Selkirk MLA Alan Lagimodiere also recently visited some workers earlier this month.

Wharton said that it's great to see Aaron working, and he encourages other businesses to hire more people living with disabilities.

"We hired two employees with dis-

abilities for my moving business in the late 80s, early 90s ... They both started in the warehouse, and worked there way up, and one of them ended up being my driver for several years," Wharton said. "He was one of the best employees I ever had. If you have an opportunity to partner with these organizations, then do it. Because in my experience, it's a very positive move for your business, and for the community at large."

According to data provided by Community Living Selkirk, about 15 per cent or approximately 180,000 Manitobans live with a disability.

# St. Andrews Rectory gearing up to host winter activities this season

By Justin Luschinski

The St. Andrews Rectory has some big plans for the winter months.

The historical site will host various activities and events, starting on Saturday, Nov. 25 and running throughout December. One of the headlining events is a talk with Laureen Sadlier, a Registrar for the Pataka Art + Museum in New Zealand.

Sarah Brereton, intern museum coordinator, said that she was able to convince Sadlier to do a talk here because of her hard work while interning for her.

"I interned for her for two months ... I worked really hard, and she appre-

ciated the help," Brereton said. "I told her about my idea for it, and she was willing to do it. She didn't need much convincing ... I'm hoping she brings some critical discussion to (the Rectory), she'll bring a lot of insight into managing historical materials."

Sadlier is doing a similar talk in Winnipeg around the same time, so Brereton said it wasn't much of a challenge to bring her to St. Andrews.

Her talk will be taking place on Wednesday, Nov. 29 at 6 p.m. at the ag building located at 6 Riverview St. in St. Andrews.

Some of the other events include highland dancing classes, the first of

which will be on this Saturday at 12 p.m.

The Rectory will be putting on a full winter activity day on Saturday, Dec. 16, where families can come and make candles, bannock, and go on tours of the centre.

Brereton said that it's important to remind the community that the Rectory is still around.

"It's important to remind the community that we're still there and

we're still relevant, even though we're closed in the winter months," she said. "Family events are very important, I'm hoping to create and organize some school events as well ... Interacting with a cultural centre is important for children ... The St. Andrews area has a rich history and it's important for people to learn more about that."

For more information about the events going on at the St. Andrews Rectory, visit [standrewsrectory.ca](http://standrewsrectory.ca).

## Province adds 25 road condition cameras to Manitoba 511 system

Staff

With new road condition cameras installed, Manitoba is now more prepared to rise to the annual challenge posed by winter to the province's highways and roads.

"As every Manitoban knows, heading out on the highway in the winter poses some distinct challenges for motorists," Infrastructure Minister Ron Schuler stated in a release last week. "The addition of 25 road condition cameras throughout the province will help Manitobans see what conditions are like on many of the roads they're planning to drive on before they put their keys in the ignition."

The additional cameras have been added to the Manitoba 511 system with images available on the Manitoba 511 website and mobile app, said Schuler.

"A total of 33 camera locations around the province upload still images at regular intervals to provide a snapshot of current road conditions," said Schuler. "Winter driving in Manitoba can be challenging and change rapidly, so it's a good idea to check the weather and road conditions before heading out."

The cameras are at strategic locations along provincial highways including:

- Trans-Canada Highway (PTH 1) at:
  - Oakville, Deacons Corner, Kirkella (being relocated), West Hawk, Hadashville, west of PTH 12, Austin, PR 332, Oak Lake and Brandon;
  - PTH 2 at junction of PTH 2 and PR 83;
  - PTH 5 at Ste. Rose south;
  - PTH 6 at:
    - Williams River, Devils Lake, junction of PTH 6 and PR 236, St. Lau-

rent, Fairford and Ponton,

- PTH 10 at:
  - Minnedosa, Souris River Valley, junction of PTH 10 and PTH 60, and Birch River;
  - PTH 16 (Yellowhead Highway) at:
    - Shoal Lake, Russell - Assiniboine Valley West, and Arden;
  - PTH 59/101 (North Perimeter Highway); and
  - PTH 75 at:
    - Ste. Agathe, junction of PTH 14 and PTH 75 (Letellier), Morris (north side of town) and Emerson (at the border).

"The cameras are strategically placed along roadways in the province to provide motorists and maintenance crews with a visual representation of road conditions," said the minister. "The number of cameras will be increased over time to bring more drivers another option to check road conditions."

In addition to the cameras, Manitoba Infrastructure operates a fleet of 205 plow trucks, 108 graders and 80 wheel loaders, with approximately 500 employees working together to clear 19,000 kilometres of provincial roads. All provincial highways are inspected regularly during the winter to determine if action is needed and provide current information on road conditions for motorists.

After a snowfall, the first priority is to clear the highway lanes to restore safe traffic flows as quickly as possible in the affected areas. Removal of snow from areas adjacent to traffic lanes occurs during daylight hours once traffic flows are restored.

"We all need to remember to slow down and drive to conditions," Schuler said.

# Selkirk woman collecting toy donations for rescue animals

By Lindsey Enns

For a second consecutive year, a Selkirk woman is hoping to deliver donated toys to rescue dogs and cats in time for Christmas morning.

"It's something I'd like to do every year, so I want to get the word out," said Lynda Miller, who has two adopted rescue dogs of her own. "I don't think rescue animals should go without a Christmas gift."

Miller is now accepting donations of new and unwrapped toys for both cats and dogs. Those interested in making a donation can contact her directly by calling 204-482-3434 or 204-485-1617. The deadline to donate is Friday, Dec. 15.

Toy donations will then be split up amongst local and area pet rescues, including Selkirk's Pawed Pals Animal Rescue.

Jo-Ann Wilson, chair of Pawed Pals Rescue, said toys are an integral part of socialization for both cats and dogs.

"Toys help keep animals entertained and active," Wilson said. "A bored animal is one that could end up displaying behaviours that you can tell they are pent up or frustrated."

Toys can also prevent cats from scratching other surfaces, like your furniture, she added. But with that in mind, Wilson said it's always important to monitor your pets while they're playing with toys to prevent any sort of injury.

"We are thankful to accept any toy donation as long as it's safe," Wilson said, adding she would like to thank Selkirk and area community members for their continued support. "We're so grateful that the community supports us and initiatives like this to help us out."

Miller said last year she was able to deliver three large bags of toy donations to local rescues.

"Animals in rescues, sure their essentials are met and that, but it's always good to give them a little extra under the tree," she said. "This kind of takes some pressure off the rescues."

With the Christmas season right around the corner, Miller also wanted those considering giving someone a dog or cat as a gift to hold off.

"Don't make pets a Christmas gift," she said. "Adopt a week after Christmas, because sometimes the novelty wears off."

Miller also encourages those looking to get a dog or cat to visit their local animal shelter.

"There's too many lives that need to be saved," she said. "And when you get a dog from a rescue ... you actually save two lives. Their life and you make room for another animal to come into rescue."

### Butternut Squash Sage Frittata

2 large sage leaves, chopped  
6 large eggs  
1/2 cup fat free milk  
1/4 teaspoon freshly ground black pepper

1/4 teaspoon kosher salt  
1/8 teaspoon freshly ground nutmeg  
To prepare crispy sage leaves: In small skillet, heat olive oil until shimmering. Fry sage leaves in oil until crispy, about 5 seconds. Remove sage leaves from oil and drain on paper towel. Sprinkle with salt while hot.

To prepare frittata: Heat oven to 425 F. In 10-inch cast-iron skillet, heat oil over medium-high heat. Add butternut squash; stir to coat in oil. Spread butternut squash in single layer and cook 2-3 minutes before stirring. Repeat until squash becomes tender and begins to caramelize, about 10 minutes total.

Add garlic and chopped sage; stir until fragrant, about 60 seconds.

In large bowl, whisk together eggs, milk, pepper, salt and nutmeg. Pour mixture into skillet and stir gently, about 15 seconds, to distribute squash evenly around pan. Transfer skillet to oven and cook 10 minutes, or until egg is puffed and set. Remove from oven

Servings: 6  
Crispy Sage Leaves:  
3 tablespoons extra-virgin olive oil  
6-8 small fresh sage leaves  
pinch kosher salt  
Frittata:  
2 teaspoons extra-virgin olive oil  
1 1/2 cups (about 8 ounces) butternut squash, diced  
1 clove garlic, minced

### Scrambled Eggs and Ham in a Waffle Cup

6 eggs  
1/2 cup milk  
1/2 cup sharp cheddar cheese, shredded  
1/2 teaspoon salt  
1/2 teaspoon pepper

2 cups Smithfield Honey Cured Boneless Ham Steak, diced  
1 tablespoon butter  
8 waffle cups (4 ounces each)  
4 teaspoons maple syrup, warm, divided  
1 teaspoon fresh thyme, chopped  
In bowl, whisk together eggs, milk, cheese, salt and pepper; stir in ham.  
In 10-inch, nonstick skillet, melt butter over medium-high heat. Add

egg mixture; reduce heat to medium-low.

Using wooden spoon, scrape eggs from edges of pan to center. Continue stirring eggs 3-5 minutes, or until fluffy.

Scoop 1/2 cup warm scrambled eggs into waffle cup and drizzle with 1/2 teaspoon maple syrup. Garnish with fresh thyme leaves. Repeat for each waffle cup.

### Sausage and Egg Tarts with Asparagus and Tomatoes

Flour, for dusting  
1 package (about 1 pound) frozen prepared puff pastry, thawed  
9 eggs, brought to room temperature for 30 minutes, divided  
1 teaspoon water  
1 Smithfield Hometown Original Fresh Sausage Roll, sliced into 8 patties, cooked and halved  
1 pound fresh asparagus spears, cut into pieces  
1 pint grape tomatoes, halved lengthwise  
salt, to taste

freshly ground black pepper, to taste  
1/2 cup shredded Parmesan cheese (optional)

Heat oven to 400 F.  
On lightly floured surface, roll out pastry and cut into eight 4-5-inch squares and transfer to greased or parchment-lined baking sheets spaced about 1 inch apart. Using small knife, lightly score line 1/2-inch inside edges of squares to create framed border. With fork, prick several holes in center of pastry squares.

Bake squares 7-8 minutes, or until pastry has puffed substantially yet not begun to brown. Remove from oven and immediately tamp down centers inside of scored line carefully with back of fork.

Lightly beat 1 egg with water and

brush outside frames of pastry with egg wash. Slightly overlapping framed pastry borders, equally divide and arrange sausage, asparagus and tomatoes in pastry squares, leaving centers open for eggs. Top each with cracked egg, seasoning with salt and pepper and sprinkling with cheese, if desired.

Return to oven and bake 8-10 minutes, or until puff pastry is golden brown and eggs have just set. Let cool slightly and transfer tarts with spatula to serving plate and serve warm.

and let cool about 3-5 minutes before cutting and serving with crispy sage leaves.

Pair each serving with 8-ounce glass of milk

Notes: To prepare butternut squash: Separate round end from long portion of squash; save round end for a separate recipe. With vegetable peeler, peel long portion. With sharp check's knife, thinly slice squash. Cut slices into long matchsticks then chop into cubes. Pre-cut, store-bought butternut squash can be used in place of cutting entire squash.

# Chili cook off looks to heat up the street during Holiday Alley

## Submitted

Fifteen cooks – from manicurists and firefighters to professional chefs and student cooks – will compete in the Manitoba Hydro Heat Up the Street Chili Cook Off during Holiday Alley on Saturday, Dec. 2.

Anyone hungry enough to sample 15 different varieties of chili in four hours can be a citizen judge, says chili cook off creator Maria Freeman.

With nicknames like “The Red Hot Kiwis” and “Gentleman Joe’s Firehouse Chili” the race is already fun, says Freeman, whose day job is executive director of Community Living Selkirk (CLS).

CLS’s own Riverside Grill is competing as well as brand-new Lockport restaurant Red River Steak Company, Riverboat Family Restaurant, The Mighty Kiwi Juice Bar, Ricky’s All Day Grill, Roxi’s Uptown Café, Selkirk Golf and Country Club, Brakendale Luncheon Specialties and J&L Eatery.

Also in the running are the culinary arts students from the Comp, Belleza Mente Spa, The Selkirk Fire Department, Kasper Transportation, the Selkirk and District Community Foundation and Safeway.

The chili stops can be found in eight different stations along Manitoba Ave. East from 12 p.m. to 4 p.m. on Saturday, Dec. 2.

Tickets officially went on sale on Monday at the Riverside Grill, located at 386 Eveline St., for \$10 in advance or \$15 if you wait until Dec. 2. A total of 250 tickets are being sold.

Each ticket allows you to get a taste of every chili. Proceeds will be shared with the Selkirk and District Community Foundation’s Homes for All

Selkirk visitors will also be able to surround themselves in the warmth of wool, felt, quilted fibre, and leather after a stroll down Holiday Alley.

“We estimate there are over 100 artists, crafters and makers who will have one or more pieces on Holiday Alley for our visitors to enjoy, take home or gift,” says Holiday Alley crafter market volunteer Marlena Muir.

While there is a wide range of creative work from pottery to wood carvings, the most common theme seems to be fibre and fabric, from scarves and moccasins to quilted wall hangings and felted jewelry.

“Just the kind of things you need to make yourself or your home cozy this winter,” Muir says of the Dec. 1-2 event on Manitoba Ave. East.

Visitors can find the art starting at the Gwen Fox Gallery, which hosts a Fibre Divas exhibition, to the Gordon Howard Centre where 30 juried crafters are stationed.

Even walking down the street there will be fabric art – from crochet stars hanging off The Merchant by artist Carla Pruden to a giant hooked rug designed into a tree.

The Giving Tree, made by artist Dorothy Myhal-Gely, allows passing visitors to add a Christmas decoration and take one away and becomes living art that changes every minute.

Both the Gwen Fox Gallery and the Selkirk Friendship Drop-In Centre on Manitoba Ave. have open and free workshops where anyone of any age can stop, get creative and make a decoration for the tree.

Holiday Alley on Dec. 1-2, was created by the volunteers of the very successful tourism initiative Homes for the Holidays House and Heritage Tours.

The Holiday Alley festival, which launches the winter season with outdoor and indoor light, art, music, food and entertainment will compliment the City of Selkirk’s \$26 million downtown revitalization plans that begins in 2018.

The official launch of Holiday Alley is Friday, Dec. 1 from 6 p.m. to 9 p.m. and it continues Saturday Dec. 2 from 10 a.m. to 10 p.m.

## IERHA launches new health foundation

### Staff

Community and area members gathered in Selkirk last week for the launch of the Interlake-Eastern Regional Health Authority’s (IERHA) new foundation, the Interlake-Eastern Health Foundation (IEHF).

According to the IERHA, residents in the Interlake and Eastman areas will benefit from the new health foundation that aims to improve the process for do-

nations to health care and better engages with donors across the region.

The IEHF officially launched on Nov. 16 with a special event held at the Gaynor Family Regional Library in Selkirk that was attended by donors, foundation and board directors and local leaders.

“We look forward to offering out support to work with community members, existing auxiliaries and foundations, as a partner, towards making our region a better place and to ensure excellent, sustainable healthcare for everyone in our communities,” foundation executive director Pam McCallum stated in a release last week. “The Interlake-Eastern Health Foundation aims to surpass the expectations of both our communities and staff by embracing a culture of philanthropy to benefit health care.”

Covering an area of 61,000 kilometres, the IERHA is one of Manitoba’s largest health regions, home to 126,000 residents, 10 hospitals and 16 personal care homes that provide general and specialized care to a diverse patient

## Selkirk spikes its way to KPAC championship

By Brian Bowman

There was a lot of pressure on the Selkirk Royals' varsity boys' volleyball team to make it a varsity sweep in the KPAC finals Friday evening.

But Selkirk played like there was absolutely no pressure on them at all.

The Royals claimed the KPAC Tier 1 title after soundly defeating the River East Kodiaks 3-0. Selkirk won the sets by scores of 25-18, 25-15, and 25-21.

"I was surprised by the sweep," admitted Royals' head coach Jeff Scarcello. "The scores might not seem that they were close, but it was a battle. There were very few clean points won...there were a lot of long rallies that could have gone either way."

"It was very entertaining volleyball on both sides and it just came down to us making a run of three or four points in a row and we didn't let them do the same thing."

The Royals picked a perfect time to knock off the Kodiaks, who finished in first place during the regular season.

"We had two league games against these guys and we struggled in both of those matches," Scarcello noted. "They seemed to have our number and played extremely well against us and forced a lot of errors."

Selkirk worked on many areas of their game to get ready for River East with the league title on the line.

"We worked on a lot of things to get ready for that match and it all came together," Scarcello said. "It was one

of our best serving matches that we've had in a long time. Guys passed well and it was one of our better defensive performances, which we really needed."

The Royals appeared to really thrive with a very loud home crowd behind them.

"It's always fun to play in our building," Scarcello said. "We had a great crowd out and the other side always brings a good crowd. It's a good environment."

The Royals earned a spot in the league final after beating Miles Mac 3-1 in a semifinal match in Selkirk last Thursday.

Selkirk won the first set 25-19 but then lost the next one 26-24. The Royals then put the Buckeyes away, though, with wins of 25-18 and 25-16.

"There was a lot of pressure on that game," Scarcello said. "We've had success against that team the last couple of games but it's been a struggle now and again. They're a good team that has been getting better all year."

"But our guys really wanted to be in that (league) final in our home gym."

The MHSAA "AAAA" provincial varsity championships will begin Friday with the finals slated for Dec. 4.

Selkirk, seeded No. 1 for the provincials, will play the winner of No. 8 Niverville and an unknown wildcard team (two wildcard teams played each other on Monday) on Saturday at 4 p.m. at Garden City Collegiate.

RECORD PHOTO SUBMITTED

The Selkirk Royals' varsity boys' volleyball team claimed the KPAC Tier 1 title after soundly defeating the River East Kodiaks 3-0.

The Royals should advance to a provincial semifinal match next Thursday (8 p.m.) at the University of Manitoba.

But it's not exactly easy preparing for a quarter-final match that you don't know who your opponent will be until the night before your game.

"When we play KPAC teams, we're pretty familiar with them," Scarcello said. "We played Niverville once, Linden Christian once, we kind of played all of those teams once this year but

there's not a lot to specifically prepare for."

"There's not that much video to see but most of the teams out there have one or two guys that are really powerful for them. You really have to focus on shutting those guys down and get a feel what they do and how they do it."

"But, in the end, it's going to come down to who plays good volleyball."

## Royals hammer Hawks to win KPAC title

By Brian Bowman

The Selkirk Royals varsity girls' volleyball team set the tone for a great night of volleyball at the Comp last Friday.

The Royals won the KPAC Tier 1 varsity girls' championship after a stellar effort in a 3-0 sweep over the MBCI Hawks in front of a raucous home crowd.

"The girls played fantastic," said Royals' co-coach Jaimie Yuzdepski. "They followed our game plan and we couldn't have asked for anything better in a KPAC final than winning in three straight (sets)."

Selkirk won the match by scores of 25-21, 26-24, and 25-13. Winning that close second set was very important for the Royals.

"The second set got a little tight but we came out on top with the 26-24 win," Yuzdepski said. "It was important (to win that set) because MBCI is such a high-emotional team that if they would have squeaked out that win, the momentum would have drastically changed and it might not have worked in our favour."

"Luckily, the girls stayed calm at that moment and kept swinging. The key was to keep hitting at that team because their defence is so good."

Livi Weremy, a Grade 11 left-side hitter, was outstanding in the Royals' victory, said Yuzdepski.

"She was definitely the MVP in that game," Yuzdepski praised. "Pretty much, every ball she hit was a kill."

Selkirk advanced to the KPAC Tier 1

final after easily defeating the Miles Macdonell Buckeyes 3-0 in a semifinal game. The Royals won the match by scores of 25-4, 25-14 and 25-13.

"The girls came out and played clean and consistent volleyball," Yuzdepski said. "And sometimes that's hard because teams will play down to a level, but they just came out and pummeled them."

The MHSAA "AAAA" varsity girls' provincial championship will begin Friday with three first-round games.

One of those games will be between No. 7 Brandon's Vincent Massey Vikings and No. 10 Sturgeon Heights.

The winner will hook up with No. 2 Selkirk in a quarter-final battle on Saturday (noon) at River East Collegiate.

"We're going to go in (to the quarter-finals) confident, not cocky, but confident," Yuzdepski said. "We should be able to take it to them and carry on to the semifinals."

Selkirk would really like to see a great home crowd come out and support them for their quarter-final game.

"We would obviously love to have some support there," Yuzdepski said. "Everybody likes to play for a crowd. It's exciting and the fans can really help you get that win."

If the Royals win their quarter-final match, they will advance to a semifinal game next Wednesday (6 p.m.) at the University of Manitoba.

# Thunder scores with its annual awards banquet

### Staff

The Interlake Thunder capped off another very successful season with its annual awards banquet last weekend.

# Titans upset Royals in KPAC volleyball final

Staff

The Selkirk Royals were upset by the Transcona Titans in the KPAC junior varsity girls' volleyball final last Thursday at the Comp.

After losing the first set 25-15, Selkirk stormed back to win the next two by scores of 25-19 and 25-20.

In a must-win situation, Transcona won the fourth set 25-22 and then sealed the comeback win with a 15-9 victory in the decisive fifth set.

Selkirk was the No. 2 seed in the KPAC playoffs while Transcona was No. 5.

The Royals earned a berth into the final after beating Maples Collegiate and River East in three straight sets.

On the junior varsity boys' side, Selkirk was ousted from the KPAC playoffs after losing to the Garden City Fighting Gophers 3-2 (22-25, 25-21, 14-25, 25-10, 15-12) in a semifinal Nov. 14.

Selkirk was the third seed while Garden City was second.

The Fighting Gophers were then edged 3-2 by the MBCI Hawks in the league championships last Thursday. MBCI won the final set 15-10.

## Fishermen fly past Falcons, stop OCN Storm

By Brian Bowman

The Selkirk Fishermen played a pair of solid games last weekend.

And they were rewarded with a pair of victories.

Selkirk made it two wins in a 24-hour period after downing the OCN Storm 7-4 on Saturday evening at the Rec Complex.

Dylan Painchaud-Niemi led the Fishermen with two goals and an assist while Harley Hoydalo also tallied twice.

Damien Catcheway, Josh PoPONICK and Mackenzie Playford also scored for Selkirk.

Bryson Werbicki-Mallet (two), Brandon Sinclair-Martin and Devon Tobacco replied for OCN.

Riley Bannerman made 26 saves for the win.

On Friday, Selkirk had a great effort

in a solid 5-1 road win over the Lunder Falcons in Warren.

After a scoreless first period, Painchaud-Niemi scored a pair of goals sandwiched around a Playford marker in the middle frame.

The Fishermen increased their lead to 5-0 in the third as Playford and Sage Guimond tallied. Guimond's goal came on the power play.

Lunder's Zack Bone then ruined Austin DeBoer's shutout bid with a shorthanded goal at 18:43 of the third.

Hoydalo and Drayton Mendrun each finished the game with two assists.

The Fishermen, now 10-1-0-3, lead the entire Keystone Junior Hockey League with 23 points.

Selkirk will host the Falcons on Friday at the Rec Complex. Puck drop is 7:30 p.m.

## East St. Paul to host Sunova Bonspiel

Staff

Rocks will be sliding and brooms will be sweeping hard in East St. Paul this weekend.

The East St. Paul Curling Club will be hosting the Sunova Bonspiel, which is a Manitoba Curling Tour event.

The event has attracted 16 of the top women's teams (including three Olympic pre-trial rinks and home town favourite Team Einarson, the

reigning Grand Slam Tier 2 Champions) and 16 elite men's teams (14 from Manitoba and another from the United States and Scotland).

The first draw will start at 4 p.m. on Friday and action will continue throughout the weekend.

The finals are set for Monday at 3 p.m.

Admission is just \$5 for a day pass or \$10 for an event pass.

# Strong third period sends Selkirk to another victory

By Brian Bowman

Good teams often play their best hockey in the third period.

And that's exactly what the Selkirk Royals did against the Springfield Sabres in a 7-3 Winnipeg High School Hockey League victory Monday at the Rec Complex.

Selkirk scored four third-period goals, including the final three of the game.

Travis Spratt and Braeden Hummel paced Selkirk with two goals and an assist apiece while Reece Tessier also tallied twice.

Zach Parkinson scored Selkirk's other goal and chipped in with two assists.

Max Brook (two) and Devon Weimer replied for Springfield.

James Kulyk picked up the win in goal.

Selkirk's game against Miles Mac on Nov. 15 was postponed due to icy road conditions. The day previous, the Royals edged the Dakota Lancers 5-4 in overtime at the Selkirk Rec Complex.

RECORD PHOTO BY BRETT MITCHELL

The Royals' Braeden Hummel had two goals and an assist in Selkirk's 7-3 win against the Springfield Sabres on Monday.

Nick Trudel scored the game winner on the power play in OT.

Selkirk took a 2-0 first-period lead on power-play goals from Jordan Sim-

ko and Derek Woloshyn.

The Royals went up three goals as Raymond Hefferman tallied but Dakota's Jordan Pritchard answered just 1:17 later.

Simko added his second goal of the game midway in the third and the Royals appeared to be well on their way to an easy win with a 4-1 lead.

But the Lancers came back with three goals in a 5:42 span to tie the score at 4-4. Pritchard, Rhys Malmas and Reese Ketler scored for Dakota.

Gregor Grossgasteiger had another strong game for Selkirk, finishing with three assists.

Kulyk earned the win in goal.

Selkirk now has seven wins on the season and 25 points to occupy top spot in the Platinum Promotions Division along with St. Paul's.

The Crusaders did have two games in hand on Selkirk, however, as of Tuesday afternoon. St. Paul's played Dakota that evening.

The Royals will close out play this month with a road game next Tuesday

against River East at Gateway Red Arena. Puck drop is 4:30 p.m.

## Winnipeg Women's High School Hockey League

Meanwhile, in Winnipeg Women's High School Hockey League action, Selkirk lost 3-2 to the Oak Park Raiders last Thursday at Eric Coy Arena.

Selkirk's Rayley Goetz scored the only goal of the first period and the score stayed that way until early in the third.

Samantha Courtney and Ashley Seitz scored for Oak Park before the Royals' Cienna Palmer tallied.

Oak Park's Serenna Mazza then scored the game winner with 3:47 left in regulation time.

Selkirk played at Dakota yesterday and will host the VMC Trojans today at 4:15 p.m. in St. Andrews

The Royals will then play the Kelvin Clippers Monday (4:15 p.m.) at the River Heights CC.

# Steelers struggle in the MJHL during busy week

By Brian Bowman

When a hockey team earns just two out of a possible eight points in a four-game stretch, it's considered a bad week.

But when a team closes out that week with a loss against a last-place team (with now just two wins on the season), it's a very, very bad week.

For the second time this season, the woeful Waywayseecappo Wolverines defeated the Selkirk Steelers, beating the visitors 7-4 on Sunday.

Marco Mazza led the winners with three goals and an assist while John Jebami, Ryan Ignace, Macklin McPhee, and Riley Vautour also tallied.

Vautour, a former Interlake Lightning, also had three assists in the game.

William Middleton paced Selkirk with two goals and a helper. Matthew Caruso and Ryan Piwniuk also tallied.

## Blizzard warning

On Saturday at OCN, the Blizzard snapped a 2-2 third-period tie with three late goals for a 5-2 home win over Selkirk.

Lantz Hiebert scored the game winner at 16:28 of the third period and then Eamonn Miller and Anthony Keeper added empty-net goals with Steelers' netminder Hayden Dola pulled for an extra attacker.

Carter Barley and Ryan Gardiner scored to stake Selkirk to a 2-0 first-period lead but OCN replied with goals from Hiebert and George King by the 6:47 mark of the middle frame.

Both of the Steelers' goals were assisted by Nico Labossiere.

## Shootout loss

Selkirk started its busy weekend with a 5-4 shootout loss to the Natives

in Neepawa.

Zach Johnson and Brad Marshall scored for Neepawa in the shootout while Carter Barley replied for Selkirk.

The Steelers led 4-2 in the third period but gave up goals to Neepawa's Zak Smith just 3:22 into the frame and then Benoit Mowbray tied the score at 4-4 at 16:32.

Jesse Gibbons and Noah Carson scored to give Neepawa a 2-0 first-period lead but Selkirk answered with four straight goals to lead 4-2 after 40 minutes

Steelers' forward Nate Halvorsen netted his 13th goal of the season just 49 seconds into the second period and the Steelers then added goals from Middleton and a pair from Gardiner.

## OT defeat

On Nov. 14, the Steelers lost 4-3 in

overtime - blowing a 3-1 lead - to the Natives in Selkirk.

Braeden Binda and Jordan Martin scored just 22 seconds apart midway in the third period to tie the score at 3-3 and then Austin Friesen notched the game winner just 21 seconds into OT.

Justin Metcalf gave Neepawa a 1-0 lead at 17:55 of the opening period before Selkirk's Colby Dudek tallied early in the second.

Halvorsen put Selkirk up 2-1 at 14:50 of the middle frame and then Connor Barley tallied his team-leading 17th of the campaign at 17:27 of the second to put Selkirk up a pair of goals.

Selkirk, now 12-8-2-1 and with 27 points to sit seventh overall heading into this week's slate of games, will play at the Winnipeg Blues this Friday (7 p.m.) and then will host Neepawa on Saturday (7:30 p.m.).

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Intermediate

#### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**The tax sale is subject to the following terms and conditions with respect to each property:**

- The purchaser of the property will be responsible for any property taxes not yet due.
- The Municipality **may** exercise its right to set a reserve bid in the amount of the arrears and costs.
- If the purchaser intends to bid by proxy, a letter of authorization form must be presented prior to the start of the auction.
- The Municipality makes no representations or warranties whatsoever concerning the properties being sold.
- The successful purchaser must, at the time of the sale, make payment in **cash, certified cheque or bank draft** to the Rural Municipality of St. Andrews as follows:
  - i) The full purchase price if it is \$10,000 or less; OR
  - ii) If the purchase price is greater than \$10,000, the purchaser must provide a non-refundable deposit in the amount of \$10,000 and the balance of the purchase price must be paid within 20 days of the sale.
- The risk for the property lies with the purchaser immediately following the auction.
- The purchaser is responsible for obtaining vacant possession.
- If the property is non-residential property, the purchaser must pay GST to the Municipality or, if a GST registrant, provide a GST Declaration.
- The purchaser will be responsible for registering the transfer of title in the land titles office, including the registration costs.

## PUBLIC NOTICE

# CITY OF Selkirk

## SNOW CLEARING & REMOVAL

The City of Selkirk wishes to remind residents that vehicles may not be parked on City streets for more than 24 hours at a time. This is especially important during snow removal operations as parked vehicles during this period obstruct the removal of snow from the streets by City staff.

Vehicles parked on City streets during this period are in contravention of the City's Traffic By-law No. 4868 and the Streets By-law No. 3756 and may be ticketed and/or towed at the owner's expense.

In addition, the City wishes to remind residents it is prohibited for any person to pile snow from their property or driveway onto a City street which may injure a person or be a hazard to vehicle traffic.

Residents who wish to remove snow from their property/driveway are responsible for having the snow hauled away. Persons wishing to haul snow from their property may contact the Operations Department to request access to the City's snow disposal site.

Residents are also reminded that placing extension cords upon any sidewalk can interfere with the City's snow removal equipment.

Please take notice that the City of Selkirk Snow Clearing Policy states that private driveways will not be cleared of snow deposited by the City's equipment.

All referenced By-Laws and Policies are available for viewing on the City of Selkirk website at [www.MySelkirk.ca](http://www.MySelkirk.ca)

## ANNOUNCEMENT

### CARDS OF THANKS

I would like to thank Sherry and Al, and Len and Linda for all their love and support after my dog Jessie got run over. Thank you also to each and every one that emailed, phoned and came with flowers and cards to make sure that I was okay. May God bless all of you and thank you for caring.  
-Irene McCombs

## ANNOUNCEMENT

### CARDS OF THANKS

It was a long haul – but I finally made it, thanks to a lot of support and encouragement from my family and friends. Your visits, cards, and thoughtful gifts did wonders to brighten my days. You deserve a gold star for standing by me for all the seven plus weeks of my stay in hospital. Thanks also to Dr. Demsas, the nurses, the physios and all the staff at the Selkirk Regional Hospital. You are the greatest!  
-Raymond Peebles

## ANNOUNCEMENT

### CARDS OF THANKS

The family of Marge Laycock would like to express their heartfelt thanks to all who came out to her Celebration of Life. Special thanks to Don and Adelaide for their wonderful meal following the service, Brandon for your music, my “work” family at Gilberts for your help and compassion at this difficult time, to my clergy friends for their ongoing prayer and assistance in the final commendation prayers. Last but definitely not least her beloved angels, the healthcare staff at the Selkirk hospital for their care and compassion. May God bless you all.

## ANNOUNCEMENT

### CARDS OF THANKS

Thank you to everybody who came to help Steve and I celebrate our 50th Wedding Anniversary on November 18th. A big thank you to our beautiful daughters, Leah and Wendy, who worked so hard to make the party a success. They managed to surprise us, which we didn't think was possible! Also to Melody, who made the gorgeous cake and did probably numerous other things we don't know about, thank you so much. It was a great party and we had a lot of fun!  
-Betty and Steve

### CARDS OF THANKS

Cavers - The family of the late Verna Cavers would like to thank family, friends and neighbours for the cards, messages of sympathy and donations to the Humane Society in her memory. We would also like to thank Gilbert Funeral Home for taking care of arranging everything for the day of the service, to Rev. Anthon Bouw for the beautiful service that he officiated, the organist for playing the music that Mom loved and to Donnie and Adelaide for the awesome lunch they prepared and served. We would also like to extend many thanks to all the staff at the Betel Home where Mom resided for the last 16 months for their compassion and care. Also thank you to Dr. Zoppa and Dr. Speer and the nursing staff at the Selkirk Regional Health Centre for making her as comfortable as possible prior to her passing.  
-Bill, Brian, Carol and families

## OBITUARY

### Carolyn Cecille Letkeman (Barnes)

March 19, 1942 –  
November 19, 2017

It is with deep sadness that we announce the passing of Carolyn Letkeman at 75 years young, on November 19th, at her home in Selkirk, MB.

She was predeceased by her husband Ron (2002); parents John Henry and Elisabeth Barnes; and her sister, Frances Letkeman. She leaves behind her daughter Cindy (Ron) Polinuk,

son Curtis Letkeman, her brothers Percy (Leona) Barnes, Glen (Elouise) Barnes, brother-in-law Gary Letkeman, her husband's siblings, many nieces and nephews, friends and church friends; also, her honorary daughters Destiny Singer, and Karen Zayac as well as her beloved fur baby Rumble.

She was raised in Herbert, Saskatchewan. As a young adult she moved to Winnipeg and held Service working jobs. She met her husband Ron and celebrated 32 years of marriage together. They had two children together. She worked hard at Canadian Bronze and stayed there for 25 years. In her retirement years she thoroughly enjoyed looking after the children of family and friends; usually at no charge. Carolyn was a very giving person, and always willing to help those in need. She was a very kind, loving person to everyone.

Memorial service will be held on Monday, November 27, 2017, at 2:00 p.m. in the Gilbert Funeral Chapel, Selkirk, MB.

Condolences may be left at [www.gilbartfuneralhome.com](http://www.gilbartfuneralhome.com)

Gilbart Funeral Home, Selkirk in care of arrangements.

## OBITUARY

### Robert Reinhard Schütz

July 10, 1942 – November 19, 2017

Peacefully at home, with his wife by his side, Robert passed away.

He is survived by his wife Nienke; son Peter (Andrea); daughter Marianne (Trevor) and five granddaughters, Hannah, Kiera, Lexi, Adriana and Louise. As well as his brother Günther (Ingrid) and many sister and brother in-laws and nieces and nephews in Canada and Europe.

He was predeceased by his parents, Karl and Erna, and brother Manfred.

A memorial service will be held on Thursday, November 23, 2017 in the Gilbert Funeral Chapel, Selkirk, MB at 2:00 p.m.

In lieu of flowers, donations can be made to CancerCare Manitoba.

Condolences may be left at [www.gilbartfuneralhome.com](http://www.gilbartfuneralhome.com)

Gilbart Funeral Home, Selkirk in care of arrangements.

## OBITUARY

### Martina Smillie

March 4, 1927 – November 20, 2017

Peacefully at the Teulon Hunter Memorial Hospital, Martina passed away on November 20, 2017. Left to mourn her are her two daughters, Alexandra and Tina (Ron), grandchildren Brenna (Raymond), Cailia (Brenden) and Kierarra, great-grandchildren Ariyanna and Rayailse and her canine companion Skipper. Martina was predeceased by her husband Robert, brother Victor and parents Catarina and Lambert Souljè.

Martina was born and raised in Rotterdam, Holland. She met her husband Robert when he was stationed in Rotterdam during the Second World War. They married in 1952 and there after immigrated to Canada. They moved to St. Andrew's in 1971. They loved their home and stayed there for as long as possible. A special thank you to the kind and compassionate nursing staff at

the Teulon Hospital. Martina was well taken care of and treated with dignity. The family is extremely grateful for their kindness and care. Also, a special thank you to Wayne Bodie for his generosity and friendship.

A celebration of Martina's life will be held on Saturday, November 25, 2017 at 11:00 a.m. in the Gilbert Funeral Home, 309 Eveline Street, Selkirk, Manitoba.

In lieu of flowers, donations can be made to the CancerCare Manitoba Foundation, 675 McDermot Avenue, Rm ON1160, Winnipeg MB R3E 0V9.

Condolences may be left at [www.gilbartfuneralhome.com](http://www.gilbartfuneralhome.com)

Gilbart Funeral Home, Selkirk in care of arrangements.

## OBITUARY

### Myrtle Helgason (nee Hirst)

Our mother, Myrtle Helgason (Hirst) passed away suddenly on November 16, 2017 at the Rehab Hospital, Winnipeg following surgery.

It is with profound gratitude and peace we release her into the loving arms of our Dad. He predeceased her in 2007 and her journey has been difficult without him. While her loss was sudden and unexpected, we take comfort knowing that they are together again for all eternity.

Mom is survived by her children Pat (Bill), Gerry (Lisa) and Kelly (Arlene). Her pride and joy were her grandchildren Leslie (Brett), Lindsay (Mike), Kalee, Erin (Adam) and Morgan Victor. Her littlest elskans, her great-grandchildren Erik, Kenzie and Isabella gave her great joy.

Also left to mourn her passing are sisters Joann (Ronnie), Joan (Arnold), Blythe (Glen), Hazel (Bob), Beatrice and Allan, Marlene (Durwood) and Laurel (Jerry). She is also survived by Wally and Betty Helgason and Wilfred and Dora Helgason.

Mom was the eldest daughter of Gordon and Lorely Hirst, a family of 10 children. Her life would take her from Riverton, to Arnes, to Lac du Bonnet and finally to Selkirk where she would make our home for over five decades. Her door was always open to company with a meal, coffee and cake, or even a nice cold one.

Our mother was known for her hospitality, impeccable meals, love of cards, jokes and generally for being a friend to all.

A celebration of Myrtle's life will be held on Friday, November 24, 2017 at 1:00 p.m. in the Gilbert Funeral Chapel, Selkirk.

If friends so desire they may make a donation in Mom's name to the Marine Museum of Manitoba, Box 7 Selkirk, MB R1A 2A8.

We would like to extend our loving thanks to all who were a friend to our Mom, her family near and far, her Legion family, and the caring staff at the Rehab Hospital who attended her final hours.

You will be forever missed, never forgotten and dearly loved.

Goda Knott Elskan

### The benefits to shopping on Black Friday

Thanks to the crowds, some shoppers may be intimidated by Black Friday and opt to avoid stores entirely on the day after Thanksgiving. But there are a host of benefits to shopping on Black Friday that can compel hesitant shoppers to join the festive fray.

- **Deals:** Black Friday is a consumer-friendly day on which savvy shoppers can find great deals on big-ticket items. Big-ticket items like electronics, including televisions, smartphones and tablets, are often heavily discounted on Black Friday. Such deals may only be for a certain period of time or until a predetermined amount of inventory has been sold, so shoppers should do their research and prioritize which items are most important to them in advance of Black Friday. While Black Friday occurs during the holiday season when many people are busy looking for gifts for their loved ones, shoppers who need new big-ticket items can save money by shopping for themselves as well as their friends and family members in the initial hours after Thanksgiving.
- **Shopping done early:** Shoppers who tend to procrastinate during the holiday shopping season may find that shopping on Black Friday increases the chance they'll get their shopping done early. Getting shopping done early leaves more time to celebrate with family and friends throughout December.
- **Giveaways:** Many stores offer giveaways to Black Friday shoppers. Such giveaways may include gift cards, free entries into raffles or totes bags full of goodies. Such giveaways make great stocking stuffers, enabling Black Friday shoppers to get some shopping done without spending a

· Budget-friendly: Budget-conscious holiday shoppers may find that Black Friday allows them to give great gifts without compromising their personal finances. In its second an-

nual holiday debt survey, MagnifyMoney found that consumers who took on debt during the 2016 holiday season were poised to begin the new year with an average of \$1,003 worth of new debt. Shopping on Black Friday might help many shoppers reduce the amount of debt they take on during the holiday season.

Shoppers hesitant to join the Black Friday fray might want to consider the many benefits to shopping on one of the busiest shopping days of the year before making their final decision.
