Man dead after police-involved shooting in East Selkirk

Independent Investigation Unit to probe incident

By Austin Grabish

Manitoba's newly-minted Independent Investigation Unit will probe a late-night police shooting that left a 44-year-old man dead in East Selkirk Sunday night.

Winnipeg police shot the man in his white cargo van after following him from Transcona to Highway 59 at Kirkness Road in East Selkirk. Police and investigators remained on scene for much of Monday as they combed the area for evidence.

Police said the shooting happened at around 10:30 p.m. and witnesses say they saw as many as 10 to 15 police cruisers race down Highway 59.

STARS air ambulance was called just before 11 p.m., but was told to stand down, and never went airborne, said spokesperson Cam Heke.

East Selkirk resident Monica Janusz lives on Penny Lane across from Highway 59 and said she heard sirens followed by at least three gunshots

around 10:45 p.m.

"I looked out our window and there were tons of cop cars and a white van," Janusz said.

The van was wedged in between two unmarked, black police SUVs, and remained on the highway with a broken window Monday morning.

RCMP forensic officers outfitted in white suits were gathering evidence and the northbound lanes on Highway 59 were closed to all traffic until about 2 p.m. Monday.

Selkirk's Terry Fox Run raises over \$17K for foundation

By Lindsey Enns

Nearly 200 participants and 71 volunteers laced up and helped raise more than \$17,000 during Selkirk's 23rd annual Terry Fox Run.

"It's so awesome to see so many people coming out," Selkirk's Terry Fox Run chairperson Jana Pringle said under sunny skies on Sunday before the run kicked off. "Couldn't have asked for better weather today."

Terry Fox's father, Rolly, also made an appearance at this year's run. Pringle said it was a first for Selkirk.

"We're really honoured to have him here," Pringle said. "We do know he has some family ties to our community, but the fact that he is able to make the journey out here on this particular day, of all places to be in Canada, he is willing to be with us in Selkirk."

"We are thrilled." Rolly told those in attendance that he was "very happy" to be in Selkirk to mark the city's 23rd annual run.

"I have family here ... and I just want to say thank you," Rolly said.

This year's run took place in Selkirk Park and all proceeds raised, which are expected to increase once the on-line donations are tallied, will go to

2 pilots, 6 passengers survive plane crash near Thompson

Keystone Air Service says wrong fuel may have caused crash

By Lindsey Enns

Six passengers and two pilots managed to escape serious injury when a Keystone Air Service flight crashed into trees near Thompson.

According to Keystone Air Service, based in St. Andrews, Keystone Flight 208 was returning to the Thompson Airport shortly after takeoff when it crashed near the runway last Tuesday evening around 6:45 p.m.

"I am pleased to be able to report that all six passengers were apparently able to exit the aircraft on their own," the air service's president Cliff Arlt said via email. "The company understands that its pilots suffered injuries ... however, none are believed to be life threatening."

Arlt added they have learned the

aircraft, a Navajo Chieftain, may have been fuelled with jet fuel in error by aircraft refuellers and the Transportation Safety Board of Canada is investigating the exact cause.

According to a Transport Canada incident report, the pilot had radioed in shortly after takeoff about an electrical problem and said they would be returning to Thompson. The flight was destined for Winnipeg and all six passengers were provincial employees.

"The pilot also advised the Flight Service Station they did not require any assistance," the TSB report states.

RCMP said the plane crashed near Burntwood River, approximately one kilometre north of Thompson Airport, shortly after takeoff.

"No major injuries reported but all were transported to hospital for treatment," RCMP spokesman Sgt. Bert Paquet told the *Selkirk Record* via email. "The scene was secured by officers pending arrival of Transport Safety Board investigators who are leading the investigation."

Two pilots and six passengers managed to escape serious injury after Keystone Flight 208 crashed while it was returning to the Thompson Airport last Tuesday. Keystone Air Service, based in St. Andrews, stated the Navajo Chieftain may have been fuelled with jet fuel in error by aircraft refuellers.

> 'WHEREVER THE EVIDENCE TAKES US WE'LL FOLLOW IT,' FROM PG. 2

There was no visible blood from the highway, however, a handgun could

be seen lying on the ground, but it wasn't clear if it belonged to an officer or the man.

Evidence markers were placed next to the gun, a pair of sunglasses, and what looked like a black knife, but police wouldn't confirm what weapons were found.

Tessler said an investigation into the shooting by the investigation unit is mandatory under new provincial legislation and a conclusion by his office will be made after a full review into the shooting is completed.

"Right now our mandate is to investigate the incident," Tessler said. "Wherever the evidence takes us, we'll follow it."

The Independent Investigation Unit, launched in June, investigates all serious incidents involving police officers in Manitoba. Sunday's shooting is the first officer-involved fatality the unit will investigate since starting work in June.

There were conflicting reports from Winnipeg news outlets Monday night as to the intent of the driver.

One report said he was suicidal, while another said he was on his way to harm a person he thought had sexually assaulted a family member.

Tessler said he was unsure if the officer(s) involved in the shooting had been placed on leave or not.

A spokesperson for the Winnipeg Police Service refused to comment on the incident before press time on Monday.

Community says farewell to MS Lord Selkirk II

SaskSteel crew decorates ship as part of last minute tribute

By Austin Grabish

A ship that has sat in the dark for the last 25 years came to life Saturday evening, but feelings were mixed as community members said their good-byes to the MS Lord Selkirk II.

The abandoned ship was lit up with Christmas lights as part of a last-minute tribute and final goodbye that SaskSteel, the company dismantling the vessel, wanted it to have.

SaskSteel owner Ben Hoosier said the lights were meant to give the ship "a proper pay off."

Hoosier and a small crew decorated the ship with lights on Saturday afternoon, and although it was last minute, word of the ship being lit quickly spread online and by word of mouth.

Many came out to say their good-byes including Selkirk resident Danielle Kennedy and her family.

"That is sad," said Kennedy, who like many have been following the story of the abandoned vessel for years.

RECORD PHOTO BY AUSTIN GRABISH
ABOVE LEFT: For the first time in 25 years, the MS Lord Selkirk II came to life and was decorated with Christmas lights by a SaskSteel crew as part of a last-minute tribute Saturday evening. Demolition work was set to begin Sunday afternoon. ABOVE RIGHT: Selkirk resident Danielle Kennedy takes a picture of the ship all lit up on Saturday evening. See more photos on pg. 10.

One man, who asked only to be identified as John, echoed Kennedy's sentiment.

"It's kind of sad," he said while trying to take a photo of the illuminated boat

with a dark night sky above. "I think they could have done something better with the boat."

The boat is still sitting in Selkirk Park, however, "major" demolition work be-

gan Sunday afternoon, and Hoosier said it wouldn't be long before the ship begins to look very different as it gets cut up piece by piece and scraps are taken to the Selkirk steel mill.

Province seeks feedback on next budget through community meetings, online

Staff

Manitobans are invited to share their views about what they want to see in the next provincial budget at community meetings throughout the province and online.

"We want to hear from Manitobans about their ideas so we can build a

strong budget that focuses on what matters most to Manitoba families," Finance Minister Greg Dewar said in a release on Monday. "I'm looking forward to meeting with people from across the province to talk about the issues that mean the most to them."

The first consultations will begin lat-

er this month with a public meeting in The Pas.

In addition to public meetings, the province will also be using an on-line survey and interactive telephone town halls to reach as many Manitobans as possible, Dewar said.

A telephone town hall will be held

for urban residents on Thursday, Oct. 22 and for rural residents on Friday, Oct. 23 between 7 and 8 p.m. Registration deadlines are Oct. 19 for the urban town hall and Oct. 20 for the rural town hall, and those planning to attend are asked to register online at gov.mb.ca/finance/consult/intro.html.

REMINDER NOTICE OF PUBLIC HEARING CENTRA GAS MANITOBA INC. 2015/16 COST OF GAS APPLICATION

APPLICATION:

By Notice of Public Hearing dated June 16, 2015, the public was advised that Centra Gas Manitoba Inc. ("Centra") has applied to the Public Utilities Board ("Board") of Manitoba for approval of new Supplemental Gas, Transportation (to Centra), and Distribution (to Customers) Rates.

On September 11, 2015, Centra updated its original Application to provide its current estimate of non-Primary Gas costs, based on future market prices as of July 31, 2015. Centra's updated Application requests approval of the following:

- 1) Approval of Supplemental Gas, Transportation (to Centra), and Distribution (to Customers) Sales and Transportation rates, effective November 1, 2015;
- 2) Approval of the recovery through rate riders effective November 1, 2015 of a net outlook balance in the prior period non-Primary Gas deferral accounts of \$36.1 million;
- 3) Approval of the continuation of the current temporary rate rider treatment for Interruptible customers that migrate to Firm Service and customers that migrate to or from Transportation Service ("T-Service") on or after May 1, 2014;
- 4) Final approval of the Primary Gas, Supplemental Gas, Transportation (to Centra) and Distribution (to Customers) sales rates effective August 1, 2013, which were approved on an interim basis in Order 89/13;
- 5) Final approval of Transportation (to Centra) and Distribution (to Customers) sales rates effective August 1, 2014, reflecting the removal of non-Primary Gas rate riders expiring on July 31, 2014, which were approved on an interim basis in Order 85/14;
- 6) Final approval of the Transportation (to Centra), and Distribution (to Customers) Sales and Transportation rates, reflecting the implementation of new non-Primary Gas Rate Riders on November 1, 2014, which were approved on an interim basis in Order 123/14;
- 7) Final approval of Distribution (to Customers) Sales rates, reflecting the implementation of new non-Primary Gas Rate Riders on February 1, 2015;
- 8) Final approval of actual gas costs for the 2012/13 and 2013/14 gas years;

- 9) Final approval of Primary Gas Sales Rates and Franchise Application interim ex-parte orders as outlined in the Application; and,
- 10) Final approval of any other interim ex-parte orders issued by the PUB prior to the conclusion of the public review process for this application.

BILL IMPACTS

If approved by the Board, Centra's updated rates will result in an increase of approximately 3.8% or \$30 on the annual bill for a typical residential customer. Annual Bills for customers in the Large General Service High Volume Firm, Mainline, and Interruptible Customer Classes range from decreases of 0.7% to increases of 8.8% depending on the customers' consumption and load characteristics.

PARTICULARS OF APPLICATION

Full particulars of this Application can be obtained by interested parties from:

Centra Gas Manitoba Inc.
Attention: Mr. B. Czarnecki
22nd floor, 360 Portage Avenue
Winnipeg, MB R3C 0G8
Telephone: (204) 360-3257 (collect calls accepted)
Email: baczarnecki@hydro.mb.ca

The Public Utilities Board
Attention: Mr. D. Christle
400 - 330 Portage Avenue
Winnipeg, MB R3C 0C4
Telephone: (204) 945-2638
Toll Free: (866) 854-3698
Email: publicutilities@gov.mb.ca

An electronic version of the Application is located at Manitoba Hydro's website: http://www.hydro.mb.ca/regulatory_affairs/gas/whats_new.shtml

PUBLIC HEARINGS:

On July 17, 2015, the Board issued Order 67/15 setting out a timetable for the orderly exchange of information with respect to Centra's Cost of Gas Application. The public hearings to consider these matters have been scheduled for September 28, 2015 from 9:00am until the conclusion of the public portion of the hearing. The remaining portion of the hearing will be held in closed session to review the commercially sensitive information contained within the application.

The hearing will be held at the Board's offices, 400-330 Portage Avenue, Winnipeg.

PUBLIC PARTICIPATION AS A PRESENTER

The Public is welcome to provide written submissions to the Board on the Application. Written submissions should be received by September 21, 2015. The public may also present their views orally to the Board during the hearing. Anyone wishing to present oral submissions to the Board should contact the Board Secretary by September 21, 2015.

The Manitoba Ombudsman has recently issued privacy guidelines for administrative tribunals. The Board is mindful of its obligations under those guidelines. Its decisions in respect of the Application being considered will be sensitive to the guidelines. Personal information will not be disclosed unless it is appropriate and necessary to do so. However, the Board advises participants that these proceedings are public and that as a result personal information protections are reduced. The proceedings before the Board are transcribed and the transcript is posted on the Board's website. Names of Presenters and their written or oral presentations are included in the publicly available transcripts.

PROCEDURAL MATTERS

The Board's Rules of Practice and Procedure (Rules) apply to the conduct of the hearing. All interveners should familiarize themselves with the Rules, which can be seen at the PUB's website www.pub.gov.mb.ca or obtained on request to the Board, by either emailing (publicutilities@gov.mb.ca), writing or calling the Board Secretary (204-945-2638 or 1-866-854-3698, toll free).

Upon any application to it, the Board may make an Order granting the whole or part only of the Application or may grant such further or other relief in addition to or in substitution for that applied for, as fully and in all respects as if the application has been for such partial, or further or other relief.

DATED this 14th day of September, 2015.

Using a hammer, string for catch of the day

Hi folks. Gosh, I sure met some fascinating characters last week.

I was wandering along the shore between Halcyon Cove and Balsam Harbour last week looking for signs that would show separate swimming and angling areas when I saw a small slim lady with short curly brown hair trekking up the beach using a driftwood pole as a walking stick. As we came up to each other she broke into a friendly smile and we fell into a casual conversation. As we chatted, our new friend Trinity Klassen of West St. Paul proved to have quite a sense of humor.

I couldn't help chuckling when she said that although her husband Ray loved to fish he couldn't catch one in a barrel full of them. She also mockingly lamented the fact that she had to keep a picture of him handy so she wouldn't forget whom he was when he walked in the door. Except for three weekends last winter he was on the ice in his shack with his buddies fishing.

Well, some of us feel your pain honey but I've got to admit I would want to be right out there with him-sorry.

Towards the weekend on the shore by south Sandy Hook and the Beach I met Brenda Martynuk along with her son Trevor and his fiancé' Melanie Simkin. The newly engaged young couple was from St. Adolphe down for a visit with mom and as we talked Melanie was thrilled having caught a nice fish.

Now here's a funny fishing story for you compliments of Ray (another Ray) and Bobbi Asselstine of Winnipeg who I met last weekend on the Selkirk pier.

Ray and Bobbi are two of the most jovial really close couples on the smarter side of 50 I have had the pleasure of meeting lately. Ray, a guy of full build with a constantly smiling round face and Bobbi a gal always making jokes;

RECORD PHOTO BY ARNIE WEIDL
Melahie Simkin with her catch by the south Sandy Hook and Winnipeg Beach shore.

these two had a humorous way of finishing each others' sentences.

Ray began their story saying they were out fishing at Dorothy Lake in the Whiteshell. It was a bit rainy, windy and cold on the dock so they left their new shiny bright white folding chairs and jumped into their car to warm up. The wind gusted, picking up Rays' bright shiny new chair and dumped it into the dark water. Well, necessity is the mother of invention

and Ray was a pretty inventive fellow. After thinking a bit, he got a piece of rope and a hammer from the car and tied the hammer to one end of the rope then began dragging the water where his new fancy chair had disappeared.

Then a chap came wandering by and stopped to watch Ray's dragging labors. Peering over the side of the dock at the water, he idly offered the observation, "I don't think you're going to catch anything with that rig."

Where upon Ray half smiling while concentrating on his task remarked, "I think it might get me what I'm trying for."

Our walker-by now realizing Ray was after something lost, played along saying, "the fish are pretty tough here, I guess."

Ray came back, "yep, here, you've got to hit them over the head with a hammer if you want to catch them."

The chap walked away grinning. Soon, another guy came by and stopped to observe Rays' efforts. Passer-by number two seeing only the rope in the water piped up exclaiming, "You realize the fishing gear you're using is illegal."

Just as he said that Ray felt a catch on his submerged hammer and with a knowing smile at the visitor pulled up his wayward chair saying, "It's pretty legal for what I'm after."

As the second guy walked away Bobbi gleefully jumped up and took a picture of the chair now hanging from the hammer. Later, she titled the picture the "catch of the day" then put it on their fridge at home.

Well my friends the leaves are starting to turn and ahead looms the joys of ice fishing! See you soon, bye.

Board to decide fate of Pittsburg Ave. paving project

By Lindsey Enns

Whether or not Selkirk's Pittsburg Avenue road reconstruction and paving project is given the green light will depend on a Manitoba Municipal Board's ruling in upcoming weeks.

The project includes road reconstruction, paving as well as a utility connection installation and natural gas line extension along a stretch of Pittsburg Avenue from Main Street to Sophia Street.

The road will be rebuilt to meet industrial standards, making it more suitable for heavy truck traffic. However, adjacent property owners, including the City of Selkirk, could be on the hook to cover the costs of the estimated \$431,500 project.

The current gravel road, according to the city's CAO Duane Nicol, is negatively impacting surrounding businesses including True North Motors.

"It is having a negative impact on their operations with the dust on their vehicles and so forth so they have the right to make that request," Nicol said.

Representatives from True North Motors originally appeared before council requesting the removal of a zoning bylaw that requires them to pave their parking lot, given that Pittsburg Avenue wasn't paved. Council, however, declined their request and True North then requested the city pave the street. According to information obtained during a municipal board meeting in Selkirk earlier this month, council referred True North's request to their 2014 budget deliberations but it wasn't approved and administration was asked to investigate potential options for the road for their 2015 budget.

During those deliberations, city administration investigated the potential to pave Pittsburg Avenue under a local improvement plan. A 40-year net financial impact analysis was done and council gave the project the green light. Following budget approval, the city started their search for potential developers of the lots on the north

RECORD PHOTO BY LINDSEY ENNS

Adjacent property owners, including the City of Selkirk, along this stretch of Pittsburg Avenue from Main Street to Sophia Street could be on the hook to cover the costs of a \$431,500 road reconstruction and paving project if Manitoba's Municipal Board gives the project the green light in upcoming weeks.

side of Pittsburg Avenue and began the local improvement process.

"This project has been given substantial thought and consideration," Nicol said. "We have worked hard to ensure the project is fair, transparent and in the best interests of all city taxpayers today and into the future."

Janet Smith, part property owner and office manager of E.J. Smith Memorials located at 49 Main Street, said they don't mind paying the extra property taxes to up date the road.

"We're a city ... and you don't tend to have gravel roads. We're willing to invest in the city to come into the 21st century," Smith said. "Yes, it's going to cost us more taxes but we are willing to pay that amount."

Although it's difficult to evaluate

whether the road's current condition has harmed their business, which opened in the spring of 1974, traffic has increased, she said.

"Over the years, the volume of traffic and the weight of the traffic using the road has pounded it to dust," she said. "The road is inadequate for its usage."

However, not everyone is in favour of covering the cost.

Peter Mandryk, vice president of United Steelworkers Local 5442, said the roughly 365 steelworkers the union represent's at the steel mill "don't see a benefit to it."

"We never complained about the gravel road, we never complained about the dust,"

Mandryk said. "We didn't ask for any of it."

Mandryk added it's not just heavy trucks that use the road.

"The thing that frustrates us more than anything else is ... I don't think the city did their homework," he said. "My office is there, I drive up and down there everyday and people do use that road."

Nicol said the city hosted a public hearing earlier this year so people could express their views.

"Paving's not cheap ... so obviously you don't want to pay additional amounts," he said. "From the city's perspective ... if the road is improved, that's a benefit to all adjacent property owners."

Depending on the amount of frontage each property owner owns, they could be looking at \$247.15 per foot or \$24.01 annually if they decide to finance the cost, all of which has been made public information.

"If we get favourable quotes at the time of construction, as we did this year, and interest rates remain low when the debenture is finalized, then the actual costs to property owners would be lower," Nicol said.

Nicol added the municipal board should have a final decision regarding the project in four to six weeks.

Established under the Municipal Board Act, one of the board's duties is to receive and resolve property assessment appeals.

Notice of Annual General Meeting

The Selkirk Community Renewal Corporation (SCRC) will be holding its Annual General Meeting on Tuesday, September 29, 2015 at 5:30 p.m. at 630 Sophia St. Elections for the Board of Directors will be held at this time. The SCRC invites you to become a part of this exciting initiative sponsored by Neighbourhoods Alive!

If you are interested in becoming a member or joining our Board of Directors membership forms may be obtained by calling 482-7005 or email request to scrc@selkirkcra.ca. Membership forms will also be available at the meeting.

Everyone Welcome!

Petersfield truck driver wins National Grand Champion award

By Jonathan Wilson

Truck driving is more than just a career for Ken Wiebe. Once a year it becomes a competitive sport and he has proved himself to be serious competition.

At the annual National Professional Truck Driving Championships, seasoned veterans from across Canada test their knowledge and skills of the industry.

Wiebe, a Petersfield resident since 2001, was one of five competitors representing Manitoba after winning the provincial competition and earlier this month he earned the title of National Grand Champion.

"I get lots of congratulations," Wiebe said. "All the customers I haul to, they are pretty excited about it too."

Despite the fact it was his 11th time heading to nationals, Wiebe is never calm going into the competition.

"Every time you're a ball of nerves. You get into the competition and your heart is jumping out of your chest. I thought maybe it might go away after a while, but it doesn't," Wiebe said with a laugh.

The competition starts with a timed written test consisting of 50 questions on driver safety and general knowledge of trucking. Next, the competitors hit the road course where they conduct a pre-trip inspection of their vehicles to find the five planted defects within eight minutes. Lastly, they attempt to maneuver their ve-

RECORD PHOTO SUBMITTED

hicle cleanly through a tight obstacle course.

Any bump, scrape, defect missed, or wrong question counts against a competitor's point score used to decide the winners in the five vehicle categories.

"It's really good for the industry," Wiebe said. "I think it gives the truckers a chance to show what they do in every day work and the challenges

they go through.

"It gives them a chance to show off their expertise and what they learn."

Wiebe has taken first place in the nationals five times now, but this was his first time earning the National Grand Champion award, which goes to the contestant with the highest point differential between their scores and the category average.

The national championship is hosted

'First of its kind' women's wrestling tour to stop in Gimli

By Stacey Jacques

Although men may have ruled the wrestling ring in the past, an all women's tour is hoping to change that with upcoming stops planned across Manitoba and Saskatchewan.

"Due to the rise in popularity in women's wrestling we thought we would give centre stage to the girls, so nine days in nine shows it's all

girls," said Danny Warren, Canadian Wrestling Elite general manager. "We strictly ran male tours and occasionally we've had a female match sprinkled in here and there."

"The women are just as athletic and just as talented as the men, so there has been an insurgence of women's wrestling."

The Canadian Wrestling Elite's

"Girls, Girls, Girl's Tour" will be the "first of its kind" to stop in Manitoba, Warren said.

"This is very rare in central Canada," Warren said.

Continued on
page 14

by a different province every year. This year it took place in Regina and was hosted by the Saskatchewan Trucking Association. Wiebe was happy to take home some trophies and a nice gold watch for his efforts, although he said one of the biggest things for him is just being at the nationals.

"It was done on a really professional level and a lot of people put effort into putting it all together, and it got a lot of great sponsors. It all helps," Wiebe said.

Everyone involved in the competition stays for the weekend for a Friday night gala and is given a tour of some of the attractions of the host province. This year they visited the RCMP Heritage Centre, known as the "Depot."

To enter the competition a driver has to have been completely accident free for the 12 months prior. When asked for any tips for those who want to succeed in the competition in the future, Wiebe said "just have fun with it and try to relax."

Open Farm Day connects farmers with the public

By Jennifer McFee

Farmers across Manitoba flung open their barn doors to welcome the public during the sixth annual Open Farm Day over the weekend.

On Sunday, visitors had the opportunity to drop by 37 farms across the province to learn more about the origin of their food.

For the five per cent of Manitobans who live on a farm, the annual event provides a chance to create connections with the public and share a slice of their life.

At Mission Trail Farms, located near Gimli, Jason Porteous and his family have participated each year since the initiative began.

Last year, between 80 to 100 people dropped by their dairy farm, which is home to about 150 cows in total, including 50 for milking. This year, he seemed on track to reach the same totals. Visitors had the chance to see a milking demonstration and to meet the family's other pets, including nine goats, two dogs and a horse named Nike.

"It's a good opportunity for people to come out and see the farm," Porteous said. "A lot of people are out and they never get to see that."

"Grandparents bring grandkids. Maybe they were on a farm or had family on a farm, but their grandkids have never seen it."

Porteous recently took over the operation, and his four children — aged 16, 14, 12 and 10 — mark the sixth generation on the farm.

"It's what I like to do and the kids enjoy it too," he said. "My kids also enjoy Open Farm Day."

"They love showing the farm off to other people and taking all these other kids that don't see these things around to tour the farm and to see all the different animals."

The Porteous kids also invited visitors to enjoy tasty treats of milk, choc-

RECORD PHOTOS BY JENNIFER MCFEE

olate milk, coffee and doughnuts.

Along with Mission Trail Farms, an impressive list of other Interlake farms took part, including Grenkow Holsteins in Rosser, Overby Bison in Inwood, Integrity Foods in Riverton and Baba Farms in Arnes.

Wendy Bulloch, Open Farm Day co-ordinator with the Manitoba Association of Agriculture Society, said the initiative provides benefits for everyone involved.

"For the farm producers or the hosts of the farm sites, it allows them to showcase their operations," Bulloch said. "And for the visitors, it's an opportunity for them to learn more about agriculture and to get to have a chance to speak with farmers. They can learn more about rural Manitoba."

Last year, more than 8,000 visitors enjoyed a first-hand agricultural experience during Open Farm Day, which is organized by the Manitoba

Association of Agricultural Society in partnership with the provincial government. This year's totals were not available by press time.

ADVERTORIAL

What's in a street name?

Dufferin Avenue bears the name of Canada's third Governor General, the Earl of Dufferin who was installed in 1872. He and Lady Dufferin travelled extensively throughout the dominion. When they visited Selkirk in 1877, they were warmly welcomed with a reception before they continued on to visit the Icelandic Colony just outside the northern boundary of Manitoba.

Lord Dufferin was very interested in education of both boys and girls. He also encouraged students to excel in their area of study. To encourage them, he initiated an award which was given to the graduating student with the highest marks. We know these awards today as "The Governor General's Medals."

The Earl of Dufferin inherited the family estate in northern Ireland. This beautiful stately home is called Clondeboy. This provided another street name for Selkirk and a name for the neighbouring village.

Selkirk celebrates Legion Week

RECORD PHOTO BY LINDSEY ENNS

Dozens gathered outside St. Clements Church along River Road on Sunday evening for a candle light service to mark Legion Week. More events were held all week at Selkirk's Royal Canadian Legion Branch 42.

Staff

Selkirk's Royal Canadian Legion Branch 42 is hosting events throughout the week to celebrate Legion Week.

Events kicked off Sunday with the Roy Anderson Annual Crib Tournament at the branch located at 403 Eveline St. and later dozens gathered outside St. Clements Church along River Road for a candle light service.

On Wednesday the branch will host fun darts at 7 p.m. and on Thursday there will be a Dufferin Street Memorial meeting at 5 p.m. where families of veterans are asked to bring photos with them. There will also be a dis-

cussion and information provided on the progress of the memorial project being planned. A luncheon between 1 p.m. and 4 p.m. will also be provided Thursday courtesy of the Over 60 Club and bannock courtesy of the Royal Canadian Legion Branch 42 Ladies Auxiliary.

On Friday, there will be a vet's and spouses dinner and meat draw at 4:30 p.m. with karaoke by Wayne to start at 8 p.m.

Events will wrap up on Saturday with a volunteer dinner.

Non-members are welcome to come into the branch during Legion Week and no sign-in is required.

Dozens lace up for River's Edge Run

RECORD PHOTO BY DAPHNE WIEBE

More than 180 participants took part in this year's fifth annual Lockport River's Edge Run on Sunday morning along River Road in Lockport. This year the run raised funds for the Manitoba Neurofibromatosis Support Group, which provides support to individuals and families affected by the disease as well as promotes awareness while funding research to improve patient treatment. The total amount raised this year wasn't known by press time Monday.

Soup kitchen takes on Selkirk's annual hamper drive

By Austin Grabish

Selkirk's annual Christmas Hamper Drive has changed hands, and will now be run by Our Daily Bread Soup Kitchen when the drive kicks off this fall.

The change aims to bring in more donations and will make donors who give donations of \$20 cash or more eligible for a tax receipt.

"It makes it easier for people to give donations to a charitable organization than to the city-run type of thing," Our Daily Bread chair René Gauthier said.

Hamper drive co-ordinator Linda Rosser made the announcement with Gauthier during an interview on Saturday.

Rosser said she hopes the announcement will clear up confusion and trigger a spur of donations so when the hamper drive launches this fall, it will hit the ground running.

"We got donators that are holding back," explained Rosser, before praising members of the Army Navy and Air Force Ladies Auxiliary for taking

RECORD PHOTO BY AUSTIN GRABISH

Our Daily Bread Soup Kitchen chair René Gauthier and Selkirk resident Linda Rosser will be running the 2015 Christmas Hamper Drive in Selkirk.

on the drive at the last minute last year.

Rosser said some 360 hampers were given out in 2014 despite administrative changes that left the auxiliary in

charge of running the drive at the last minute.

"At short notice they took on the project to ensure that the community in need would receive a hamper for

their family at Christmas," she said.

The City of Selkirk had previously handled the drive.

Gauthier said there's always a need for hampers in Selkirk.

"It's very well-needed because when Christmas comes around, expenses and everything costs more," he said.

This year's hamper drive will also include new partnerships with businesses and other community organizations.

Gauthier said it makes sense to branch out parts of the hamper drive to organizations interested in helping rather than having all the work happen at one cramped location.

A subcommittee of the soup kitchen will oversee the hamper drive, but Gauthier said the hope is to branch out as many parts of it as possible through community partnerships.

He said the change will allow for more personalized experiences for volunteers delivering hampers.

"Then it's not just a name on a paper, it's an individual, a family," he said.

> TOUR TO STOP AT GIMLI DANCE PAVILION THIS SATURDAY, FROM PG. 14

The tour will kick off in Steinbach on the Sept. 25 at the Steinbach Legion Community Hall and tour around Manitoba and Saskatchewan until Oct. 3. Gimli will be the tour's second stop on Saturday, Sept. 26 at the Gimli Dance Pavilion.

"We did our first tour in Gimli this past June," Warren said. "We really had a strong response, so we thought we would run the girls there too and have been getting just as good of a re-

sponse."

The tour will also make a stop in Winnipeg on Friday, Oct. 3 at the Holy Cross Gymnasium Hall. For ticket information, visit diyobo.com.

The tour brings together female athletes from across North America including Alberta, British Columbia as well as one woman born and raised in Winnipeg.

Warren said wrestling fans are already getting excited for their Mani-

toba tour stops.

"They are coming together for the spectacle of a women wrestling show and I think that is the attraction," Warren said.

Warren encourages people of all ages to come check out the event.

"If you are not a wrestling fan I think this is the show to come down and give it

a try," Warren said. "It's got a little bit of everything, girls, some wrestling, live athletics, live entertainment, and whether you are a wrestling fan or not I am a hundred per cent sure you are going to leave feeling happy about the money you spent."

Communities across Manitoba earn bloom awards

Staff

The 17th annual Manitoba Communities in Bloom Conference and Awards Ceremony held earlier this month honoured 17 Manitoba communities participating at the national and provincial level.

Provincially, 11 communities were recognized and nine were provided with bloom ratings and a special mention at the awards banquet held in Killarney on Sept. 12.

"It is wonderful to see citizens, businesses and organizations all joining with their municipal staff and councils to work together to maintain and make improvements to their communities," provincial chair Shonda Ashcroft, on behalf of Manitoba Communities in Bloom board of directors, said in a release on Sunday. "We really feel their excitement here as they wait to hear the suggestions and comments from the judges."

The City of Selkirk received a "bloom rating" of four out of five and a special mention for Red Feather Farm Park. West St. Paul also received a rating of three out of five and a special mention for residential landscaping.

Manitoba has six entries in the national edition, which include the Town of Stonewall, City of Dauphin, Municipality of Killarney-Turtle Mountain, the City of Brandon, the Municipality of Boissevain-Morton and the International Peace Gardens. Those awards will be announced at the National Symposium and Awards Ceremonies in Kamloops, B.C. on Oct. 3.

Communities in Bloom is a Canadian non-profit organization committed to fostering civic pride, environmental responsibility and beautification with a focus on green spaces. Manitoba Communities in Bloom is the provincial edition.

Communities are evaluated on their accomplishments in six judging criteria which focus on creating a vibrant community, a great place to live, visit and conduct business. These categories include tidiness, Environmental Action; Heritage Conservation; Urban Forestry; Landscaped Areas; and Floral Displays with involvement by all sectors of the community being a component in all categories.

Evaluated communities are provided with a bloom rating from one to five, a special mention, and an evaluation grid and written report, which provides specific feedback.

Wise customers read the fine print: * The All Out Clearout Sales Event offers are limited time offers which apply to retail deliveries of selected new and unused models purchased from participating retailers on or after September 1, 2015. Offers subject to change and may be extended without notice. All pricing includes freight (\$1,695) and excludes licence, insurance, registration, any retailer administration fees, other retailer charges and other applicable fees and taxes. Retailer order/trade may be necessary. Retailer may sell for less. *Consumer Cash Discounts are offered on select 2015 vehicles and are deducted from the negotiated price before taxes. 10% purchase available on all new 2015 Jeep models to qualified customers on approved credit through RBC, Scotiabank and TD Auto Finance. Retailer order/trade may be necessary. Manitoba artists showcase pieces at all members' show

Staff

For Brenda Hedberg, being able to display some of her paintings along-

side other talented artists in one gallery is always "exciting."

"It's really fun," Hedberg said in an earlier interview with the *Record*. "I've never been part of an artists' group before."

"I love it. It's given my life a whole new dimension."

Hedberg's work is being hung alongside more than 30 other artists from across the Interlake and Winnipeg until Sept. 30 at Selkirk's Gwen Fox Gallery.

Hedberg said the gallery hosts all members' shows twice a year in June and September and

RECORD PHOTO BY LINDSEY ENNS

Brenda Hedberg shares a laugh with a visitor at the Gwen Fox Gallery in front of two of her paintings during the opening of the gallery's all members' show earlier this month. Artists from across the Interlake are displaying their works during the show, which runs at the local gallery until the end of September.

this is the fourth time she's participated.

The Gwen Fox Gallery, located at

101-250 Manitoba Ave., is open Tuesday through Saturday from 11 a.m. to 4 p.m.

Province aims to boost tourism with Star Celebrations program

Staff

The Manitoba government has expanded the popular Star Attractions program to include major events and festivals under a new category called Star Celebrations.

"Our province is filled with exciting and unique tourist attractions, festivals and events," Tourism, Culture, Heritage, Sport and Consumer Protection Minister Ron Lemieux announced recently. "We want to recognize long-standing, major attractions and innovative new events

that are building the province's cultural fabric. Manitoba is where Canada's Heart Beats, and showcasing the festivals and events that Manitoba families enjoy will demonstrate the heart of our communities and the diversity of our culture as well as attract new tourism opportunities."

Similar to the Star Attractions program, the Star Celebrations designation will only be awarded to festivals and events that meet specific criteria.

Husky shuts down Mohawk gas station location in Lockport

RECORD PHOTO BY LINDSEY ENNS

Crews were busy clearing away the rubble left behind by the former Mohawk gas station in Lockport located at the corner of Highway 9 and Highway 44 last Wednesday evening. Husky Energy, which owns Mohawk, said they decided to close the location.

By Lindsey Enns

Those hoping to fuel up at Mohawk in Lockport are now officially out of luck.

The gas station, owned by Husky Energy and located at the corner of Highway 9 and Highway 44 in Lockport, has been closed down and demolished.

"Husky has made the decision to close this location and will be returning the site to the landlord," Husky Energy media relations co-ordinator, Kim Guttormson told the *Record* via email last week. "We will work with the appropriate authorities to ensure the site closure meets all regulatory standards."

Crews began demolishing the for-

mer gas station sometime earlier this month and were still seen cleaning up the site late last week.

RM of St. Andrews Mayor George Pike said whenever a business closes it's a loss for a community.

"They've been there for quite a while, they've changed different companies or different ownerships but yes it's a concern for the community," Pike said, adding he's unaware of future plans for the property. "I think it was just a business decision."

"I have no information on ... why or how or anything."

The Red River Planning District confirmed on Monday that they received the proper permits to take down the gas station's canopy and tanks.

'They deserve to see this project move forward'

Province reaffirms its support for Shoal Lake Freedom Road

Staff

The government has once again confirmed its support for Shoal Lake's Freedom Road by reaffirming its \$10 million commitment to the project.

"The provincial government remains steadfast in its commitment to share in building this road," Premier Greg Selinger said in a release earlier this month. "I recently spoke with Ontario Premier Kathleen Wynne, who also expressed our shared concern with the people from Shoal Lake 40."

"They deserve to see this project move forward as quickly as possible."

Community members marched in Winnipeg on Sept. 12 with hope of bringing attention to the fact Shoal Lake has been without clean, potable drinking water for almost two decades and over the years, many residents of Shoal Lake have died crossing the lake.

RECORD PHOTO BY CHRISTIE MCLEOD

Children hold up signs of support for a road connecting Shoal Lake First Nation to Winnipeg during a previous event where all three levels of government were present to announce funding for the design of Shoal Lake's Freedom Road. The province is confirming its support for Shoal Lake's Freedom Road by reaffirming its \$10 million commitment to the project.

"We share in the frustration of the residents of Shoal Lake 40, and the people of Winnipeg who have benefited from a clean, reliable source of drinking water for decades, while the people of Shoal Lake 40 have struggled with dangerous ice conditions

and one of the longest boil water advisories in Canada," Municipal Government Minister Drew Caldwell said. "We have allocated specific funds for this project and we expect the Canadian government to contribute equally to 'Freedom Road,' and to cost-share

the timely construction of the project with Manitoba and Winnipeg."

Manitoba, Winnipeg and Shoal Lake First Nations signed a 60-year, tripartite agreement in 1989 that established a \$6 million trust fund for the First nation, funded equally by the Manitoba and Winnipeg. The agreement committed the parties to maintain high-quality drinking water for Winnipeg and promote economic development opportunities for the First Nation.

However, the lack of road access from the First Nation to Winnipeg has long been identified as a key barrier to economic opportunity and causing high costs, which have prevented the construction of key community infrastructure, including a water treatment plant.

In April 2014, Manitoba, Winnipeg and Canada cost-shared \$3 million toward the detailed design of the all-weather road. While both Manitoba and Winnipeg have committed in principle to the construction of the all-weather road on completion of the design, the federal government has still not made a firm commitment to the sharing of the cost, Caldwell noted.

All-in-one ID card 'a step above any fraud,' MPI says

By Scott Billeck

A proposed new identification card that would be available to all Manitobans could keep your wallet a little lighter while keeping crimes, including identity theft, at bay.

The joint effort by Manitoba Health, Healthy Living and Seniors and Manitoba Public Insurance proposes one piece of identification, which would include a person's driver's license, photo identification as well as their health card and, if they so choose, travel card.

The new card, MPI and the province hopes, will eliminate the need for more than one piece of ID and provide an added layer of protection when it comes to crimes against one's identity.

"The health card right now doesn't have a photo on it," said Brian Smiley, MPI media relations co-ordinator. "If someone steals another's health card, they can go and try to get medical services and drugs."

"The new card has a picture on it, it has robust features. It's a step above

any fraud."

Those robust features, according to MPI, would include highly secure one-piece card construction, laser engraved photo and signature which can't be altered without damaging the card, embedded patterns, which are difficult to counterfeit, as well as photo ID for quick and easy verification of cardholder by health service providers.

MPI said it anticipates that prescription drug abuse could be curbed in the event a card is stolen and misused.

MPI added no personal health information would be shared within its walls while also saying no driver licensing information would be shared with Manitoba Health.

The new piece of identification, meanwhile, would make it so those without residence would be able to get a piece of photo ID, free.

Seniors aged 65 and up as well as qualifying low-income and homeless individuals would be able to get a card at no charge, allowing those most vulnerable to access vital health care.

MPI just finished up an eight-town tour where they set up displays and asked for the public's feedback on the new proposal.

Smiley said MPI hopes to be able to forward that information to the government in November. He also said the feedback, so far, has been nothing short of positive.

"I've been to four locations now and the feedback has been extremely positive," he said. "People like the idea of having one card, eliminating the health card. There's no photo on that card, it's not a piece of ID you can really use."

Those looking for more information on the card, or to leave feedback, can visit mpi.mb.ca.

Factors to consider before selling your home

Selling a home is no small undertaking. It often pays to be patient when putting a property up for sale, but waiting for an acceptable offer can be stressful, especially for those homeowners who have already found their next homes.

Because so much tends to be riding on the decision of whether or not to sell a home, homeowners would be wise to consider the following factors before putting that "For Sale" sign in their front yards.

· **Motivation:** Many homeowners sell their homes because their families are growing and they have outgrown their current residences. Others may recognize a seller's real estate market and want to strike while the iron is hot, while still others might be moving for a new job. The factors that motivate homeowners to sell their homes vary with each individual

case, but prospective sellers should keep in mind that moving can be expensive, and finding a new home may not be so easy, nor is the grass necessarily greener on the other side. When deciding if now is the best time to sell your home, make sure you will be selling for the right reason. That can make the often trying process of selling a home a lot easier to handle.

· **Market:** The local real estate market is another factor to consider when deciding whether or not to sell your home. A home is a significant investment, and you want to earn as substantial a return on that investment as possible. Selling when the market is struggling will make your investment less valuable. Research recently sold homes in your neighborhood

Get your home fall- and winter-ready with 5 simple projects

If boots, a warm hat and a tuned-up snow blower are the only items on your winter preparation list, your home maintenance plan may need a makeover. These simple home maintenance projects can help lower your energy bills, prevent more costly repairs and/or increase the lifespan of your home.

1. Heating & Ventilation - Examine your fireplace and chimney system to ensure that no soot or creosote has collected. Any cracks or voids could potentially cause a fire. Before you turn the furnace or boiler on, replace the air filter and hire a professional to inspect the unit more thoroughly. These steps will improve the efficiency and life of your furnace and will ensure stable indoor air quality.

2. Seal Windows and Doors - If not properly sealed, windows and doors can be a major cul-

prit for heat loss. To keep the warm air inside, inspect the weather-stripping around your home's windows and doors for leaks, rot or decay. Repair or replace structural framing, and caulk inside and out, if necessary.

3. Insulate well - One of the easiest and most effective defenses against heat loss is proper insulation. Prevent cold drafts from entering and the loss of heated air through basement headers, which, when left exposed, can make your furnace work harder. Look for a moisture-resistant product offering high thermal performance. All that's needed is a serrated blade or bread knife. Cut the batt to fit the cavity and press into place. The insulation will help improve energy efficiency as soon as it's in place and provide savings over

Continued from page 20

the lifetime of your home. Comfort batt insulation can also be used to top or replace old attic insulation. Aim for an R-50 or a depth of 16 inches.

4. Backyard Care - Save your property from potential damage by trimming overgrown trees and shrubs to prevent ice-laden branches from thrashing against electrical wires and your home's exterior. Drain/shut off any exterior faucets and sprinkler systems to prevent freezing. Ensure rain or snow drains away from the house to avoid foundation problems.

5. Roof and Gutters - Inspect your roof for shingles that are warped, damaged or even missing to prevent a future leak. Use roofing cement and a caulking gun to seal joints where water could penetrate, such as around the chimney, skylights or vent pipes. Make sure that your

gutters and downspouts are securely fastened. Downspouts should extend at least five feet away from the home to prevent flooding.

When it comes to preventative

maintenance, a little time and effort can save thousands in energy costs and repair bills over the lifetime of your home.

HOUSES APARTMENTS CONDOS COTTAGES RETIREMENT FINANCING IMPROVEMENTS INSURANCE

> BEFORE SELLING YOUR HOME, FROM PG. 19

to get an idea of how much you can expect to get if you sold your home in the current market. It might be worth it to sell now, or it might pay off to be patient and wait until the market rebounds. • Kids: Selling your home will impact your family just like it will impact your bottom line. Unless you plan to move down the street or to another home in your community, selling may

mean you and your family no longer see your friends and neighbors. That can be a difficult adjustment, especially for school-aged kids who will have to adjust to a new school. The potentially negative impact that selling can have on your children may not be worth the financial benefits of selling, so the decision of whether or not to sell should not be taken lightly by

homeowners who also happen to be parents.

• Quality of life: It can be difficult to turn down an opportunity to make a lot of money on your real estate investment. But if you plan to sell and move further away from your office and your friends and family, the financial windfall you earn when selling your home may not be worth the sacrifices you have to make in order to earn that money. Studies have shown that

longer commutes can elevate stress levels, and even the most affordable property may not be worth moving to if you won't be able to enjoy the home with your friends and family.

When deciding whether or not to sell their homes, many homeowners make the decision a strictly financial one. Find the most qualified real estate agent in your area to make the selling process as smooth and stress free as possible.

-
- A line of white box trucks is parked along a paved road. The truck in the foreground has vibrant graffiti on its side, including the letters 'NY' in yellow and red. A single orange traffic cone is placed on the road in front of it. Further down the road, another truck has its rear door open, and a person is visible inside. The scene is set against a backdrop of lush green trees and a clear blue sky. A curved street lamp is visible on the left side of the road.

The launch of this program comes on the heels of a marked increase in visitors to the province this summer, Lemieux said. According to Travel Manitoba, there was a 50 per cent increase in border crossing into the province during the month of June. Meanwhile, the Canadian Museum of Human Rights saw a 30 per cent increase in visits while more than 195,000 people visited the Assiniboine Park Zoo.

> MEAL IDEAS

Ingredients

1 Smithfield Garlic & Herb Seasoned Pork Loin Filet, cut into 3/4-inch thick slices
1 tablespoon olive oil
1 large cooking apple (like Rome or Granny Smith), cored and thinly sliced
1 small sweet yellow onion, thinly sliced
1 teaspoon apple pie spice or cinnamon
1 cup apple juice
Preparation

Sweet and Spicy Pork Mini-Kabobs

Ingredients

1 Smithfield Peppercorn & Garlic Seasoned Pork Sirloin Roast, cut into 32 (1-inch) cubes
2 large red bell peppers, cut into 16 (1-inch) pieces
1/2 ripe pineapple, peeled, cored and cut into 16 (1-inch) cubes
16 (6-inch) bamboo skewers, soaked in water for 30 minutes, drained
2/3 cup honey
2 tablespoons balsamic vinegar
2 teaspoons Caribbean jerk seasoning blend or other spicy seasoning blend
Preparation

1. Heat broiler with rack about 8 inches from heat source.
2. Thread 2 pieces of pork, 1 red pepper piece and 1 pineapple cube onto each skewer. Wrap exposed end of each skewer with foil to discourage scorching.
3. Mix honey, vinegar and jerk seasoning together for glaze.
4. Broil kabobs, turning occasionally, until pork is done, about 8 minutes.

THE
Marketplace
AT STONEWALL 467-8469

Garlic Herb Pork Medallions with Apples

1. In large skillet, saute pork slices in oil over medium-high heat until browned. Remove from skillet and keep warm.
2. Add apple, onion and apple pie spice to skillet; saute over medium-high heat until onions are tender.
3. Return pork to skillet; add apple juice. Cover and simmer until internal temperature of pork reaches 150°F, about 5 minutes.

Preparation Time 10 minutes
Cook Time 15 minutes
Serves 6

Generously brush kabobs with honey glaze during last 2 to 3 minutes.

Preparation Time 15 minutes
Cook Time 8 minutes
Serves 16 kabobs

Grilled Herb Potatoes

Ingredients
2 1/2 pounds medium red Wisconsin potatoes, cut in 1/4-inch-thick slices
2 medium shallots, thinly sliced
2 tablespoons olive oil
2 teaspoons minced fresh thyme or 1/2 teaspoon dried thyme leaves
1 teaspoon salt
1/4 teaspoon coarsely ground black pepper
1/2 cup loosely packed fresh parsley, chopped

Preparation
In large bowl, toss all ingredients except parsley until potatoes are evenly coated. Wrap potato mixture in foil packet.
Place packet on grill over medium heat and cook 30 minutes or until potatoes are fork-tender, turning packet over halfway through grilling.
Sprinkle with parsley before serving.
Serves
Makes 6 servings

Grilled corn and tomato salad

Vinaigrette
1/2 tsp (2 mL) ground cumin
1/2 tsp (2 mL) ground coriander
1 1/2 tbsp (22 mL) canola oil
2 tbsp (25 mL) lime juice
1 tsp (5 mL) lime zest
1 garlic clove, minced
Salad
2 ears corn on the cob, shucked and grilled*
2 cups (500 mL) cherry tomatoes cut in half

Whole-Grain Apple Crumb Muffins

12 to 15 servings
INGREDIENTS
For the topping
2 tablespoons packed light brown sugar
1/3 cup finely chopped pecans
2 tablespoons whole-wheat pastry flour
1 tablespoon canola oil
1/2 teaspoon ground cinnamon
For the muffins
2 cups whole-wheat pastry flour
2 teaspoons baking powder
1/4 teaspoon baking soda
1/2 teaspoon salt
1/2 teaspoon ground cinnamon
1/4 teaspoon freshly grated nutmeg

1/8 red onion, thinly sliced
1/3 cup (75 mL) Kalamata olives whole and pitted
1 head leaf lettuce, shredded
3 hard-boiled eggs, quartered
Directions

In a small bowl, whisk together cumin, coriander, canola oil, lime juice, zest and garlic. Set aside.

In large bowl, gently combine corn, tomatoes, onion, olives and vinaigrette.

Divide lettuce among four plates, top with salad and garnish with egg. *You can replace the fresh shucked and grilled corn with 1 cup (250 mL) frozen or low sodium canned corn.

West St. Paul firemen flush Selkirk at Guns vs. Hoses

By Austin Grabish

A crew from West St. Paul Fire Department were crowned the winners of the 2015 Guns vs. Hoses fitness competition in Selkirk on Saturday, and even though their win was an upset, everyone left the event knowing it was for a good cause.

It's the first time the Selkirk Fire Department hasn't taken home the Guns vs. Hoses trophy since the event started in 2013.

Finishing the competition with an overall time of 11 minutes and 51 seconds, West St. Paul firefighters said it felt good to win, especially after months of practice.

"We tried pretty hard, we were hoping for a victory," West St. Paul fireman Robert Benzelock said.

"We train specifically for this," added Mike Beaudry.

But for Kyle Small, the hardest part of the competition was the tractor tire flip.

Participants had to flip a tractor tire 10 times before breaking open a door, dragging a dummy, jumping on a sledgehammer sled, and regrouping as a team to pull a fire truck.

"It's just a heavy tire," Small said.

The competition started at 10 a.m. and went past noon. The morning started out a little cool, but it didn't take long for the pavement to warm up.

Paramedics from across the Interlake, firemen, and police officers all took part in this year's competition.

Organizer Leif Svendsen said the event was a success and noted how it's expanded to include multiple teams in just three years.

"It was (just) a little challenge between our department(s)," Svendsen said referring to back when it started in 2013.

The West St. Paul Fire Department said it would be donating all of the proceeds from Saturday's competi-

St. Clements teen shines at rodeo finals in Carman

By Lindsey Enns

A love of horses has led to a successful rodeo career for one St. Clements teen.

Seventeen-year-old Taylor Bean has been competing with her horses Raven and Edge for the past four years and recently took home the season leader award for junior barrels at the Heartland Rodeo Association Finals in Carman.

"I can't explain how awesome the bond is that I have between my two horses," Bean said. "The level of trust I have to have between them, a 1,200 pound animal that has a body that can kill me no problem, I have to put 100 per cent of my trust into them."

Bean also took home finals champ during the rodeo association finals in Carman on Sept. 12 and 13 and other competitors named her horse, Edge, horse of the year for junior barrels.

"I don't breathe for how many seconds it takes for her to do her run but I'm super proud of her," Taylor's mother Janice said. "She's worked

RECORD PHOTOS SUBMITTED

Taylor Bean of St. Clements rides her horse Edge during the Heartland Rodeo Association Finals in Carman earlier this month. The 17-year-old took home three awards at the finals on Sept. 12 and 13.

so hard."

Bean said she plans to continue com-

peting while finishing her final year of high school at the Comp.

She said her favourite part of competing is the rodeo family she's come to know over the years.

"Everyone is so supportive and people you don't even know give you compliments," she said. "That's the best part about competing."

Ovarian cancer walk raises over \$97K

RECORD PHOTO SUBMITTED

Crystal Reiter of Selkirk, pictured centre, gears up for the start of the Walk of Hope at Winnipeg's Kildonan Park on Sept. 13. Reiter was named the face of this year's Winnipeg ovarian cancer walk which saw more than 650 ovarian cancer survivors, family, friends and volunteers come together to help raise funds for ovarian cancer research, education and patient support programs in Canada. Preliminary fundraising totals for this year's walk have reached more than \$97,000 with more donations still being tallied, according to organizers.

2015 federal election

NDP candidate sets up shop in Selkirk

Starodub looking to improve offensive numbers this season

By Brian Bowman

Dallas Starodub has experienced quite a bit in his three years in the Manitoba Junior Hockey League with the Selkirk Steelers.

He was part of the Steelers' team in 2012-13 that lost 14 games in a row and missed the playoffs. The next season, he was a member of the Steelers' squad that posted an incredible 49-4-0-3 record during the regular season – which included a franchise record 20 consecutive victories – but then was upset by the eventual-champion Winnipeg Blues in the playoffs.

When you enter the MJHL as a talented 16 year old, a player is going to have plenty of ups and downs in his junior career. Starodub admitted it was tough making his mark early in his MJHL career at such a young age.

"You definitely have to earn your respect," said Starodub, 19, last Thursday afternoon. "Most guys start out 17, 18, so when they see a 16 year old, it's not like they take runs at you, but they're going to give you a harder time than a 17 year old because you're so young."

Starodub is a local player and a fan favourite in Selkirk. He raved about being able to play junior hockey in his hometown.

"I love playing in town, people are always talking to you and you know everyone," said Starodub, who played Bantam "AAA" hockey with the Winnipeg Hawks. "It's awesome (playing here)...and little kids will come up to you and say, 'Hey, that's Dallas.'"

"Playing for the fans is one of the biggest reasons I like playing here."

Starodub has always been a solid, hard-nosed player who isn't afraid to take the body or drop the gloves. He had five fights in his rookie season and three more last year.

But he also has an offensive side to his game. After scoring four goals in his rookie year with limited ice time, Starobub then netted 13 and 18 goals in his next two seasons.

His numbers expect to go up even further this season.

"As a 19 year old, you want to try to get a scholarship if you can," said the veteran forward. "I'm look-

RECORD FILE PHOTO

Selkirk's Dallas Starodub is looking to have a big offensive season with the Steelers.

ing to double my goals, get 30 at least, and maybe 60 points. I would like to get a point a game if I can."

Starodub has noticed a size difference with Steel-er players in training camp this season. He likes the talent he has seen on the ice so far and expects this year's team to be a competitive one.

"This team is obviously not as good as we were two years ago but the league, in general, is not as good," Starodub said. "To be honest with you, we're

looking pretty good. Our young guys have come in and really stepped up."

Starodub expects this Steelers' squad to be even better in his final year of junior hockey next season.

"Looking at our team this year, we have so many young guys, lots of 19 year olds, so if we don't win this year, then we have a very, very good chance (to win it all) next year," he predicted.

Steelers shutout Winkler to wrap up preseason

By Brian Bowman

The Selkirk Steelers may have waited until the final preseason game to earn a victory, but at least they picked one up.

Selkirk will be headed into this Friday's home opener against the Winnipeg Blues on a bit of a high after a solid 3-0 victory over the Winkler Flyers on Sunday afternoon at the Selkirk Rec Complex.

Adam Wowryk, Tyler Edwards, and Dexter Kuczek each had a goal and an assist for the Steelers while Alex Burke earned the shutout.

Last Friday, the Steelers were stopped 7-4 by Steinbach in Beausejour.

After Brady Castellano gave Selkirk a 1-0 lead just 42 seconds into the first period, Steinbach roared back to score four goals in an 8:59 span.

Brad Schoonbaert, a very good Midget "AAA" player with Brandon last season, tied the score at 1-1 and then Scott Petkau and Daniel Taillefer, with a pair, tallied to stake the Pistons to a 4-1 lead.

One of Taillefer's goals was on the power play and then he completed his hat trick with another goal with the man advantage as he struck midway in the second.

Selkirk's Tyler Meixner scored late in the middle frame and then Ty Kraus pulled the Steelers to

within a goal at 12:52 of the third.

But that would be as close as the Steelers would get, however, as the Pistons' Tyler Penner and James Shearer tallied late in the third.

Steinbach outshot Selkirk 33-16, including 10-2 in the third period.

The Steelers will now put the preseason behind them as they open their regular season this Friday (7:30 p.m.) against the Blues. Selkirk will then hook up with Winnipeg on Saturday (7 p.m.) at the MTS Iceplex.

Thunder PeeWees get bucked

RECORD PHOTO BY LANA MEIER

The Thunder's Tyson Wryha (59) of Lockport runs with the ball in PeeWee action against the St. Vital Mustangs last Saturday.

Thunder Atoms keep on rolling to wins

By Brian Bowman

The Interlake Thunder Atom team continues to play good football – and the wins keep piling up – after a convincing 49-14 victory over the North Winnipeg Nomads on Saturday in Stonewall.

“The boys started out a little rocky on defence (as) the Nomads had some Atom boys that were bigger than most men,” said Thunder head coach Darcy Gascoigne in an email. “But once the Thunder defence concentrated on good tackling technique, led by cornerback, Aiden Miller, they found they were able to bring down the big guys and use their athletic ability to get into position to make tackles.”

Offensively, the Thunder moved the ball well as quarterback Brett Gascoigne and running backs Lucas Kmet and Jackson Doak each ran the ball effectively.

Interlake scored 49 points despite having two touchdowns called back for holding penalties.

The special teams also played well with Marshal Kitely recovering two consecutive kickoffs. Right guard Myles Snell had an amazing game, blocking a defensive lineman at least three times his size, according to Darcy Gascoigne.

The Thunder (5-1) will play this Saturday at 10 a.m. in Fort Garry against the Lions.

“The Lions are another top team in our division, (so) this should be a good contest,” Darcy Gascoigne predicted.

In Bantam action, Interlake cruised to a 33-3 victory over Corydon/Charleswood. The Thunder Bantams will play at the Transcona Nationals this Saturday (9 a.m.) while the Interlake Cruncher team will visit Transcona at 4:30 p.m.

After a much-needed bye, the Midget Thunder will battle the Mustangs at St. Vital. Kickoff is 7 p.m.

Royals reach finals of Wesmen Invitational

By Brian Bowman

The Wesmen Invitational varsity boys' volleyball tournament attracted 23 teams to the University of Winnipeg campus last weekend.

And the Selkirk Royals were one of two teams playing for the title at the end.

"There were lots of top teams, good competition, and it seemed like no one cruised through and ran the table," said Royals' head coach Jeff Scarcello. "Teams were beating each other...and we lost a number of games to get (to the final).

"It was a tough tournament and a lot of good teams."

Selkirk was defeated 2-1 by the Miles Mac Buckeyes in the championship game. The Royals played very well, winning the first set 26-24 (after being down 23-22) but then dropped the next two sets by scores of 25-18 and 15-9.

"We were up and down all weekend," Scarcello noted. "We would play outstanding, keeping the ball under control, no errors, and then the next set we would be quite a different team."

The Royals may have been inconsistent last weekend, but they don't expect to be come December. Scarcello feels that the Royals can attain their goal of reaching the MHSAA "AAAA" Final Four at the University of Manitoba when snow is on the ground.

"Our Grade 11 group is very strong," Scarcello said. "We have some guys that have really stepped in and have played key roles. They're already showing value to this team and we're going to be good again."

KPAC, as it is every year, will also be good. Selkirk will be in Tier 1 along

with Garden City, Miles Mac and MBCI this season. The Royals played all three teams at the Wesmen Invitational tournament.

This weekend, Selkirk will be chalking up the Air Miles as they head east to compete in an elite tournament in Waterloo, Ont. The tournament has attracted 24 teams and many of them are top clubs from across eastern Canada.

"We're expecting top-level competition in every game," Scarcello predicted. "It should be fun."

Selkirk FC wraps up regular season

By Brian Bowman

With Selkirk FC's 5-2 road loss to Pescara to end their regular season on Sept. 14, it brought the end of the home team's run in the Manitoba Major Soccer League's 1st Division.

But they hope it won't be their last.

After just one season competing in the MMSL's 1st Division, Selkirk FC found themselves relegated to the 2nd Division next year after posting a 4-11-1 record. That was good for 13 points – and eighth place – in the very competitive nine-team division, just a point behind the Britannia Rovers.

Britannia's 4-10-2 record was good enough to narrowly keep them in the same division for next season.

"Considering how we finished in 2014, I'm going to say it was a bad thing (to be relegated)," said Selkirk FC head coach Michael Bruenig Monday afternoon. "The guys were really hoping to finish in the middle of the pack this year or better."

Selkirk FC was definitely much better than their record indicated this past season. They lost eight games by just one goal and were outscored by a slim 34-23 margin during the season.

"In those games, our execution didn't match our effort," Bruenig said. "We gave away points, lost points that

hurt us in the end, and as a team we had trouble finishing."

Bruenig said the 1ST Division is filled with elite players and teams. There were no visible weak links on any team in their division.

"In Division 2, you can really spot the weaker teams," he noted. "And you can really tell who the weak players are."

Bruenig said being in Division 1 gave several of his players – keeper Brett Preun, striker Jordan Bruenig, Chris Szukiewicz and Tanner Markevich – exposure playing in the Premier Division this past season.

The players suited up for multiple games for teams in the Admiral Premier Division (Winnipeg Juventus FC, Germania FC, and NKMB Saints).

"It was definitely rewarding that Selkirk FC players made some real noise in Premier games scoring goals, some game winners, and making some impressive saves en route to shutouts," Michael Bruenig said proudly.

Also, Selkirk FC captain Sean Leggett was loaned to Galacticos FC for this past summer's MSA Masters Tournament. Galacticos FC – and Leggett – will be representing Manitoba at the Canadian Master's Tournament in Vancouver this weekend.

Royals reach finals of Brandon tourney

By Brian Bowman

The Selkirk Royals varsity girls' volleyball team is off to a fantastic start to their season.

After winning their season-opening tournament at the University of Winnipeg two weekends ago, Selkirk almost made it two tournament titles in a row after reaching the finals of the Crocus Top 8 Debate tournament in Brandon last weekend.

The St. Mary's Academy Flames defeated Selkirk 2-0 by scores of 25-22 and 25-18 in the championship

match.

The Royals reached the finals after defeating the Killarney Raiders 2-0 (25-13, 25-17) and the Vincent Massey Vikings from Brandon 2-0 (25-19, 25-15) in a pair of playoff games.

In pool play, Selkirk was a perfect 3-0 in matches and 6-0 in sets. The Royals swept Brandon's Crocus Plains Plainsmen (25-15, 26-24), the Miles Macdonell Buckeyes (25-23, 25-14) and the Portage Collegiate Institute Saints (25-15, 25-21).

Fishermen drop pair of preseason games

By Brian Bowman

The Selkirk Fishermen began their Keystone Junior Hockey League preseason with a pair of losses last week. Selkirk started its preseason Sept. 15 with a 5-3 road loss to the North Winnipeg Satellites and then the Fishermen were edged 6-5 in a shootout at home by the St. Malo Warriors on Sunday evening.

After a scoreless first period, St. Malo grabbed a 3-2 lead after 40 minutes.

Milan Horanski scored twice for Selkirk while Auzzie Loewen, Scott Thomas, and Karl Fey also tallied for the home side.

Riley Hunter had a hat trick for the Warriors while Jared Magne (two) and Robert Guimont also scored.

The Fishermen played the Arborg Ice Dawgs in Gimli this past Tuesday but no score was available at press time. Selkirk will then host Arborg on Sunday at the Selkirk Rec Complex. Game time is 7:30 p.m.

RECORD PHOTO BY BRETT MITCHELL

Selkirk Fishermen's Milan Horanski scored twice in a 6-5 shootout loss to the St. Malo Warriors.

Arnt awesome at KPAC cross-country meet

By Brian Bowman

The Selkirk Royals had several good performances at the first KPAC cross-country meet of season last Thursday at Kildonan Park in Winnipeg.

Taylor Arnt was fantastic in the varsity girls' race, finishing first overall with an impressive time of 7:08. That was a full 13 seconds ahead of Garden City's Katelyn Lourenco.

The other Royal runners in the race

featured Tiffany Addison (16th, 8:18), Bronwyn Neufeld (19th, 8:24), Courtney Sorokopud-Jones (25th, 8:38), Natara Scobbie (32nd, 9:00), Elly Martin (34th, 9:03), Richelle Reicksiedler (35th, 9:10), Taylor Emery (36th, 9:19), and Jillian Tompkins (47th, 10:11).

As a team, Selkirk finished fourth out of six schools with 80 points.

On the varsity boys' side, Selkirk's Tristan Allen placed third with a time

of 14:13. That was ahead of Royal teammates Jake Sternat (16th, 16:11), Brandon Makowsky (17th, 16:17), and Gabriel Serza Maia (37th, 26:33).

In the junior varsity girls' race, Selkirk's Charlotte Wilmott placed fourth with a time of 7:58. That was just a second faster than teammate Rene Partyka.

The Royals' Marley Peterson was 16th with a time of 10:27.

The junior varsity boys' race saw Selkirk's Logan Scott place seventh after crossing the finish line in 16:19. That was ahead of teammate Timothy Juvonen (13th, 18:02).

The second KPAC cross-country meet of the season will be run today at Kildonan Park. The third race will be held at Birds Hill Park on Oct. 1 (noon).

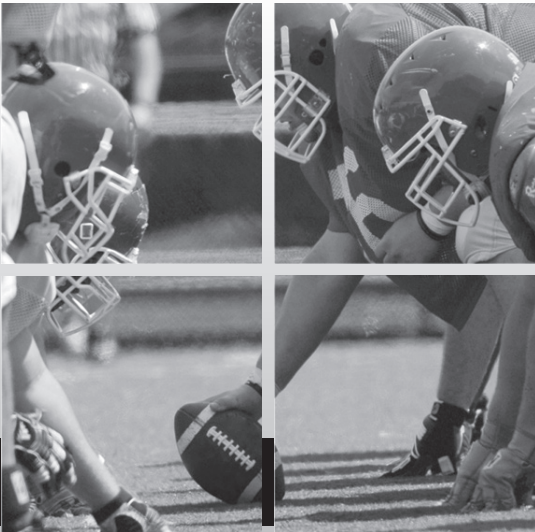

A fast, fun means of raising funds for clubs, associations and groups is a GREY CUP POOL.

ANNOUNCEMENTS

CARD OF THANKS

We would like to sincerely thank the Good Samaritan for your random act of kindness in paying for our elder's meals at Smitty's Family Restaurant on July 28, 2015. Your kindness does not go unrecognized. Our elders are very gracious of your hospitality.

-Thank you
from the elders at
Tudor House Personal Care Home

ANNOUNCEMENTS

BIRTHDAY

Happy 65th Birthday and Happy Retirement to Val Sigurdson

A truly wonderful person

Auntie Val is a very kind, thoughtful young woman that knows how to be strong and independent when she needs to be. She is well known for working in Home Care for 28 years, dedicated, and compassionate, with all the clients she worked with. Val is great at what she does and is very much admired for it.

May your smile get brighter
with each passing year.

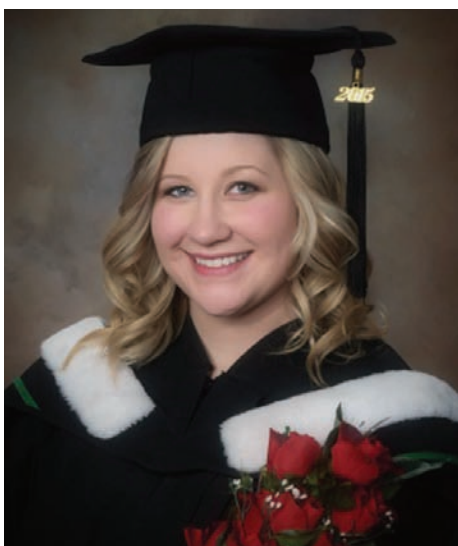

Wishing you a lot of surprises and
happiness on your 65th Birthday

Love ya!

-Rhonda, Mike, Chris and Shawn

ANNOUNCEMENTS

GRADUATION

Congratulations Ashlee
on graduating from University of Manitoba
with an Advanced Bachelors Degree
of Psychology

-Love Grannie

ANNOUNCEMENTS

IN MEMORIAM

Stan Krut

September 27, 1999

Never more than a thought away,
Quietly remembered every day.
In our hearts your memory is kept,
To have, to cherish to never forget.
Forever remembered, always loved

-Debbie and family

ANNOUNCEMENTS

IN MEMORIAM

Collin Fryza

March 29, 1993 - September 25, 2010

There wasn't time to say Good Bye,
The day you went away;
You left us so suddenly,
Five years ago today.
We think of you in silence,
We often speak your name;
But all we have are memories,
And a picture in a frame.
A thousand prayers won't bring you back,
We know because we tried;
And neither will a million tears,
We know because we've cried.
To us you were so special,
What more can we say;
Except to wish with all our hearts,
That you were here today.

-Love Mom, Dad, Amber, Amma, and Auntie

ANNOUNCEMENTS

IN MEMORIAM

Stanley Krut

September 27, 1999

Thinking of you Dad,
But that is nothing new;
I thought about you yesterday,
And the day before that too.
I'll think about you tomorrow,
And as the years come and go;
I'll think about you forever,
Because I loved you so.

-Forever remembered and loved,
Joannie

ANNOUNCEMENTS

IN MEMORIAM

Goldie Lynn Ann Maliszewsky
(nee Fewchuk)

December 11, 1957 - September 24, 2014
In loving memory of our dear wife and mother
Who passed away September 24, 2014

Dear God,
Put your arms around her,
And hold her in Your tender care;
Make up for all she suffered,
And all she had to bear.
She went through so much in silence,
Her spirits didn't bend,
Until the very end.
It broke our hearts to lose her,
But she didn't go alone;
For part of us went with her,
The day You called her home.
We love you and miss you dearly.

-Your loving husband, Gerald,
sons, Kyle and Justin

ANNOUNCEMENTS

IN MEMORIAM

Goldie Lynn Ann Maliszewsky
(nee Fewchuk)
In loving memory of our dear
daughter, sister and sister-in-law
who passed away
September 24, 2014

It isn't what we write,
Or even what we say;
It's what we feel within our hearts,
As we think of you today.
A thousand prayers won't bring you back,
We know because we've tried;
And neither will a million tears,
We know because we've cried.
To us you were so special,
What more is there to say;
Except to wish within our hearts,
That you were here today.
In tears we saw you fighting,
We watched you fade away;
You suffered much in silence,
You fought so hard to stay.
You faced your task with courage,
Your spirit did not bend;
But still you kept on fighting,
Until the very end.
God saw you getting tired,
When a cure was not to be;
So He put His arms around you,
And whispered "Come with Me".
So when we saw you sleeping,
So peacefully, free from pain;
We could not wish you back again,
To suffer that again.

-Lovingly remembered and sadly missed,
Dad, Mom, Neil and Gail

ANNOUNCEMENTS

IN MEMORIAM

Pamela Lee Pruden
September 22, 1966 – March 6, 2014

Beloved mother, daughter, and sister
Oh Pam, what we wouldn't give
To have you back.
We should be celebrating your
Birthday together.
It's just so wrong that we are
Here without you.
Our hearts are broken.

-Forever missing you, loving you always
son, James; Mom and Dad (Penny and Tom);
brother and sisters

ANNOUNCEMENTS

IN MEMORIAM

Schenker, Bill
January 27, 1921 – September 25, 2005
Schenker, Sophie
June 15, 1927 – September 22, 2011

Every day in some small way,
Memories of you come our way.
Though absent, you are always near,
Still missed, loved, and always dear!
-Loving and remembering you both always,
son, Walter (Barb); granddaughter, Lisa (Rod);
grandson, Jeff (Jodi) and great-grandchildren
Ramey, Randy, Rayley, Jacob and Samara

OBITUARY

Albert A. Hawryluk

July 28, 1933 to September 9, 2015

He is survived by his loving companion of 14 years, Rose Franklin.

Albert passed away in the Selkirk Hospital eight weeks after falling in his home.

His last day before going into hospital was enjoyed doing what he loved, having a great evening of cards and conversation with Rose and special friends. During the last 14 years, there had been many changes for Albert, but steadfast was his weekly card games in East St. Paul, Winnipeg, Selkirk, Beausejour and Garson. It was not unusual for Albert and Mom to be on the road four or five days a week visiting friends and getting their card fix. Their bond was unbreakable and if you saw them together you immediately

understood why.

Albert was a volunteer driver for Cancer Care for a number of years during his retirement and was active in the community right up to his hospitalization. He always said that he was so happy to have met so many decent people in the later part of his life and now we know what he meant. He was an avid lottery fan and was always hopeful that the big one was right around the corner and he was a very lucky winner, albeit small amounts. You could say that this was his life philosophy, he was hopeful, but was always satisfied with what life brought him.

Rose will be planning a celebration of his life, for his friends in the near future, and will notify people/organizations with further details.
