# Biz awards help honour local businesses, entrepreneurs

By Lindsey Enns

Plenty of smiles, laughs and even a few tears were shed during the seventh annual Selkirk Biz Business Awards last Thursday evening.

A total of 10 awards were handed out to local and area entrepreneurs and businesses during the annual awards evening held at the Selkirk Golf and Country Club.

Among this year's award winners was Hawthorn Estates, which is run by Robert Belanger and his wife Tammy. The wedding and event venue, located in St. Clements, earned the Business of the Year as well as the Branding and Marketing awards. Robert said deciding to rebuild the venue after their barn burned down in 2015 was a difficult decision, but they had lots of support.

"We thought we were done," he said. "If it wasn't for the support from family and friends and from the wedding industry as a whole we wouldn't have continued our journey."

The venue, which reopened in March, has already hosted dozens of weddings and they are now booking into 2020. Tammy said she's grateful for all of the support they've received.

"These people are spending one of the most important days of their life with us, what an honour," she said, holding back tears.

Robert, a retired conservation officer, said they haven't slept well since the fire and it's had a real impact on

RECORD PHOTO BY LINDSEY ENNS

Winners of the seventh annual Selkirk Biz Business Awards were grinning from ear-to-ear following the annual awards evening at the Selkirk Golf and Country Club last Thursday.

their family.

"This has affected us. But I think where we are today ... it's just exciting," he said. "We love what we do."

Selkirk Transit also received the Customer Service Award, Rosanna Sternat of Sternat and Associates received the Women Entrepreneur of the Year Award as well as the Business Philanthropist of the Year Award, and Harry's Foods earned the Inclusive Employment Award.

"To my fellow business owners, I say this, not every company or business can accommodate a person with in-

tellectual disabilities but I urge you to consider the many opportunities that could be available," said Stan Halbesma, the owner of Harry's Foods in St. Andrews. "Think outside the box, reevaluate job descriptions or even create a new position. Give them a chance to prove to you that they can enhance your customer experience with the friendliness and enthusiasm they can bring."

Snak Shak was also awarded the Beauti-Tone Visual Improvement Award. The Selkirk restaurant's owner, Shawna Witko, said she's dreamed of owning her own business since she was a little girl.

"That dream came true 19 years ago," Witko said while receiving the Snak Shak's award. "I'm incredibly thankful to all of my wonderful customers who have continued to come and support Snak Shak."

Selkirk's Bella Ragazza Boutique was also named New Business of the Year. Owner Jeanie Webb says her af-

## Seventh annual business award winners

A total of 10 awards were handed out during last Thursday evening's seventh annual Selkirk Biz Awards. This year's winners include:

- Business of the Year: Hawthorn Estates
- New Business of the Year: Bella Ragazza Boutique
- Beauti-Tone Visual Improvement: Snak Shak
- Branding and Marketing: Hawthorn Estates
- Business Philanthropist of the Year: Rosanna Sternat, Sternat & Associates
- Farm Family of the Year: Westphalia Farms
- Woman Entrepreneur of the Year: Rosanna Sternat, Sternat & Associates
- Community Spirit: Selkirk Community Renewal Corporation
- Customer Service: Selkirk Transit
- Inclusive Employment: Harry's Foods

fordable lingerie and swim wear shop serves "a real need" in the community and surrounding areas.

"This community is just so great," Webb said. "I feel like ... my customers

are my close friends and I don't think I would have that experience in the City of Winnipeg or a bigger city."

This year a total of 33 businesses and entrepreneurs were nominated for awards. Selkirk Biz said they received a record number of 240 nomination entries this year.

Selkirk Biz, the area's Chamber of Commerce, represents more than 200 businesses from St. Andrews, St. Clements, West St. Paul and the City of Selkirk. For more information, visit [selkirkbiz.ca](http://selkirkbiz.ca).

# LSSD looks to raise awareness during School Bus Safety Week

By Lindsey Enns

Some local motorists still aren't following the rules when it comes to safely sharing the road with school buses, according to the Lord Selkirk School Division (LSSD).

Last year, the LSSD launched a new campaign to help fuel changes when it comes to drivers illegally passing school buses. The goal behind the "Think of Us on the Bus" campaign is to enhance safety for both students and school bus drivers while addressing the problem of drivers passing school buses when their red lights and stop signs are activated.

Last year, LSSD bus drivers recorded approximately 60 violations against school buses and so far this school year alone they have captured 40 instances.

"The key thing for us here is we take no pleasure in capturing this data," said Alan Campbell, supervisor of transportation for the LSSD. "We hope these instances will go down."

Campbell said several of these violations are taking place on Highway 9 between St. Andrews and Selkirk, between Clandeboye and Selkirk as well as along Highway 8.

This week is School Bus Safety Week and Campbell said they are hoping to raise more awareness about bus safety. He added it's important for drivers

RECORD PHOTO BY BRETT MITCHELL

A Lord Selkirk School Division school bus is parked outside of Shoppers Drug Mart to help kick off School Bus Safety Week in Selkirk on Monday.

to follow the rules when it comes to sharing the road with school buses.

"We identify that school buses often cause confusion," he said. "We really want to try to make some of those things clear."

Campbell said bus drivers in Manitoba are trained to veer to the right when they are stopped to prevent vehicles from passing them on the shoulder.

According to Manitoba Public Insurance, flashing yellow lights on a school bus indicate that the bus is getting ready to stop, which means that drivers need to slow down and

get ready to stop. It is illegal to pass a school bus from either direction once it has stopped and has its lights activated unless there is a physical barrier, such as a median, between your vehicle and the bus.

Flashing red lights indicate that the bus has stopped and that children are either getting on or off. As soon as the bus driver turns on the flashing red lights, drivers coming from both directions must immediately stop at least five metres from the bus and remain stopped until the lights stop flashing, the stop arm folds away and the bus begins to move. For more in-

formation, visit [mpi.mb.ca](http://mpi.mb.ca).

Campbell said by the end of this school year, 40 per cent of their buses will be equipped with stop arm cameras, which will help provide video evidence for the RCMP to use while issuing tickets. Failing to stop for a bus that has its red lights flashing and stop arm extended can carry a \$672 fine and two demerit points.

"The whole point in having traffic stopped is because we don't want anyone to get struck by a vehicle," Campbell said.

Each school day, the LSSD transports more than 2,500 students to and from school and their buses run more than 5,200 kilometres each day.

"We cover a huge area here and we have one of the best safety records in the province," Campbell said. "We're very proud of the work that we do."

The LSSD also launched the SafeStop mobile app last year, which is free and gives real-time updates on your bus as it travels to and from school. Information is updated every 30 seconds so you can plan to be at the bus stop before it arrives. Campbell said so far this school year around 655 people are using the app each day.

For more information about bus safety and the SafeStop app, visit [lssd.ca](http://lssd.ca) under the "Transportation" tab.

## Tougher penalties for distracted driving come into effect Nov. 1

Submitted

Changes under The Highway Traffic Act and the Drivers and Vehicles Act that come into force Nov. 1 will allow for short-term roadside licence suspensions for using a cellphone or other hand-operated electronic devices while driving.

The amendments mean drivers will be subject to a three-day roadside licence suspension for the first time a driver is caught using a cellphone

or other hand-operated electronic device, and a seven-day suspension for a subsequent occurrence within 10 years. Suspended drivers will be required to immediately surrender their driver's licence at roadside.

The amendments will also require officers charging a driver with careless driving to immediately notify Manitoba Public Insurance (MPI) to review the driver's record in order to determine if further penalties may be

required. As part of the changes for roadside licence suspensions, MPI will collect a \$50 licence reinstatement fee on behalf of government.

Further distracted driving penalties will also come into force on Nov. 1 including an increase in the fine for using a hand-operated electronic device while driving to \$672 from \$203 and an increase in demerits for careless driving to five points from two for each infraction.

Distracted driving is a serious road safety risk in Manitoba and was a lead cause of collisions causing serious injury in 2017, and increases the risk of collision by nearly four times. Thirty people lost their lives and 184 people were seriously hurt last year because someone chose not to put their cell phone down or engaged in other distracting behaviours while driving, said Infrastructure Minister Ron Schuler.

## Ready to compete in Vegas

RECORD PHOTOS BY JUSTIN LUSCHINSKI

Zombie Bodyshop's custom rat rod entry was officially completed and hit the road last Sunday afternoon. Tyler Turton of Zombie Bodyshop, pictured above, located just outside Selkirk, and his team were chosen to represent Canada at the International Rat Rod Build Off, taking place in Las Vegas. Teams from around the world have been tasked with building custom vehicles, and drive them from Lincoln, Nebraska, to the SEMA Show in Las Vegas. SEMA is one of the largest car conventions in the world. The SEMA Show is scheduled to take place from Oct. 30 to Nov. 1 at the Las Vegas Convention Centre.

## Selkirk high school student faces weapons charges

### Staff

A 17-year-old Selkirk high school student is facing several charges after he brought a shotgun and ammunition with him to school last week.

Last Tuesday, at approximately 11 a.m., Selkirk RCMP were dispatched to the Comp, with a report of a student with a firearm.

A student was reported to be in possession of a firearm and ammunition which he was carrying in a backpack. The school went into lockdown, RCMP were called and responded immediately.

The 17-year-old male student was safely taken into custody without incident. A firearm and ammunition were

seized. No students or staff were injured during this incident.

The 17-year-old youth from Selkirk has been charged with possession of weapon for dangerous purpose, carrying concealed weapon, unauthorized possession of firearm and possession of prohibited or restricted firearm with ammunition. He has been remanded into custody.

LSSD Supt. Michele Polinuk said the RCMP arrived on site quickly and nobody was harmed and there was no threat.

Counsellors and resources will continue to be available at the school if students need assistance.

# Local businesses, organizations take part in pre-budget consultation

By Justin Luschinski

The Progressive Conservative government heard from Selkirk and area residents about what their next budget should focus on last week.

Budget 2019's pre-budget consultations series began in Selkirk at the Selkirk Inn and Conference Centre last Monday evening. The PC government is working on their third budget since coming into power in 2016, and are currently hosting a series of consultations across the province.

The night began with a presentation from Minister of Finance Scott Fielding on the logic behind the previous budgets. Afterwards, business owners in Selkirk got to make their own presentations.

Many residents were concerned about Manitoba's aging population.

John Martyniwi, the CEO of Tudor House Personal Care Home, said there are not enough personal care home beds for residents, and the problem will only get worse.

"I respectfully ask that you prepare for our aging population, which is rapidly growing. We need a provincial access program, to get more seniors into personal care homes," Martyniwi said. "Our seniors have done so much for our communities, and they deserve a lifetime of services."

Martyniwi mentioned how there were 150 vacant personal care home beds in Winnipeg, and how there's a 160 person wait list for beds in the Interlake. Since these are run by different health authorities, he proposes that there's some kind of collaboration, as well as some investment to create more care home beds around the province.

Other community members were

**RECORD PHOTO BY JUSTIN LUSCHINSKI**  
John Martyniwi, the CEO of Tudor House Personal Care Home, pictured here, speaks during a Budget 2019 pre-budget consultation at the Selkirk Inn and Conference Centre last Monday evening.

concerned about small business finances in the area.

Maria Freeman, executive director of Inclusion Selkirk, said her organization needs more financial support to help its disabled clients.

"Staffing is a huge problem. We're working with an outdated funding

model, and we see such a high turnover rate. Can you imagine someone you barely know fighting for your health?" Freeman said. "We must have quality staff, and we ask that you implement a living wage for direct support professionals."

Other presenters praised the Mani-

toba film tax credit, saying it's brought so much business and tourism to the area. The minister did not promise anything, but said that they recognize the importance of job growth and the film tax incentives for the city.

"From health care to public safety and infrastructure investments, we understand that fiscal sustainability is essential to protecting our ability to invest in the priorities of Manitobans," Fielding stated in a release last week. "The work of government directly affects households and communities throughout the province, and we want to hear Manitobans' advice on the choices we must make as we prepare the 2019 budget."

Manitobans unable to attend a public meeting can fill out an online survey to share their views. The survey seeks feedback from Manitobans on several topics including balancing the budget, sustaining health care and funding education. Written submissions on all subjects can be sent directly to the minister of finance.

For more information on the pre-budget consultation meetings and to access the survey, visit [manitobansmakingchoices.ca](http://manitobansmakingchoices.ca).

# Two measles cases confirmed in Interlake region

## Submitted

The chief provincial public health officer confirmed today that two cases of measles have been reported in Manitoba.

The individuals live in the area of the Interlake Eastern Regional Health Authority and are recovering at home. The first case, a child under the age of one, is believed to have contracted the virus out of the country while the second case was identified as a close contact. All contacts have been identified and have been or will soon be contacted by public health officials.

Where appropriate, people will be offered immunization and asked to restrict their contact with others to reduce the possible spread of measles. Public health officials will continue to monitor the situation in Manitoba and

provide updated information as necessary.

Symptoms of measles generally appear seven to 21 days after exposure. Initial symptoms may include fever, runny nose, drowsiness, irritability and red eyes. Small white spots may also develop on the inside of the mouth or throat.

Several days after the initial symptoms, a red blotchy rash appears on the face and progresses down the body. Measles can lead to complications including ear infections, diarrhea, pneumonia (lung infection) and encephalitis (brain inflammation).

Measles is a highly infectious, communicable disease that is spread through droplets in the air formed when coughing or sneezing. An infected person can spread the virus

from four days before the rash appears to four days after. The disease tends to be more severe in infants and young children, and can be life threatening.

If visiting a physician or health-care provider, it is best to call ahead and make an appointment so health-care staff can take steps to reduce the exposure of other people to the virus.

Immunization is the only means of protecting yourself and your family. Contact an immunization provider such as a physician, nurse practitioner or local public health office to make sure you and your family are up to date.

In Manitoba, a two-dose measles vaccine program was introduced in 1996.

For information on the measles, visit [gov.mb.ca/health/publichealth/diseases/measles.html](http://gov.mb.ca/health/publichealth/diseases/measles.html).

# Manitoba adds coverage for 154 new medications to Pharmacare program

## Submitted

Patients now have access to an additional 154 medications through the Manitoba Pharmacare Program, including enhanced access to drugs used to treat diabetes.

"We are continuously working to add drugs to the pharmacare program in a timely manner to ensure Manitobans have access to medications that offer important treatments for many different illnesses and treatments at a more affordable price," said Health, Seniors and Active Living Minister Cameron Friesen. "By participating in the pan-Canadian Pharmaceutical Alliance, we are able to add more brand-name and generic drugs to the program, saving money that can then be reinvested into further increasing drug coverage for Manitobans."

The province is adding coverage for the drug Tresiba, a long-acting insulin used to control high blood sugar, for the treatment of Type 1 and Type 2 diabetes. In addition, the long-lasting insulin drugs Lantus, Levemir and Basaglar will move from Part 3 of the formulary to Part 1, enhancing access for people with diabetes as physicians will no longer need to apply for coverage of these drugs before the patient gets it from their pharmacy.

"Better access to effective medications, devices and supplies can help improve the management of diabetes and quality of care for Manitobans living with diabetes," said Andrea Kwasnicki, regional director of Manitoba and Nunavut for Diabetes Canada. "It can also decrease the likelihood of future serious complications of the disease."

Of the 154 drugs added, 120 are generic medications. The minister noted the additions reduce the amount that would have otherwise been spent on higher-cost equivalent drugs by \$1 million, allowing the money to be re-allocated towards coverage for new drugs.

Coverage for the new drugs are effective immediately.

The Manitoba Drug Benefits and Interchangeability Formulary lists therapeutically effective drugs of proven high quality that have been approved as eligible benefits under the pharmacare drug benefit program. The pharmacare program is based on family income and covers 100 per cent of eligible drug costs once the income-based deductible is reached, regardless of medical condition or age.

For more information on the Manitoba Pharmacare Program, visit [gov.mb.ca/health/pharmacare](http://gov.mb.ca/health/pharmacare).

# Manitoba streamlines enforcement efforts for aquatic invasive species

## Submitted

The Manitoba government has streamlined the enforcement efforts aimed at ensuring boaters and watercraft users follow all the required steps to prevent the spread of aquatic invasive species (AIS).

"We need to ensure all boaters get on board with protecting our environment and that is the reason why we are making a series of changes," said Sustainable Development Minister Rochelle Squires.

As of last week, enforcement officers

will have the option to issue a ticket with a specific fine that can be paid voluntarily at court. Previously, offenders had to appear in court in order to resolve their charges. Individuals now face set fines for a variety of offences including possessing a prohibited species, such as zebra mussels, failing to stop at watercraft inspection stations, or failing to remove their drain plug when transporting watercraft.

In addition to the new system of set fines, the province is working on addi-

tional initiatives targeted at stopping the spread of AIS, including an enhanced public awareness campaign, the minister noted.

Set fines carry a range of penalties, depending on the offence. Fines start at \$174 for failing to possess a transportation authorization for a watercraft that has not been decontaminated, and climb through a variety of steps, including a \$2,542 fine for failing to decontaminate a watercraft.

Watercraft inspection stations will be up and running Thursday through

Monday in Selkirk (Selkirk Park boat launch), Headingley (weigh station), Eriksdale (PTH 6 at PTH 68W), Grand Rapids, The Pas and Swan River. It is a legal requirement for all watercraft, which includes canoes, kayaks and jet skis, to stop at watercraft inspection stations when they are open.

For more information on invasive species, including the decontamination station schedule for aquatic invasive species, visit [gov.mb.ca/stop-thespread](http://gov.mb.ca/stop-thespread).

## Memorial golf tourney hosted by family, friends marks 25th anniversary

By Justin Luchinski

A small family and friends golf tournament celebrated its 25th anniversary earlier this year.

The Flynn Fall Classic golf tournament took place on Sept. 3. Players go 18 holes, winning prizes from various businesses in the Interlake.

Mike Flynn of St. Andrews, the organizer, said the tournament was made to celebrate his dad, Don Flynn, who loved the sport.

"He just loved golf, it was his passion. The first year we had it, my dad was in the late stages of ALS. He really wanted to play, so we said he could play a couple of holes. He ended up playing all 18 without telling us," Flynn said. "He was pretty stubborn, but honestly I kind of admire that."

Flynn's dad passed away in 1995.

Flynn said the tournament isn't really a charity, it's more just a bunch of friends who play for fun, but many of the attendees end up donating money or prizes to the ALS Society of Manitoba on his father's behalf. The tournament hosts about 30 players, and it's almost always held at the Selkirk Golf and Country Club.

Flynn said the tournament continues to grow, and he hopes it makes his dad proud.

"I think he would be very proud of how far it's come. We deliberately kept it small, so it's not too big of a project. But the players have changed, most of my dad's friends, lots of them have passed on now. Now their kids and grandkids are playing in the tournament," Flynn said.

Flynn said the players encourage him to keep the tournament going, and he'll keep it running for as long as he can. His mother is still alive, and at 87-years-old, still takes part in the tournament herself.

The Flynn Fall Classic started in 1994, over September long weekend.

# BECAUSE IT'S ABOUT HER TOO

## GET VACCINATED. DON'T SPREAD THE FLU.

The annual seasonal flu vaccine is available to all Manitobans at no charge. It will offer protection against four seasonal flu strains.

An annual flu vaccine is especially important for those at increased risk of serious illness from the flu, their caregivers and close contacts.

If you are 65 or older or have a chronic illness, you should also get a pneumo vaccine. One pneumo vaccine may give you a lifetime of protection.

To get your free flu vaccine, contact your public health nurse, doctor, pharmacist or call Health Links – Info Santé at 204-788-8200 or toll-free 1-888-315-9257.

# getfishing

RED RIVER > CHALET BEACH > LAKE WINNIPEG

> ARNIE WEIDL

## Caught in a snowstorm without windshield wipers

Welcome my fisher and angler friends.

Last week, I happened to be in the Selkirk Industrial Park and noticed a new, well-built ice shack sitting in front of the Harvester Fish Net Co., a shop that sells fishing equipment to our commercial fishers in Manitoba. I went in and met Sean Johnston who runs the place. We got to talking and I asked him about the shack. "Yeah, there's a guy by the name of Phil Spring up in Riverton who makes them along with auger extensions and other accessories you need when fishing on the winter ice." "If you can give me his number, maybe I'll call him and ask if he has a fishing story for us," I remarked.

Then I turned my attention back to Sean asking him if he had been fishing lately. "Oh man," he responded, "My life-long buddy, Corey and I were fishing on the north end of the Red River last week and it turned into a comedy of the ridiculous! We love to fish. When others call us nuts for going boat fishing in our snowmobile suits; we don't care, we go!"

Standing in the fish net shop display room, Sean went into his story. "The fishing was good and we didn't want to quit but as happens in late fall dusk comes upon you rather quickly. In the half light we headed for the boat launch pad by Selkirk just as it started raining. Now my canopied boat has every imaginable extra on it, except for windshield wipers. It was something that escaped me completely when buying it! Soon the rain turned to snow and the windshield turned into a blinding block of ice. I looked at Corey and said "You've got a credit card, right?" "Yeah," he replied hesitantly. "You're going to have to go out on the front deck and chip away enough ice so I can see to get us back to the landing pad." "You're kidding," Corey cried out. "It's the only way," Sean said. So there

**SUBMITTED PHOTO**

Corey Surma, pictured left, and Sean Johnston, right, who has a top-of-the-line boat without windshield wipers, holding a cat they caught on the Red.

Corey was, sitting cross-legged backwards on the deck clearing enough of the windshield in the driving snowstorm for Sean to navigate back to Selkirk!

A few days later I called Phil Spring in Riverton and complimented him of the high quality of his shack and products then asked him if he had a fishing story for us. "Yes," he said, "but I don't know if you can print it!" He gave me the story and after listening to it, I felt sure it would be ok with you my friends.

A while back Phil took his son and grandson fishing up by Washow Bay. As they trolled near the shoreline the grandson saw blighted choke cherry bushes with black bloated berries and dark growths hanging down. "Grampa," the boy asked, "what is that stuff hanging on the bushes?" Grampa, a

pretty husky, silver haired guy with an ever present devilish, joking nature said to his young naive grandson, "Well, that's dog poop sonny!" Silence filled the boat as it glided along the shore. Phil and his older son stifled smirks as they watched the young lad gaze around in perplexed thought. Finally the boy brightened and with wide eyes asked his loving grandfather, "Poppa, how did the dogs get up in the bushes?"

Not long ago I ran into a chap, Jules Barten of Winnipeg who told me of an unusual thing that happens at Sword Lake west of Minaki. There is an eagle in the area known to everyone as "Charlie". If you go out fishing on Lac du Bonnet and are fortunate enough to catch a few smaller fish, all you have to do is call out to "Charlie" or whistle and he will come. You hold the fish high in the air and he will dive down to pick it out of your hand never leaving so much as a scratch!

A couple of weeks ago I stopped at Bruce Benson's packing plant at Silver Harbor while he and his crew were unloading the boats after a lift. I asked Bruce if anything funny or unusual had happened on the lake lately. Bruce a tall, strong fellow with a pleasant face weathered nicely from his life outdoors smiled as he helped another basket with fish up the chattering rotating chain lift. "Yeah," he called out over the sound of the lifts clamor, "In early summer, my buddy Ryan and I were coming up on one of our buoys to lift nets and I told him not to let the skiffs' motor get close enough to the lines or nets for fear they would get wrapped around the prop. Sure enough he got us snagged. As I bent over the side of the skiff up to my shoulders in the choppy warm water to free the lines, I yelled, "What part of look out for the buoy lines didn't you get!"

Until next week, so-long for now gang.

# 'Moderation is key'

## Local cannabis users weigh in on legalization

By Lindsey Enns

Derek Fedorchuk says he isn't your stereotypical cannabis user.

The 33-year-old St. Andrews resident has been a regular cannabis user for nearly 15 years. He also owns his own home and has a successful job in the construction industry.

"I bought a house at 21-years-old and I work hard," Derek said. "I'm successful and I smoke pot every day for all those years and I still manage my money properly and make smart investments."

With recreational cannabis now legal from coast to coast in Canada, Derek hopes it will help erase the negative stigma that often surrounds those who use the drug.

"There is a stigma regarding cannabis. The lazy pot head, stoner, but moderation is key," he said.

From working in the construction industry for several years, Derek has suffered multiple back injuries. He says smoking cannabis in the evening helps relieve his pain.

"I was prescribed different anti-inflammatory's and muscle relaxers, which I took briefly, but I just didn't like them," he said. "I'm not a fan of taking pills. I would just kind of deal with the pain and then I got into fitness and the marijuana use helped."

Derek says he believes cannabis can be a good alternative to prescription drugs.

"I think it's a lot less harmful on your body, side effect wise and everything," he said. "I think it's definitely been beneficial for me."

Although he wasn't in line to purchase the product when it became le-

gal across Canada last Wednesday, he plans to check out some of the shops soon.

"It's nice to see the fact that people don't have to worry about being persecuted over smoking weed," he said. "Now you know you'll be getting a clean product."

Derek's older brother Landon Fedorchuk, 35, who also considers himself a regular cannabis user, says he hopes legalization will generate lots of revenue for Canada as well as create jobs. Landon said he started using cannabis about 20 years ago.

"I enjoy smoking pot. It's just relaxing," he said. "But since my back injury I definitely picked up my use a bit."

Landon says "there's good and bad" to cannabis legalization in his eyes. He said although it's good that people can have it now, the laws and fines surrounding it are harsh.

"I don't think it's fair that they're doing it that way," he said.

Those who break Manitoba's rules on cannabis consumption can face fines of up to \$2,542.

Smoking cannabis in a provincial park or campsite could lead to a fine of \$672. The same fine will apply to those under 19 who

are caught with cannabis.

Growing cannabis plants at home, supplying cannabis to an underage person or selling cannabis without a licence will bring fines of \$2,542.

The province says the risks associated with consuming cannabis include that it can be addictive, can lead to depression and anxiety, will affect brain

RCMP PHOTO

A local cannabis user says "moderation is key" when it comes to consuming marijuana.

development, will impair your ability to drive, can harm your baby and it is risky to purchase on the street.

To learn more about cannabis in Manitoba, visit [gov.mb.ca/cannabis](http://gov.mb.ca/cannabis).

Earlier this year, Peguis First Nation gave GrowForce Holdings Inc. the green light to build a production and distribution facility on a piece of their land in Selkirk.

Although details surrounding the exact location of the facility is still being determined, the project is expected to include a \$33-million investment for a building that will be at least 50,000 square feet. Construction is expected to begin in early 2019.

### Six things you need to know about cannabis in Manitoba

1. You must be 19-years-old or older to buy marijuana
2. You can't smoke or vape cannabis in public
3. You can't grow cannabis at home
4. You can carry a maximum of 30 grams of marijuana on you while in public
5. Don't drive while high
6. When in a vehicle, cannabis should be stored in the trunk or as far back as possible

# Selkirk Mobility celebrates three years of service

By Justin Luschinski

As Selkirk and area's aging population continues to grow, Selkirk Mobility is doing their part to ensure seniors and those with mobility issues are living their best lives.

Selkirk Mobility celebrated their third year anniversary with a gathering on Oct. 12 at the mobility's offices. The service was started to provide those 65 and over as well as anyone with mobility issues a safe and dependable way to get around the city.

Charlene Dunning, manager of Transportation Services for Selkirk Transit Authority, which operates Selkirk Mobility and Selkirk Transit, said they're confident they can meet the increasing demand of an aging community. Dunning said in 2011, 20.3 per cent of Selkirk's population was 65 or older; the 2016 Canada Census shows an increase of 4.5 per cent to 24.8 per cent.

"Our community is definitely aging ... that can be pretty devastating if they don't have any transportation," Dunning said. "But I think we're in a good position. We're looking to the future."

Dunning said they've recently received support from the provincial

and federal governments, and are looking into adding more buses and drivers. Dunning could not reveal any more details, but did say they're "very excited" about the future of the service.

Dunning also praised their drivers, saying they regularly go above and beyond their job description, to help their clients.

Bonnie Zahayko, a driver for Selkirk Mobility, said she does whatever she can for her clients.

"Murphy really tugs at my heartstrings. Whenever he goes to the doctor, and if I have the chance to drive him, I take him through the park. He just loves it, he sits near the back of the bus as I slowly drive through there," Zahayko said. "For a lot of them, this is the only chance they get to leave the house. I've even driven some (clients) to Winnipeg for medical treatments."

Zahayko said she's noticed the demand for their service increasing. Many of her clients go to the Gordon Howard Centre for various programs, and as they age, their transportation needs become greater, which means more clients are gunning for a spot on her bus.

Dunning said now that Selkirk Mo-

RECORD PHOTO BY JUSTIN LUSCHINSKI

Selkirk Mobility staff celebrated three years of serving Selkirk and surrounding area communities earlier this month.

bility has had a few successful few years, they're looking to approach the surrounding RM's for a partnership, hoping that they will subsidize the cost for residents. As it stands now, any client from St. Clements or St. Andrews has to pay the full cost of the service.

Selkirk Mobility also provides transportation services for Interlake Eastern Regional Health Authority programs, as well as Inclusion Selkirk. The service also offers transportation locally and chartered trips to Winnipeg and other destinations. Service is available seven days a week.

Selkirk Mobility is fully funded, meaning it budgets for its operations and capital replacement. The service is subsidized by annual grants from the City of Selkirk and the Province of Manitoba, but the program puts money aside to upgrade and replace buses, so it doesn't come to the city every year to fund deficits or for large grants to purchase new buses.

Selkirk Mobility will be offering transportation on Christmas Day, and Dunning advises clients to start booking for that service now. For more information, contact Selkirk Mobility at 204-482-4636.

## Nova House ramping up their fundraising efforts to better serve their clients

By Lindsey Enns

Nova House is currently raising funds to help purchase a van, which will be used to transport their clients to and from appointments and events.

Debbie Kashuba, the Selkirk women's shelter's fundraising co-ordinator, said they are looking at getting a multi-seater van that can hold up to six or so passengers.

"Right now we're using taxi services, so there's still quite a cost involved," Kashuba said, adding they often have to transport clients and their children

to Winnipeg as well as around Selkirk for appointments and events. "It would certainly make transporting our clients around a lot easier. I think we'd be able to take them to more things. They would have more opportunities to go to different events. It wouldn't be so hard to schedule appointments for them."

Along with facilitating fundraising efforts for the local women's shelter, Kashuba is also in charge of recruiting volunteers. She said they are currently seeking more volunteers to help them put on their annual Christmas dinner

in mid-December for past and current clients. They are also in need of volunteers to help drive their clients to Winnipeg for appointments.

Those interested in volunteering or wanting to make a donation of any kind can contact Debbie Kashuba directly by calling 204-757-4688 or via email at [funding@novahouse.ca](mailto:funding@novahouse.ca).

Nova House donations can be taken to Twice Over, which is located at 214 Manitoba Ave. Proceeds from Twice Over also go directly to Nova House.

Nova House is also holding a "Trick

or Treat" Fundraising Raffle with the draw taking place on Wednesday, Oct. 31. Tickets are \$5 each and the prize is \$100 of Lottery Scratch Tickets. Tickets are available at Packer's Ladies Wear, Revitalize Soul Spa, Twice Over Thrift Store, Steelcity Physiotherapy and Wellness Centre, and Riverside Grill. Kashuba will also be at Red River Co-op Grocery in Selkirk on Saturday, Oct. 27 from 10 a.m. to 3 p.m. selling raffle tickets.

"For the added benefit of the client is what we fundraiser for," she added.

# Seniors 'happy' to be playing bingo again after LGCA shut them down

By Justin Luschinski

For many seniors, bingo is a fun way to pass the time. It's a relatively easy game that can be played at any age.

But if your bingo game involves money in any way, it's in violation of Manitoba's gambling laws.

A group of seniors at Woodland Courts assisted living home had their game shut down for nearly a month, by the Liquor, Gaming and Cannabis Authority of Manitoba (LGCA). An investigator for the LGCA was in the building for another matter, when they stumbled upon a bingo game with a small pot of money involved, and told the seniors that they needed a license to play for money.

The seniors were infuriated, as they only played with \$4 to \$5 during most games.

Gertrude Samborski, a resident there, said seniors were very upset that they couldn't play.

"A good number of us were very upset. There isn't much to offer for entertainment here, so when we decided to have bingo on Tuesdays and Thursdays, everyone was looking forward to it. And having it just taken away, it just seems so unfair," Samborski said.

In order to play bingo with money, the residents had to form a committee, and sign a multi-page document, which would grant them a licence. The key part of the licence is every dollar that goes into a bingo pot must be paid out to a resident of Woodland Courts. If the money goes towards another cause, or towards the home itself, that would violate the licence.

Kristianne Dechant, of the LGCA, says no matter the cost, no licence means no bingo if it involves money.

RECORD PHOTO BY JUSTIN LUSCHINSKI

Residents at Woodland Courts had their bingo license reinstated last Friday, and expected to play their first regulation game last Saturday.

"We're certainly not out there looking for these community groups running these small events," Dechant said in an emailed statement to the *Record*. "When our inspectors see unlicensed activity, it puts them in a situation where they need to bring it up."

According to the LGCA, there's no cost to sign up for the licence because the prize is so low it's considered a "low-risk event." Larger events would require a fee, as well as reports to be filed after every event.

Sharon Walsh, chairperson of the Woodland Courts Seniors Bingo Group, said the residents are very

happy to be able to play again.

"We're so happy. People really enjoy the bingo, no matter what age they are," Walsh said. "Some people can't play cards anymore, but they can still play bingo."

Walsh said an LGCA representative helped them fill out the application, and she's happy the matter has been resolved.

# Art, fishing come together for 2nd annual Art on Ice auction

## Submitted

A group of female Interlake artists will bring art to the ice of the Red River this winter.

The Spirited Sisters artist collective are painting one of Holiday Alley's Art on Ice shacks centred around a theme Selkirk knows well – fish.

"Fish have a huge significance to our community," said Christine Wasnie, Selkirk resident and one of the founding members of the group. "Whether you're Portuguese and live on the Mediterranean coast or whether you're here in Manitoba, fish are a food source for all peoples."

The shack features a different fish on each outside facing wall and the women hope the designs resonate with a community so familiar with fishing.

"As a group, we feel the spirit of creativity," said Wasnie. "It's a string that binds us together and we all want to come together for a common cause."

The cause the women are picking up their paint brushes for this winter is Holiday Alley. The proceeds from the auctioning off of the Art on Ice shack will be shared with the Homes for All

ABOVE LEFT: Debbie Tonner, pictured left, and Barb Waterman, right, both of Selkirk, were busy painting their Art on Ice creation outside a Selkirk home last Thursday afternoon. ABOVE RIGHT: Charley Waters of Beausejour, pictured left, and Hermina Hildebrand of Stonewall paint outside a Selkirk home last Thursday.

fund at the Selkirk and District Community Foundation.

"It is important to us to serve our community through art beyond any self-interest," said Charley Waters, another founding member of the Spirited Sisters. "Painting an ice shack for Holiday Alley lets us give back to our community and spread our message of

inclusiveness through art."

The growing group of artists hopes to do similar projects in the community in the future.

"Our goals are to contribute to our community, increase awareness of the healing power of creative expression, and be vigilant and encouraging of inclusiveness in all aspects of our lives,"

said Waters.

Two Art on Ice fishing shacks will be auctioned off this year at Holiday Alley alongside other local works of art, including a chainsaw carving and barn quilt squares.

Holiday Alley runs from Nov. 30 to Dec. 1 in downtown Selkirk. For more information, visit [holidayalley.ca](http://holidayalley.ca).

## Doc showcases how FASD programs, schools are working together

By Justin Luschinski

A new documentary about fetal alcohol spectrum disorder (FASD) fea-

tures a student from École Selkirk Junior High.

The Interlake-Eastern Regional Health Authority (IERHA) held a screening of "Learning the Dance: Community Making

a Difference" at the Selkirk Regional Health Centre last Tuesday evening. The documentary shares the story of how two schools have focused on relationships, built upon strengths and reframed behaviours in order to support two students with FASD to find success and a sense of belonging within the school community.

The documentary follows Troy, who attends École Selkirk Junior High, and "Arielle," a french immersion student in Lorette, as their teachers, guidance counsellors and family help them with their education.

Kimberly Berens, Troy's mother, said she hopes this documentary helps other parents and also helps her son finish his education.

"He was doing good for a while, but now he's struggling. He feels like he's misguided with his friends, he's just like any other kid, he wants to be accepted. He's going off on the wrong path again, and I'm hoping to get him back (with the documentary)," Berens said. "I love Troy, I want him to succeed, and I know he can do that in school."

# Upcoming event to showcase one of Manitoba's important bird areas

By Lindsey Enns

Anyone interested in learning more about one of Manitoba's important bird areas is welcome to attend a free upcoming event in Selkirk.

The Manitoba Important Bird Areas (IBA) Program along with the Selkirk Bird Watchers Club will be hosting a talk on "The birds of the North, West and East Shoal Lakes Important Bird Area" on Wednesday, Nov. 7 at 7 p.m. at the Gordon Howard Centre.

The North, West and East Shoal Lakes, which are located between Inwood and Woodlands, is one of Manitoba's premier birding spots and the presentation will centre around why this place is classified as an IBA, what bird species you may expect to find, and where to find them.

Tim Poole, the Manitoba Important Bird Areas co-ordinator, says there are currently 35 IBAs across Manitoba.

"Shoal Lakes is an extremely important area for migratory birds as a stopover in the fall and in the spring it provides shelter ... it provides great feeding opportunities," Poole said during a telephone interview with the *Record* recently. "These important bird areas provide birds with habitats across their life cycle."

Located on both public and private land from the shores of Hudson Bay to the mixed-grass prairie in the southwest corner of the province,

## > FASD DOCUMENTARY, FROM PG. 12

Berens said Troy loves to joke around and he's pretty easygoing. Troy has a lot of ambitions, and Berens points out that in order to achieve his goals, he has to go to school.

Daryl Loeppky, principal of École Selkirk Junior High, said Troy learns better if he's able to move around.

"He does not enjoy traditional schooling, it's not going to work for him. But he likes sports, he plays on a basketball team after school, so we let him do that in between more traditional learning sessions," Loeppky said. "If you spend a day with Troy, you'd be moving around quite a bit, you'd be seeing a lot of the school. We're trying to show him that yes, you can do all this stuff, but there are times when you also have to sit down and work."

Loeppky said it's important that Troy likes the person who's teaching him. Substitute teachers are an issue, because unless it's someone he's used to, he won't respond to any lessons. He needs a personal connection with his instructor, which helps him feel confident enough to attend class.

The IERHA's public health team manager, Connie Nixon, who manag-

The Manitoba Important Bird Areas Program along with the Selkirk Bird Watchers Club will be hosting a talk on "The birds of the North, West and East Shoal Lakes Important Bird Area" on Wednesday, Nov. 7 at 7 p.m. at the Gordon Howard Centre.

many of Manitoba's IBAs have no formal protection. Favourite birding destinations including Delta Marsh, Oak Hammock Marsh, Churchill and Whitewater Lake all have IBA status. Poole said depending on which type of bird or birds you are interested in seeing, August, September and October are great months to visit any of those sites. To learn more about Manitoba's IBAs, visit [importantbirdareasmb.ca](http://importantbirdareasmb.ca) or [ibacanada.ca](http://ibacanada.ca).

Gerald Machnee of the Selkirk Bird Watchers Club says the club has been around for more than 20 years. They currently have around 30 to 40 mem-

bers and are always welcoming more.

The club meets on the first Wednesday of October to December and February to April. Meetings are held on the upper level of the Gordon Howard Centre at 7 p.m. The club also does an annual Christmas Bird Count in December.

"It's very important, it gives you the status of the birds," said Machnee, who has been a member of the club for around 20 years. "It gives you the variation through a period of years. It tells you which birds are increasing or decreasing and will highlight any problems and movements."

Picklyk Dear (FASD diagnostic coordinator) at [spicklykdear@ierha.ca](mailto:spicklykdear@ierha.ca) or 785-7547. For more information, visit the IERHA website at [www.ierha.ca](http://www.ierha.ca) under Care in Your Community/FASD or prenatal exposure to alcohol.

# Sunova Credit Union welcomes new addition to its D.O.G team

**SUBMITTED PHOTO**  
Meet Bill, Sunova Credit Union's newest employee and D.O.G (Director of Greetings), a St. Bernard puppy.

## Submitted

Sunova Credit Union is thrilled to introduce its newest employee and D.O.G (Director of Greetings), a St. Bernard puppy named Bill.

Joining older sibling, Lily, Bill is nearly ready to begin his role at Sunova. After a bit of training, socializing, and of course, being a fun-loving puppy, Bill will be ready to handle the responsibilities of a Sunova D.O.G. Once his training is complete, Bill's job will consist of making branch visits and greeting members, asking for belly rubs, attending community events, and providing big slobbery kisses when necessary. Sunova's main

branch is located in Selkirk.

"The addition of a new Sunova D.O.G is extremely exciting for both staff and members," says President and CEO Ed Bergen. "Creating strong, lasting, and meaningful relationships is something Sunova prides itself on, which is why the D.O.G program is so important. Our D.O.Gs brighten the days of everyone they meet and we think that's a very important part of the world-class member service that Sunova offers."

Bill is expected to begin short branch visits within the next six months to a year.

# Incentive program looks to help fund improvements to downtown businesses

## Submitted

The city is moving forward with its plans to revitalize Selkirk's downtown with the implementation of its façade and site improvement incentive program.

Businesses in the designated downtown area can apply for the grant, which will cover up to 25 per cent of eligible façade or site improvements, to a maximum of \$5,000. The improvements must total a minimum of \$10,000 to be eligible for application.

Faisal Anwar, the city's director of sustainable economic development, said the city's Downtown Renewal Strategy is focused on revitalizing an area that is any city's lifeblood – its downtown, and offering an incentive to business owners to kick start the process is an important part of the strategy.

"This incentive program is an important part of our strategy," Anwar said. "The city wants to rejuvenate our downtown, and the business owners want the same thing. We want to work together to see our strategy succeed, and we want the downtown area to be a destination for everyone."

The façade and site improvement incentive grant is part of the Selkirk Economic Incentive program, which is one of seven initiatives identified in the Downtown Renewal Strategy.

City council adopted its Downtown Selkirk Renewal Strategy in September 2016, but work on revitalizing downtown actually began in 2012 with the formation of an advisory committee. Public consultation followed and included citizens and existing business owners in the downtown and throughout the city.

Incentive grants are available to businesses in downtown's designated area between Eveline and Main streets and McLean and Morris avenues.

Duane Nicol, the city's CAO, said the public has embraced city plans to revitalize downtown and private investment has already been strong. The city applauds that commitment and by offering incentive grants anticipates momentum already created to continue to gain strength.

The federal and provincial governments also committed \$1.7 million to help fund a major redesign and renewal of Manitoba Avenue East. Nicol said this project will be more than a facelift, but the creation of a new, modern, pedestrian-focused streetscape.

"It will truly be an extension of our beautiful waterfront. It will be a defining feature of our downtown, a place for the community to meet and enjoy the best our city has to offer. With this new grant program, property owners will have the opportunity to renew their businesses and take full advantage of this multi-million dollar public investment," Nicol said.

A wide variety of improvements will be considered for grant money, including awnings, canopies, lighting replacement, doors, window replacement, trash enclosures, brick cleaning and repair, painting, façade restoration or improvements, handicap accessibility, landscaping, parking lot lighting and resurfacing, curbing, signage and sidewalks and walkways.

New construction, interior and roofing improvements as well as loan or attorney fees are among the items not eligible for grants.

The city will consider five requirements when business owners apply – sustainability of the design, accessibility, whether or not the project conserves Selkirk's heritage, whether it integrates community character and landscape and finally, if the project is aesthetically appropriate.

The grant money will be funded through the city's Economic Incentive Reserve Fund, which the city established at the start of this year.

For more information on the façade and site improvement incentive grant or how to apply, visit [myselkirk.ca/facade-site-improvement-incentive-program](http://myselkirk.ca/facade-site-improvement-incentive-program).

THE Marketplace  
AT SELKIRK

## Tomato Soup with Homemade Olive Oil Croutons

Prep time: 10 minutes  
4 tomatoes  
3 grilled red bell peppers in oil  
1 shallot  
1/2 cup Bertolli Extra Virgin Olive Oil, plus additional for brushing on bread  
3 tablespoons sherry vinegar  
1 clove garlic  
10 basil leaves  
salt, to taste  
pepper, to taste

4 slices crusty bread  
Cut small cross in bottom of tomatoes and submerge in boiling water 30 seconds. Let tomatoes cool in ice water 30 seconds then remove skins.  
In blender, blend tomatoes, red bell peppers, shallot, extra-virgin olive oil, vinegar, garlic, basil, salt and pepper, to taste, until mixture is smooth. Add mixture to large pot and heat, stirring frequently.  
Cut bread slices, brush with olive oil and grill 2 minutes per side over medium-high heat until visible grill marks have formed.

Prep time: 15 minutes  
1/2 cup, plus 1 tablespoon, sweet-

## Bitter Chocolate and Pistachio Cream Dessert

ened condensed milk  
1/2 cup brown sugar  
1 1/2 tablespoons Bertolli Extra Virgin Olive Oil, plus additional for pistachio cream  
4 ounces dark chocolate  
1 1/4 cups shelled pistachios  
In saucepan, combine condensed milk and sugar; cook over low heat, stirring until mixture takes on toasted color. Add olive oil and dark chocolate; continue to stir until fully combined.  
Line 9-by-5-inch loaf pan with parchment paper and spread mixture into pan. Refrigerate until fully set.  
To make pistachio cream: Blend pistachios and olive oil until smooth paste forms.  
Remove dessert from pan and cut into slices. Serve with pistachio cream on top.

## Healthy Beet Hummus

Prep time: 15 minutes  
3 beets  
salt, to taste

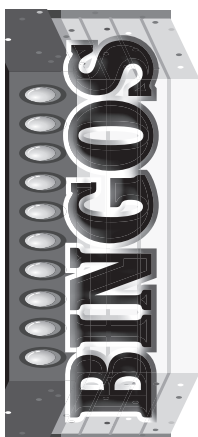

Bertolli Extra Virgin Olive Oil  
2 cups canned chickpeas  
2 tablespoons sesame seed paste or tahini  
Heat oven to 375 F.  
Peel beets and boil until soft; season with salt and olive oil.  
Puree beets with chickpeas and sesame seed paste until a uniform paste forms. Transfer to oven-safe serving dish. Bake 10 minutes and serve.

## Mushroom Carpaccio and Creamed Spinach Au Gratin

Prep time: 15 minutes  
Mushroom Carpaccio:  
2 1/4 cups cremini mushrooms  
Bertolli Extra Virgin Olive Oil  
salt, to taste  
Creamed Spinach:  
2 1/4 cups spinach  
1/2 cup heavy cream  
salt  
pepper

Parmesan cheese  
To make Mushroom Carpaccio: Heat oven to 400 F.  
Clean mushrooms and cut into thin slivers.  
Season with olive oil and salt. Set aside.  
To make Creamed Spinach: Boil spinach 2 minutes, strain and place it into saucepan, over cream. Cook 5 minutes.  
In blender, puree mixture and pour over Mushroom Carpaccio.  
Grate Parmesan cheese over entire dish; bake 5 minutes.

## Selkirk spikes its way to Portage Classic Invitational title

By Brian Bowman

It certainly wasn't easy, but the Selkirk Royals captured the Portage Classic Invitational varsity girls' volleyball championship last weekend.

Selkirk outlasted Brandon's Vincent Massey Vikings 2-1 by scores of 26-19, 24-26, 16-14 in the final on Saturday.

"It was one of those back-and-forth matches," said Royals' head coach Kyla Michalski. "They would get a point and we would get a point...and in the first set, we were able to create a bit of a gap, so that was nice."

"They're a good squad and we played an excellent volleyball game."

A tightly-contested game against a very good Brandon squad will only help the Royals as they prepare for the upcoming playoffs and provincials.

"This year in the varsity girls' category, it's wide open for teams," Michalski noted. "They're about seven teams all fighting for that top spot. We've done a good job and have been in every (tournament) final, which has been an awesome feat for us this year."

"But it also reminds the girls how close it is this year."

The MHSAA AAAA varsity girls' rankings came out Tuesday and Selkirk is now the top team in the province.

"It's such a slippery slope with rankings because you don't want them to settle their training and be happy and overconfident but it's been well earned," Michalski said. "They have been battling hard, so it's nice to see that acknowledgement."

Selkirk earned a berth into the tournament final after beating the Dakota Lancers 2-1 in a semifinal matchup.

After losing the first set 25-23, the Royals roared back to win the next two sets by scores of 25-22 and 25-13.

In the quarterfinals of the 15-team tournament, Selkirk defeated Winnipeg's Vincent Massey Trojans 2-0 (26-24, 25-18).

Selkirk finished pool play with a perfect 3-0 record.

The Royals swept Northlands Parkway (25-10, 25-6), Jeanne Sauve (25-14, 25-23) and Neelin (25-13, 25-15).

Selkirk resumes KPAC Tier 1 league play Wednesday when it visits MBCI. The Royals will then play at Garden

RECORD PHOTO SUBMITTED

The Selkirk Royals are currently No. 1 in the MHSAA varsity girls' 'AAAA' volleyball rankings.

City next Monday.

"We have a tough game tomorrow night," Michalski said Tuesday morning. "They beat us in KPAC, so it will

be good. "Tomorrow is a really big match for us to try get the split with them."

## Fishermen shoot down Satelites in OT

By Brian Bowman

The league may be different, but the rivalry is still the same between the Selkirk Fishermen and North Winnipeg Satelites.

Both teams had a great battle on Sunday at the Rec Complex, with Selkirk skating to a 3-2 overtime victory.

"They play other teams and get blown out but they come up against us and they play tight," said Fishermen head coach Chris Poponick. "It's

been a good run for a number of years against those guys."

Thomas Mironuk scored the game winner in overtime, assisted by Reece Tessier.

North Winnipeg's Brett Williams had tied the score at 2-2 in the third period.

After a scoreless opening period, Selkirk's Brandon Thomas and North Winnipeg's Nathan Jones traded goals before Travis Spratt gave the

Fishermen a 2-1 lead.

Austin DeBoer was outstanding in goal for Selkirk, making 38 saves.

"He stood on his head and made some amazing saves," Poponick noted. "We were short staffed. We were short in the beginning of the game and we lost a couple guys due to injury."

"It was a good effort by the guys that were there but we have to continue to work as the season goes on."

Selkirk will host the St. Malo War-

riors on Friday and North Winnipeg Sunday at the Rec Complex.

Both games start at 7:30 p.m. It's early in the season, but these game are important in the standings.

"They all seem to be," Poponick said. "Somebody can take off, especially with three points with the outright win. You can really make some separation if you're out front early. You want to make sure you take advantage of every opportunity that you get."

**OVER 100 YEARS OF FISHERMEN HOCKEY**

**Next Home Games:**

# Selkirk Royals stunned by Steinbach in tournament semifinal

Staff

The Selkirk Royals varsity boys' volleyball team was eliminated in the semifinals of their Royals Spike Off home tournament last Saturday.

Selkirk was defeated 2-0 (21-25, 23-25) by Steinbach in that semifinal matchup.

Steinbach went on to lose 2-0 in the final to the Dakota Lancers.

Selkirk began the playoffs with a

2-0 (25-18, 27-25) win over the Linden Christian Wings.

In pool play, Selkirk cruised to 2-0 victories over Garden Valley (25-16, 25-11) and Glenlawn (25-10, 25-21) while also defeating Winnipeg's Vincent Massey Trojans 2-1 by scores of 29-31, 25-14, 15-10.

The Royals resumed KPAC action Monday against West Kildonan and then will visit MBCI on Wednesday.

## Neelin ousts Selkirk at Viking Classic

Staff

The Selkirk Royals were ousted from the JV Girls Viking Classic in Brandon last weekend after a 2-1 loss to the Neelin Spartans in the consolation semifinals.

Neelin won the match by scores of 16-25, 25-18, 15-5.

Selkirk began the playoffs with

a 2-1 (25-23, 12-25, 8-15) loss to the Vincent Massey Vikings from Brandon.

The Royals finished third in their four-team pool with a 1-2 record. Selkirk split with River East (16-25, 25-16) and lost 2-0 to Neelin (25-27, 18-25) and the Virden Bears (4-25, 12-25).

# Royals play real well at Morris boys' hockey tournament

By Brian Bowman

The Selkirk Royals reached the championship game of the Morris Mavericks boys' hockey tournament this past weekend.

Selkirk was edged 2-1 by Morris in the final.

Brandon Balmer scored a second-period goal to put the Royals up 1-0.

Morris tied the score on the power play with about two minutes remaining in the third period and then won the game in overtime.

It was a tough way to lose in a final, but Selkirk saw a lot positives from

the weekend.

"It was a good weekend for our team," said Royals' head coach Michael Buffie. "We're building towards what we're trying to do as a team and we really came together this weekend. It was good."

James Kulyk was outstanding in goal for the Royals, said Buffie, in the loss.

Selkirk started tournament play with a 2-1 win over the St. Paul's Crusaders. The Royals then edged a very good Dakota Lancers' team 5-4.

"We needed the team to show that we can win games and beat the good

teams," Buffie said. "Beating (Dakota), one of the better teams in our division, was a huge morale boost and confidence boost for us."

Buffie noticed the Royals playing better together last weekend and creating more offence.

"A lot of these guys have never played together before so we're starting to figure out our line combinations while trying to develop some chemistry and connections between the guys," Buffie noted.

On Oct. 16, the Royals lost 3-1 to the Garden City Fighting Gophers

in WHSHL Platinum Promotions Division action at the Seven Oaks Sportsplex.

Brayden Cador scored Selkirk's goal in the third period, assisted by Nolan Milgaard.

Cody Lourenco and Nolan Weihs scored first-period goals for Garden City and then Connor Fyfe tallied in the third.

Jack Jehle was in goal for Selkirk. Selkirk is back in league action this Wednesday at 3:45 p.m. when it plays College Jeanne-Sauve in Ile des Chenes.

# Selkirk Judo Club wins medals at Saskatchewan Open

Submitted by Brian Jones

Eight members of the Selkirk Judo Club competed at the 2018 Saskatchewan Open in Regina on Oct. 20-21.

The team returned home with a gold and two silver medals.

"Our team performed well in Regina," said Brian Jones, one of the club's coaches. "The Saskatchewan Open has moved from January to October and it was the first tournament of the season for our fighters. They will have some areas to work on as they prepare for the remaining fall tournaments."

Sarah Ekosky won gold in U16 Girls under 57 kg. Sarah won three straight matches in her division of nine competitors to earn top spot on the podium.

She defeated Mia Parker from Alberta in the final.

Daniel Ekosky won silver in U14 Boys under 60 kg. With four fighters in his division, Daniel fought in a round robin, winning two matches and losing one.

Damien Ekosky, meanwhile, won silver in Senior Men Advanced under 73 kg. There were 13 fighters in his division, and after a first-round bye, Damien finished with a 2-1 record.

He lost in extra time to Sava Antic from Ontario in the final.

Damien, Justin and Sarah Ekosky will travel with the Manitoba team to tournaments in Montreal and Toronto on the Nov. 3-4 and Nov. 10-11 weekends, respectively.

The first local tournament of the year will be the St. Boniface Open on Nov. 24.

RECORD PHOTO SUBMITTED

The Selkirk Judo Club's Daniel Ekosky, left, won silver in the U14 boys' under 60-kg division.

# Selkirk reaches semifinals of Husky Classic

By Brian Bowman

The Selkirk Royals' girls' hockey team reached the semifinals of the championship bracket at the Husky Classic this past weekend.

Selkirk was edged 3-2 in overtime by the Jeanne Sauve Olympiens.

"It was a tough game and we were pretty tired out," said Royals' head coach Noah Cain. "It was our sixth game in five days, so I think we ran out of steam a little bit in the tournament."

"But I liked what I saw. We have a good group and we saw what we can get better at."

Jeanne Sauve went on to lose 6-2 to Winnipeg's Vincent Massey Trojans in the championship game.

In pool play, the Royals finished second with a 2-1 record. Selkirk beat St. John's Ravenscourt 3-1 and Sioux Lookout, Ont. 13-0 but lost 3-2 to the Oak Park Raiders.

"We saw some good stuff and we saw some stuff that we need to work on," Cain said. "We know we have a talented team. It's just the matter of competing and bearing down when we have the chances. Doing the little things that make the difference."

Selkirk started its WWHSHL CTV Division regular season with a convincing 7-2 victory over the Portage Saints on Oct. 16 in East Selkirk.

Rayley Goetz led Selkirk with two

goals and an assist while Cienna Palmer added a pair of goals.

Selkirk, which held period leads of 2-0 and 4-1, also received goals from Jazmyn-Rae Desjarlais, Amy Carter and Anna Sternat.

Paige Shwaluk replied with two goals for the Saints.

Jodi Clifton was solid in goal, making 21 saves.

The next day, the Royals easily took care of the Sanford Sabres 6-2.

"We're playing really well and we're putting the puck in the net," Cain observed. "The difference between our week and our weekend was we were able to find the back of the net."

"We were passing the puck really well and making the goalie move and playing as a team. When we do that, our chances are better and those high-percentage chances lead to goals."

After a scoreless first period, Palmer and Sternat tallied in the second.

Jana King made it 3-0 early in the third before Sanford's Kirsten Masters answered just 22 seconds later.

The Royals responded nicely from that Sabres' goal as Desjarlais, Maggie Medock, and Goetz scored to give the Royals a 6-1 advantage.

Sanford's Melayna Drozd then scored with 27 seconds remaining in the game.

Clifton made 17 saves for the victory.

Selkirk hosted the St. Mary's Acad-

RECORD PHOTO BY LANA MEIER

The Royals' Amy Carter is stopped on this scoring chance at the Bell MTS Iceplex.

emy Flames this past Tuesday but no score was available at press time.

The Royals' next league game is Monday when they visit the Saints in Portage la Prairie. Puck drop is 3:45 p.m.

On an individual note, Palmer was named the CTV Division player of the week for last week.

"She's been really strong for us this year and she's going to be a big leader

for us," Cain said. "If she keeps scoring like that, we're going to find success. She's passing the puck really well, too."

"She's a real quick player out there for us and when she's playing with speed...I feel bad for the other team's defence when she is coming down on them because she really puts them on their heels."

## Steelers steal a win in Neepawa

By Brian Bowman

There was no quit in the Selkirk Steelers on Saturday against the Neepawa Natives.

Trailing 4-2 in the third period on the road, Selkirk scored three unanswered goals in a 5-4 overtime win.

Ryan Sokoloski's fourth goal of the season was the game winner in OT.

Colby Dudek pulled Selkirk to within a goal at 7:25 of the final frame and then Connor Barley tied the score at 4-4 at 18:33.

Neepawa took a 2-0 lead on goals from Mackenzie Belinski and Brad Marshall but Selkirk answered with tallies from Brett Namaka and Dudek, who finished the game with three points.

The Natives would regain their two-goal lead, though, before the period ended with markers from Scott Mickoski and Belinski.

Levi Mitchell made 51 saves for the Steelers, who were outshot 55-14, according to the league website.

### Ice problems

On Friday, the Steelers' home game against the Swan Valley Stampede was postponed midway in the second period due to ice problems with the score tied at 3-3.

The game will be completed at a lat-

er date.

Connor Barley, Namaka, and Nate Halvorsen scored for Selkirk. Justin Sverson, Josh Tripp and Matthew Osadick replied for Swan Valley.

### Terriers topple Steelers

On Oct. 16, the Steelers lost 7-5 to the Portage Terriers - despite a three-goal, one-assist performance from Namaka - at the Rec Complex.

Steelers' forward Ryan Piwniuk scored his seventh goal of the season on the power play at 3:38 of the first period.

Namaka made it 2-0 at 12:33 of the opening period.

But Portage cut the deficit in half as Sheldin Howard potted a power-play goal at 19:18 of the first period.

The Terriers then went ahead 3-2 early in the second as Reilly Funk and Braden Billaney tallied.

Namaka and Billaney then traded power-play goals just over three minutes later before Portage's Mac Walkington closed out the scoring in the second period.

Namaka completed his hat trick early in the third and then Portage's Ty Barnstable and Connor Barley traded power-play goals.

The Terriers' Jay Buchholz scored an empty-net goal at 18:29 of the third.

RECORD PHOTO BY BRETT MITCHELL

Steelers' defenceman Colby Jaquet blasts a shot from the point during MJHL action against the Portage Terriers last week at the Rec Complex.

Selkirk played the Winnipeg Blues on Tuesday at the Bell MTS Iceplex but no score was available at press time.

The Steelers will battle the Virden

Oil Capitals this Saturday (7 p.m.) in Gimli.

The two teams will hook up again next Tuesday (7:30 p.m.) in Selkirk.

Brett Namaka

## Namaka named runner up for MJHL Player of the Week award

Staff

Selkirk Steelers' forward Brett Namaka was one of two runner-ups for the Recycle Everywhere MJHL Player of the Week award.

Namaka, a 19-year-old forward from Winnipeg, scored five goals and added an assist in three games last week.

The player of the week was the Portage Terriers' Reilly Funk.

Funk, who hails from Portage, scored four goals and added two assists over a three-game span.

With two wins in their last three games, the Terriers were recently ranked 12th

in the Canadian Junior Hockey

League.

Funk, 18, is in the top 10 of MJHL scorers with 16 points (seven goals, nine assists) heading into this week's action.

The other runner up for the award was 20-year-old goaltender Brennan Kitchen of the Dauphin Kings.

## Einarson a runner-up at Canad Inns Women's Classic

Staff

Kerri Einarson's curling team has been real hard to defeat this season.

But Edmonton's Chelsea Carey was able to beat her formidable squad on Sunday.

Carey, a former Winnipegger, downed Einarson 7-5 in the final of the Canad Inns Women's Classic 32-

team bonspiel in Portage la Prairie.

Carey scored three in the second end and then led 5-2 after four ends. After the teams traded singles, Einarson scored a pair in the seventh to trail 6-5.

Carey then sealed the victory by scoring one in the eighth and final end. Einarson's new powerhouse rink,

which features third Val Sweeting, second Shannon Birchard, and lead Briane Meilleur (all former skips), has been red-hot to begin this season. They have won four events besides finishing second last weekend.

Einarson reflected on the rare loss this season.

"We got down early," Einarson told

PortageOnline.com. "We missed a draw in the second end, which was unfortunate. We gave it a good battle. We stuck it out and we were still having fun out there, which is key. We were happy to get this far.

"So, we've been playing well and we've been just having lots of fun out here."

## Royals run well at cross-country provincials

### Staff

The Selkirk Royals had several outstanding performances at the MHSAA cross-country provincial championship last week in Roseisle.

Selkirk's Heath Kurys ran a great varsity boys' race, finishing fourth overall with a great time of 17.25.

The Royals' Sayda Bloom was 10th in the junior varsity girls' race with a very good time of 13.28.

Other Selkirk finishers in the top 100 included Mia Loeppky 48th (junior varsity girls), Sophia Thorne 51st (junior varsity girls), Annika Goodbrandson 71st (junior varsity girls), Brayden Wiebe 33rd (junior varsity boys), Nathan Vaughan 87th (junior varsity boys), Pablo Littardi 91st (junior varsity boys), Asha Gurney 40th (varsity girls), and William Miller 54th (varsity boys).

Each category had close to 200 runners.

The provincial team winners included:

### A-AAA Category

Junior varsity boys - 1st Westgate Mennonite, 2nd College Beliveau, 3rd Morden Collegiate

Junior varsity girls - 1st Sanford Collegiate, 2nd Prairie Mountain High School (Somerset), 3rd - Westgate Mennonite

Varsity girls - 1st College Regionale Gabrielle Roy, 2nd Sanford Colle-

giate, 3rd Nelson McIntyre Collegiate  
Varsity boys - 1st Carman Collegiate, 2nd Westgate Mennonite, 3rd Stone-wall Collegiate

### AAAA Category

Junior varsity boys - 1st St. Paul's High School, 2nd River East Collegiate, 3rd Kelvin High School

Junior varsity girls - 1st Vincent Massey Collegiate (Winnipeg), 2nd Kelvin High School, 3rd River East Collegiate

Varsity girls - 1st St. Mary's Academy, 2nd Oak Park Collegiate, 3rd River East Collegiate

Varsity boys - 1st Garden City Collegiate, 2nd Oak Park High School, 3rd Vincent Massey Collegiate (Wpg)

Top individual performances:

### Junior varsity boys

1st Lemek Afewoki - Glenlawn Collegiate

2nd Amanuel Ghebredingil - Dakota Collegiate

3rd Sam Kirkland - Kelvin High School

### Junior varsity girls

1st Marina Gross - Carman Collegiate

2nd Lara Denbow - Neepawa Collegiate

3rd Raegan Ricard - Prairie Mountain High School (Somerset)

The Royals' Heath Kurys, seen here competing at a Bird's Hill meet earlier this season, had an outstanding race, finishing fourth in the varsity boys' race at the MHSAA cross-country provincials.

### Varsity boys

1st Ethan Clark - Carman Collegiate  
2nd Calvin Reimer - River East Collegiate

3rd Justin Kroeker - Edward Schreyer Secondary School (Beausejour)

**RECORD PHOTOS BY MATTHEW PEARSON**  
The Selkirk Royals' Sayda Bloom placed 10th overall in the junior varsity girls' race at the MHSAA cross-country provincials last week.

### Varsity girls

1st Ceci Howes - Kelvin High School  
2nd Tracy Towns - Shaftesbury High School

3rd Cadence Christie - St. Mary's Academy

For complete results please visit the MHSAA website at [https://www.mhsaa.ca/provincials/?sport\\_id=10](https://www.mhsaa.ca/provincials/?sport_id=10)

## MJHL to implement concussion management software to facilitate a safer environment

### Submitted

The Manitoba Junior Hockey League is continuing a commitment to advance player safety standards by taking part in the CJHL Concussion Program supported by The Co-operators.

The new national program provides the league with innovative concussion management software from HeadCheck Health, Inc. for use with their concussion protocol.

The MJHL's concussion protocol establishes mandatory guidelines for the recognition, assessment, and management of concussion. HeadCheck's mobile and web-based soft-

ware provides MJHL teams with more advanced tools to follow that protocol. The net result will be a safer environment for all players.

"This partnership with HeadCheck is another step forward for player safety in our league," said MJHL commissioner Kim Davis in a media release. "We're pleased to provide our trainers and medical professionals with the best tools we can to keep our players safe."

Team trainers can use HeadCheck's mobile app to document suspected concussions, perform concussion assessments and transfer the informa-

tion collected to medical professionals and partner clinics.

The national program allows a player's concussion history to transfer with them from team-to-team or league-to-league for more informed care.

"We recognize that junior hockey players can be vulnerable to concussions because they're playing a contact sport. We want to support them as they pursue their hockey careers by providing an extra safety net with this concussion program," said Kevin Daniel, executive vice president at Co-operators Life Insurance Com-

pany.

Harrison Brown, co-founder and CEO of HeadCheck Health said, "We're proud that the MJHL has decided to take HeadCheck on a league-wide basis following a successful implementation by the Virden Oil Capitals last season. Throughout our dealings with the MJHL, Kim Davis has shown a strong desire to be proactive about concussion safety."

All data collected through the HeadCheck system will be stored according to Canadian health privacy standards and will only be accessed by authorized individuals.

Canadian Nuclear Laboratories | Laboratoires Nucléaires Canadiens

## Canadian Nuclear Laboratories Ltd. - Whiteshell Closure Project

## Call for Expression of Interest (EOI)

Relocation of the Internal Dosimetry (ID) operations and equipment from the Whiteshell Laboratories (WL).

Alternatives currently under consideration include:

- Establish an external supplier to provide ID services.
- Transfer the WL ID program and equipment to an external supplier.
- Relocate the WL ID program operations and equipment to a secure leased supplier/tenant facility located near the WL Site

The objective of this EOI is to identify and prequalify organizations that are interested in entering into a contract with CNL and can demonstrate suitable capacity, capabilities and experience. This EOI is intended for organizations with support capabilities or experience operating within the nuclear sector or owners/operators of environmentally controlled facilities containing sophisticated technical, laboratory, medical or other like equipment.

If you are interested in receiving a Request for Information (RFI) package, please forward a qualification statement along with your contact information to:

Grant Hlady  
[grant.hlady@cnl.ca](mailto:grant.hlady@cnl.ca)

**Deadline for EOI response: November 12, 2018**

	2							
			1			2	3	6
			4				5	
	6			5			1	
4		9					2	

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Intermediate

#### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

7	2	9	8	1	8	6	9	4
4	1	8	2	9	6	2	9	8
8	9	6	9	2	7	8	1	7
9	8	2	8	6	1	7	7	9
1	6	8	7	2	9	9	2	8
9	7	2	2	8	9	8	6	1
8	2	9	6	7	2	1	8	9
6	8	7	1	9	2	9	8	2
2	9	1	9	8	8	7	7	6

## ANNOUNCEMENT

### BIRTH ANNOUNCEMENT

**Chase Brian David Fedorchuk**  
Proud parents Derek and Taylor Fedorchuk along with their parents Cindy and Brian Fedorchuk and Erin Blahitka would like to announce the birth of Chase Brian David Fedorchuk. Chase was born on September 29, 2018 at 6:32 p.m. in Selkirk, Manitoba. He weighed 5 lbs 11 oz. and was 18.5 inches long. Welcome to the world baby Chase!

## ANNOUNCEMENT

### IN MEMORIAM

**Nicole Zahda Rae Schmid**  
August 12, 1997 – October 30, 2013  
No farewell words were spoken,  
No time to say goodbye;  
You were gone before we knew it,  
And only God knows why.  
Our hearts still ache with sadness,  
And secret tears still flow;  
What it meant to lose you,  
No one will ever know.  
A thousand times we needed you,  
A thousand times we cried;  
If love alone could have saved you,  
You never would have died.  
-Love always Mom Colleen and Grandma Bev and family

## ANNOUNCEMENT

### CARD OF THANKS

Thank you to everyone who joined us in celebrating our 50th Wedding Anniversary on Saturday, October 13th at the Army & Navy. It was a great evening, especially seeing family and friends who we haven't seen in a long time. Thank you for the many cards received in the mail and congratulatory phone calls. Thanks to those who gave speeches – Brandi, Quinn, our sister-in-law Jo-Ann and our niece Tara. Thank you to Brandi and Quinn for the picture montage. A very special thank you to Jo-Ann for organizing the lunch, the decorations, the invitations to out of town family and all the extra special touches. We are so blessed to have family close by to celebrate Christmas, birthdays and all those special occasions.

-Barry and Diane Moffatt

## ANNOUNCEMENT

### CARD OF THANKS

Thank you to all the Homecare and nurses at Pinawa Hospital and Teulon Hospital. They were just great staff, as well as friends. I am now at Betel Home, my new residence. Thank you again!

-Beatrice Tudor and sister Eleanor

## ANNOUNCEMENT

### IN MEMORIAM

**Edward Stanley Starodub**  
December 24, 1924 – October 31, 2013  
The world may change from year to year,  
And friends from day to day;  
But never will the one we loved,  
From memory pass away.

-Your loving family, Mary,  
Rob and Linda (Stephanie),  
Ron and Ardine (Janine and Lauren)

## OBITUARY

### Susan Yvonne Hodge

Suddenly on Saturday, October 20, 2018, at the Selkirk Regional Health Centre, Susan Hodge, aged 65 years, of Scanterbury, MB, beloved wife of Larry, passed away.

Traditional Wake will be held on Wednesday, October 24, 2018 at 3:00 p.m. in the Private Tommy Chief Memorial Hall. Funeral service will be held on Thursday, October 25, 2018 at 2:00 p.m. also in the Tommy Chief Memorial Hall with cremation to follow.

Condolences, pictures and videos may be left on Susan's tribute wall at [www.gilbartfuneralhome.com](http://www.gilbartfuneralhome.com)

Gilbart Funeral Home,  
Selkirk in care of arrangements.

## OBITUARY

### Lena Basiuk (nee Darichuk)

After a life of hard work dedicated to family and teaching, Lena passed away peacefully on October 16, 2018 at Tudor House Personal Care Home in Selkirk.

Lena was born on April 10, 1923 in Theodore, SK, attended Normal School in Yorkton and moved to Manitoba in 1955. She taught for a total of 33 1/2 years, mainly in the Selkirk area. Her years teaching grades 3 and 4 at Happy Thought School held especially fond memories for her. Decades after her retirement former students would greet her, describing her as having been a "firm but fair" teacher. Her love of children was evident even in later years; her face would light up when children came to visit the residents at Tudor House.

Lena married in 1947 and had three children. Predeceased by her husband Henry, daughter Valerie and infant daughter Cynthia;

she is survived by her daughter Loretta, son-in-law Ken Harder, as well as numerous nieces and nephews and their children.

A pioneer career woman, Lena managed responsibilities as wife, mother and teacher. Her life centered around three core values: family, education and the Ukrainian Orthodox faith and culture.

An avid gardener, she enjoyed family get-togethers, church and local community events and fishing and camping trips with Henry and the Lord Selkirk S. D. gang. Lena was unselfish in her own needs and generous in support of her husband and children in their interests and activities.

Lena's strength of character and faith were evident, not only in bearing personal loss, but in her four years at Tudor House. She was accepting and uncomplaining, even as her health deteriorated.

Thank you to the Tudor House staff for the care and kindness extended to her.

Funeral Mass was celebrated on Wednesday, October 24, 2018 at 11:00 a.m. in the St. Nicholas Ukrainian Orthodox Church, Gonor, MB, at 11:00 a.m. with Fr. Richard Ehrmantraut officiating.

In lieu of flowers, donations can be made in Lena's name to a charity of your choice.

Condolences, pictures and videos may be left on her tribute wall at [www.gilbartfuneralhome.com](http://www.gilbartfuneralhome.com)

Gilbart Funeral Home, Selkirk in care of arrangements.

### Joseph (Bud) Peter Shiaro May 20, 1944 - October 10, 2018

It is with deep sadness we announce the sudden passing of Joseph (Bud) Shiaro. Bud passed peacefully, with family by his side at the age of 74 years, after a nine year battle with lymphoma, at the Selkirk Regional Health Centre.

Bud leaves to mourn his passing his wife of 51 years, Marilyn; children Tim and Paul (Tasha); granddaughter Hannah; sister Valerie Desharnais (Ron); sister-in-law Laurie Miller (Andy); brother-in-law Len Kalinski (Mercy); nieces and nephews Michelle Desharnais, Raun Desharnais (Susan), Kristjan Thompson (Alexandra), Holly Harms (Steven); as well as many aunts, uncles, cousins and friends.

He was predeceased by his parents Joe and Helen Shiaro; parents-in-law John and Ruth Ezinicki; brother Terrance and his

sister-in-law Margaret Kalinski.

The family would like to thank Dr. Richard Brian Lindenschmidt for his excellent care and compassion, to the doctors and nurses on the chemo ward, Selkirk for your jokes, teasing and excellent care of Bud. You made those long treatment days so much easier. Thank you to the staff on Medicine 2 for taking such good care of Bud and I.

Bud was born and raised in Selkirk, MB. In 1962 Bud joined the Royal Canadian Air Force. There he was trained as a fire fighter. After leaving the Air Force, Bud went to work for the City of Winnipeg for 19 years. Then he moved to work for C.U.P.E. Local 500 as a Health and Safety activist. After five years he went to work for C.U.P.E. National as a Health and Safety Representative for Manitoba and Saskatchewan and sometimes other provinces. He was an executive member of RTO for Local 500. He sat on the Manitoba Federation of Labour Health and Safety Committee, and C.U.P.E. Manitoba Health and Safety Committee. He was a member of the board of the MFL Occupational Health Centre. Local 500 SAO Health and Safety. He was an honorary life member of C.U.P.E. Local 500. He was involved in establishing April 28 as a day of mourning for workers killed on the job.

He was an active member of the N.D.P. and worked on many election campaigns over the years. After retirement, Bud sat as Chair of the Board for the Interlake Regional Health Authority.

Family was very important to Bud and he enjoyed his roles as husband, father, father-in-law and giga. He enjoyed retirement going to Junior A hockey games, especially the Selkirk Steelers games. He travelled to Bucerius, Mexico in winter where he made many friends. He was a volunteer at the Winnipeg Folk Festival and spent many years attending it. He enjoyed spending time at his cottage in the summer with family and friends.

Bud was always willing to help people in need, anyway he could. He was a builder, building his house, his cottage and helping with projects for his family and friends.

A Celebration of Life will be held in the Gilbart Funeral Home Reception Center, on Saturday, November 3, 2018 with doors open at 1:00 p.m. and speeches to begin at 1:30 p.m. the area is handicapped accessible, 309 Eveline St, Selkirk, MB. Interment will take place at a later date in the Notre Dame Roman Catholic Cemetery.

In lieu of flowers donations may be made to Our Daily Bread Soup Kitchen, Box 123, Selkirk, MB, R1A 2B1.

Condolences, pictures and videos may be left on his tribute wall at [www.gilbartfuneralhome.com](http://www.gilbartfuneralhome.com).

Gilbart Funeral Home, Selkirk in care of arrangements.
